P. PEYTON and DORIS A. PEYTON, husband and wife, Grantees, the following described property, to wit:

A parcel of land lying in the SW $\frac{1}{4}$ SW $\frac{1}{4}$ of Section 20, Township 38 South, Range 9 East, W.M., Klamath County, Oregon and being a portion of that property described in that deed to the State of Oregon, by and through its State Highway Commission, recorded in Book 276, Page 65 of Klamath County Record of Deeds; the said parcel being that portion of said property lying Easterly of a line parallel with and 110 feet Easterly of the center line of the Dalles-California Highway, which center line is described in said State of Oregon Deed.

The parcel of land to which this description applies contains 0.22 acre, more or less.

It is understood that this conveyance is made and delivered upon the following express conditions, reservations and restrictions:

1. That there is reserved to the State of Oregon, its successors, and assigns, all minerals, as defined in ORS 273.775(1), and all geothermal resources, as defined in ORS 273.775(2), together with the right to make such use of the surface as may be reasonably necessary for prospecting for, exploring for, mining, extracting, reinjecting, storing, drilling for, and removing, such minerals, and geothermal resources; provided, however, that the right hereby reserved to use the surface for any of the above activities shall be subordinate to that actual use of the surface of the premises deeded herein, or any part thereof, being made by the surface rights owner at the time that the State's lessee conducts any of the above activities. In the event such use of the premises by a surface rights owner would be damaged by one or more of the activities described above, then such owner shall be entitled to compensation from the State's lessee to the extent of the diminution in value of the real property, based on the actual use by the surface rights owner at the time the State's lessee conducts any of the above activities.
2. That there is reserved to Grantor, and waived by Grantees, all access rights between the above described real property and the right of way of the Dalles-California Highway abutting on said parcel. This reservation shall run with the land and shall not be subject to modification, cancellation or destruction by adverse user or estoppel, no matter how long continued. Nothing in this conveyance contained shall be construed as conveying any estate, right, title or interest in and to said public highway right of way or any rights of reversion therein or thereto.
3. That the above described land shall never be used for the placing or maintenance of any advertising sign, display or device, except such sign, display or device used to advertise the activities on said land, or the lease of said land or any portion thereof. In the event of violation of this condition, Grantor shall have the right, through its authorized officers, agents or employees to enter upon said land and remove, destroy or obliterate any unauthorized sign, display or device, without liability for damage or injury thereto, and to recover the cost of such removal, destruction or obliteration from the owner of said land.

6. That Grantees maintain the existing highway fence along the Westerly side of the property.

7. That this conveyance is made upon the further condition, which shall constitute a covenant running with the land, that Grantor shall not at any time become liable to Grantees, their heirs, assigns or successors in interest for damages to the land herein described or any buildings, structures, improvements or property of any kind or character now or hereafter located upon said land or for any injuries to any owner, occupant or any person in or upon said land or for any interference with the use and enjoyment of said land or for damages which except for this covenant might constitute a nuisance caused directly or indirectly by noise or air pollutant emissions from transportation vehicles using the highway or transportation facility adjacent to said land. Any reference in this covenant to the highway or transportation facility adjacent to said land refers to the highway or transportation facility as it now exists and also as it will exist with future improvements. Grantees for themselves and for those who may hold title to any of said land under or through them, hereby covenant not to sue Grantor for any of said injuries or damages.
