together with all rights; interests, easements; hereditaments and appurtenances thereunto belonging, the rents, issues, and profits thereof and revenues and income therefrom, all improvements and personal property now or later attached thereto or reasonably necessary to the use thereof, including, but not limited to, ranges, refrigerators, clothes washers, clothes dryers, or carpeting purchased or financed in whole or in part with loan funds, all water, water rights, and water stock pertaining thereto, and all payments at any time owing to Borrower by virtue of any sale, lease, transfer, conveyance, or condemnation of any part thereof or interest therein-all of which are herein called "the property";

TO HAVE AND TO HOLD the property unto the Government and its assigns forever in fee simple.

BORROWER for himself, his heirs, executors, administrators, successors and assigns WARRANTS THE TITLE to the property to the Government against all lawful claims and demands whatsoever except any liens, encumbrances, easements, reservations, or conveyances specified hereinabove, and COVENANTS AND AGREES as follows:

(1) To pay promptly when due any indebtedness to the Government hereby secured and to indemnify and save harmless the Government against any loss under its insurance of payment of the note by reason of any default by Borrower. At all times when the note is held by an insured holder, Borrower shall continue to make payments on the note to the Government as collection agent for the holder.

(2) To pay to the Government such fees and other charges as may now or hereafter be required by regulations of the Farmers Home Administration.

(3) If required by the Government, to make additional monthly payments of 1/12 of the estimated annual taxes, assessments, insurance premiums and other charges upon the mortgaged premises.

(4) Whether or not the note is insured by the Government, the Government may at any time pay any other amounts required herein to be paid by Borrower and not paid by him when due, as well as any costs and expenses for the preservation, protection, or enforcement of this lien, as advances for the account of Borrower. All such advances shall bear interest at the rate borne by the note which has the highest interest rate.

(5) All advances by the Government as described in this instrument, with interest, shall be immediately due and payable by Borrower to the Government without demand at the place designated in the latest note and shall be secured hereby. No such advance by the Government shall relieve Borrower from breach of his covenant to pay. Such advances, with interest, shall be repaid from the first available collections received from Borrower. Otherwise, any payment made by Borrower may be applied on the note or any indebtedness to the Government secured hereby, in any order the Government determines.

(6) To use the loan evidenced by the note solely for purpose authorized by the Government.

 $\mathbb{C}(7)$ To pay when due all taxes, liens, judgments, encumbrances, and assessments lawfully attaching to or assessed against the property, including all charges and assessments in connection with water, water rights, and water stock pertaining to or reasonably necessary to the use of the real property described above, and promptly deliver to the Government, without demand receipts evidencing such payments.

(8) To keep the property insured as required by and under insurance policies approved by, delivered to, and retained by the Government.

(9) To maintain improvements in good repair and make repairs required by the Government; operate the property in a good and husbandmanlike manner; comply with such farm conservation practices and farm and home management plans as the Government from time to time may prescribe; and not to abandon the property, or cause or permit waste, lessening or impairment of the security covered hereby; or; without the written consent of the Government, cut, remove, or lease any timber, gravel, oil, gas, coal, or other minerals except as may be necessary for ordinary domestic purposes.

The Government shall have the sole and exclusive rights as mortgagee hereunder, including but not limited to the power to grant consents, partial releases, subordinations, and satisfaction, and no insured holder shall have any right, title or interest in or to the lien or any benefits hereof.

(13) At all reasonable times the Government and its agents may inspect the property to ascertain whether the covenants and agreements contained herein or in any supplementary agreement are being performed.

(14) The Government may extend and defer the maturity of and renew and reamortize the debt evidenced by the note or any indebtedness to the Government secured hereby, release from liability to the Government any party so liable thereon, release portions of the property from and subordinate the lien hereof, and waive any other rights hereunder, without affecting the lien or priority hereof or the liability to the Government of Borrower or any other party for payment of the note or indebtedness secured hereby.

(15) If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a production credit association, a Federal land bank, or other responsible cooperative or private credit source, at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, upon the Government's request, apply for and accept such loan in sufficient amount to pay the note and any indebtedness secured hereby and to pay for any stock necessary to be purchased in a cooperative lending agency in connection with such loan.

(16) Default hereunder shall constitute default under any other real estate or crop or chattel security instrument held or insured by the Government and executed or assumed by Borrower, and default under any such other security instrument shall constitute default hereunder.

(17) SHOULD DEFAULT occur in the performance or discharge of any obligation in this instrument or secured by this instrument, or should any one of the parties named as Borrower die or be declared an incompetent, a bankrupt, or an insolvent, or make an assignment for the benefit of creditors, the Government, at its option, with or without notice, may: (a) declare the entire amount unpaid under the note and any indebtedness to the Government hereby secured immediately due and payable, (b) for the account of Borrower incur and pay reasonable expenses for repair or maintenance of and take possession of, operate or rent the property, (c) upon application by it and production of this instrume..! without other evidence and without notice of hearing of said application, have a receiver appointed for the property, with the usual powers of receivers in like cases, (d) foreclose this instrument as provided herein or by law, and (e) enforce any and all other rights and remedies provided herein or by present or future law.

At foreclosure or other sale of all or any part of the property, the Government and its agents may bid and purchase as a stranger and may pay the Government, in the order prescribed above.

(19) Borrower agrees that the Government will not be bound by any present or future laws, (a) providing for valuation, appraisal, homestead or exemption of the property, (b) prohibiting maintenance of an action for a deficiency judgment or limiting the amount thereof or the time within which such action may be brought, (c) prescribing any other statute of limitations, (d) allowing any right of redemption or possession following any foreclosure sale, or (c) limiting the conditions which the Government may by regulation impose, including the interest rate it may charge, as a condition of approving a transfer of the property to a new Borrower. Borrower expressly waives the benefit of any such State law. Borrower hereby relinquishes, waives, and conveys all rights, inchoate or consummate, of descent, dower, and curtesy.

(20) If any part of the loan for which this instrument is given shall be used to finance the purchase, construction or repair of property to be used as an owner-occupied dwelling (herein called "the dwelling") and if Borrower intends to sell or rent the dwelling and has obtained the Government's consent to do so (a) neither Borrower nor anyone authorized to act for him will, after receipt of a bona fide offer, refuse to negotiate for the sale or rental of the dwelling or will otherwise make unavailable or deny the dwelling to anyone because of race, color, religion, sex, or national origin, and (b) Borrower recognizes as illegal and hereby disclains; and will not comply with or attempt to enforce any restrictive covenants on the dwelling relating to race, color, religion, sex or national origin.
