In addition to the monthly payments herein, Vendees shall pay all taxes and insurance when due. which vendee assumes, and will place said deed

together with one of these agreements in escrow at the Security Savings & Loan Association

at Klamath Falls, Oregon, and shall enter into written escrow instruction in form satisfactory to said escrow holder, instructing said escrow holder that when, and if, vendee shall have paid the balance of the purchase price in accordance with the terms and conditions of this contract, said escrow holder shall deliver said instruments to vendee, but that in case of default by vendee said escrow holder shall, on demand, surrender said instruments to vendor.

Escrow fees shall be deducted from the first payment made hereunder. The escrow holder may deduct cost of necessary revenue stamps from final payments made hereunder.

In the event vendee shall fail to make the payments aforesaid, or any of them, punctually and upon the strict terms and at the times above specified, or fail to keep any of the other terms or conditions of this agreement, time of payment and strict performance being declared to be the essence of this agreement, then vendor shall have the following rights: (1) To foreclose this contract by strict foreclosure in equity; (2) To declare the full unpaid balance immediately due and payable; (3) To specifically enforce the terms of this agreement by suit in equity; (4) To declare this contract null and void, and in any of such cases, except exercise of the right to specifically enforce this agreement by suit in equity, all the right and interest hereby created or then existing in favor of vendee derived under this agreement shall utterly cease and determine, and the premises aforesaid shall revert and reves in vendor without any declaration of forfeiture or act of reentry, and without any other act by vendor to be performed and without any right of vendee of reclamation or compensation for money paid or for improvements made, as absolutely, fully and perfectly as if this agreement had never been made.

Should vendee, while in default, permit the premises to become vacant, Vendor may take possession of same for the purpose of protecting and preserving the property and his security interest therein, and in the event possession is so taken by vendor he shall not be deemed to have waived his right to exercise any of the foregoing rights.

And in case suit or action is instituted to foreclose this contract or to enforce any of the provisions hereof, vendee agrees to pay reasonable cost of title report and title search; and such sum as the trial court may adjudge reasonable as attorney's fees to be allowed plaintiff in said suit or action, and if an appeal is taken from any judgment or decree of such trial court, the vendee further promises to pay such sum as the appellate court shall adjudge reasonable as plaintiff's attorney's fees on such appeal.

Vendee further agrees that failure by vendor at any time to require performance by vendee of any provisions hereof shall in no way affect vendor's right hereunder to enforce the same, nor shall any waiver by vendor of such breach of any provision hereof be held to be a waiver of any succeeding breach of any such provision, or as a waiver of the provision itself.

In construing this contract, it is understood that vendor or the vendee may be more than one person; that if the context so requires the singular pronoun shall be taken to mean and include the plural, the masculine, the feminine, and the neuter, and that generally all grammatical changes shall be made, assumed and implied to make the provisions hereof apply equally to corporations and to individuals.
