together with all and singular the tenements, hereditaments and appurtenances and all other rights thereunto belonging or in anywise
 now or hereafter appertaining, and the rents, issues and profits thereof and all fixtures now or hereafter attached to or used in connection
 with said real estate.

FOR THE PURPOSE OF SECURING PERFORMANCE of each agreement of grantor herein contained and payment of the
 sum of Four Thousand One Hundred Dollars Dollars, with interest
 thereon according to the terms of a promissory note of even date herewith, payable to beneficiary or order and made by grantor, the
 final payment of principal and interest hereof, if not sooner paid, to be due and payable October 15th, 1984.

The date of maturity of the debt secured by this instrument is the date, stated above, on which the final installment of said note
 becomes due and payable. In the event the within described property, or any part thereof, or any interest therein is sold, agreed to be
 sold, conveyed, assigned or alienated by the grantor without first having obtained the written consent or approval of the beneficiary,
 then, at the beneficiary's option, all obligations secured by this instrument, irrespective of the maturity dates expressed therein, or
 herein, shall become immediately due and payable.

The above described real property is not currently used for agricultural, timber or grazing purposes.

To protect the security of this trust deed, grantor agrees:
 1. To protect, preserve and maintain said property in good condition
 and repair; not to remove or demolish any building or improvement thereon;
 not to commit or permit any waste of said property.

2. To complete or restore promptly and in good and workmanlike
 manner any building or improvement which may be constructed, damaged, or
 destroyed thereon, and pay when due all costs incurred therefor.

3. To comply with all laws, ordinances, regulations, covenants, conditions
 and restrictions affecting said property; if the beneficiary so requests, to
 join in executing such financing statements pursuant to the Uniform Commercial
 Code as the beneficiary may require and to pay for filing same in the
 proper public office or offices, as well as the cost of all lien searches made
 by title officers or searching agencies as may be deemed desirable by the
 beneficiary.

4. To provide and continuously maintain insurance on the buildings
 now or hereafter erected on the said premises against loss or damage by fire
 and such other hazards as the beneficiary may from time to time require, in
 an amount not less than \$..... written in
 companies acceptable to the beneficiary, with loss payable to the beneficiary; all
 policies of insurance shall be delivered to the beneficiary as soon as insured,
 if the grantor shall fail for any reason to procure any such insurance and to
 deliver said policies to the beneficiary at least fifteen days prior to the expiration
 of any policy of insurance now or hereafter placed on said buildings,
 the beneficiary may procure the same at grantor's expense. The amount
 collected under any fire or other insurance policy may be applied by beneficiary
 upon any indebtedness secured hereby and in such order as beneficiary
 may determine, or at option of beneficiary the entire amount so collected, or
 any part thereof, may be released to grantor. Such application or release shall
 not cure or waive any default or notice of default hereunder or invalidate any
 act done pursuant to such notice.

5. To keep said premises free from construction liens and to pay all
 taxes, assessments and other charges that may be levied or assessed upon or
 against said property before any part of such taxes, assessments and other
 charges become past due or delinquent and promptly deliver receipts therefor
 to beneficiary; should the grantor fail to make payment of any taxes, assess-
 ments, insurance premiums, liens or other charges payable by grantor, either
 by direct payment or by providing beneficiary with funds with which to
 make such payment, beneficiary may, at its option, make payment thereof,
 and the amount so paid, with interest at the rate set forth in the note secured
 hereby, together with the obligations described in paragraphs 6 and 7 of this
 trust deed, without waiver of any rights arising from breach of any of the
 covenants hereof and for such payment with interest as aforesaid, the property
 hereinbefore described, as well as the grantor, shall be bound to the same
 extent that they are bound for the payment of the obligation herein
 described, and all such payments shall be immediately due and payable without
 notice, and the nonpayment thereof shall, at the option of the beneficiary,
 render all sums secured by this trust deed immediately due and payable and
 constitute a breach of this trust deed.

6. To pay all costs, fees and expenses of this trust including the cost
 of title search as well as the other costs and expenses of the trustee incurred
 in connection with or in enforcing this obligation, and trustee's and attorney's
 fees actually incurred.

7. To appear in and defend any action or proceeding purporting to
 affect the security rights or powers of beneficiary or trustee, and in any suit,
 action or proceeding in which the beneficiary or trustee may appear, including
 any suit for the foreclosure of this deed, to pay all costs and expenses, in-
 cluding evidence of title and the beneficiary's or trustee's attorney's fees; the
 amount of attorney's fees mentioned in this paragraph 7 in all cases shall be
 fixed by the trial court and in the event of an appeal from any judgment or
 decree of the trial court, grantor further agrees to pay such sum as the ap-
 pellate court shall adjudge reasonable as the beneficiary's or trustee's attor-
 ney's fees on such appeal.

It is mutually agreed that:
 8. In the event that any portion or all of said property shall be taken
 under the right of eminent domain or condemnation, beneficiary shall have the
 right, with (a) effect, to require that all or any portion of the monies payable
 as compensation for such taking, which are in excess of the amount required
 to pay all reasonable costs, expenses, and attorney's fees necessarily paid or
 incurred by grantor in such proceedings, shall be paid to beneficiary, and
 applied by it, first upon any reasonable costs and expenses and attorney's fees,
 both in the trial and appellate courts, necessarily paid or incurred by ben-
 efiary in such proceedings, and the balance applied upon the indebtedness
 secured hereby; and grantor agrees, at its own expense, to take such actions
 and execute such instruments as shall be necessary in obtaining such com-
 pensation, promptly upon beneficiary's request.

9. At any time and from time to time upon written request of ben-
 efiary, payment of its fees and preservation of its deed and the note for
 endorsement (in case of full reconveyances for cancellation), without affecting
 the liability of any person for the payment of the indebtedness, trustee may

(a) consent to the making of any map or plat of said property; (b) join in
 granting any easement or creating any restriction thereon; (c) join in any
 subordination or other agreement affecting this deed or the lien or charge
 thereon; (d) reconvey, without warranty, all or any part of the property. The
 grantee in any reconveyance may be described as the "person or persons
 legally entitled thereto," and the recitals herein of any matters or facts shall
 be conclusive proof of the truthfulness thereof. Trustee's fees for any of the
 services mentioned in this paragraph shall be not less than \$5.

10. Upon any default by grantor hereunder, beneficiary may at any
 time without notice, either in person, by agent or by a receiver to be ap-
 pointed by a court, and without regard to the adequacy of any security for
 the indebtedness hereby secured, enter upon and take possession of said prop-
 erty or any part thereof, in its own name sue or otherwise collect the rents,
 issues and profits, including those past due and unpaid, and apply the same,
 less costs and expenses of operation and collection, including reasonable attor-
 ney's fees upon any indebtedness secured hereby, and in such order as ben-
 efiary may determine.

11. The entering upon and taking possession of said property, the
 collection of such rents, issues and profits, or the proceeds of fire and other
 insurance policies or compensation or awards for any taking or damage of the
 property, and the application or release thereof as aforesaid, shall not cure or
 waive any default or notice of default hereunder or invalidate any act done
 pursuant to such notice.

12. Upon default by grantor in payment of any indebtedness secured
 hereby or in his performance of a covenant hereunder, the beneficiary may
 declare all sums secured hereby immediately due and payable. In such an event
 and if the above described real property is currently used for agricultural,
 timber or grazing purposes, the beneficiary may proceed to foreclose this trust
 deed in equity, as a mortgage in the manner provided by law for mortgage
 foreclosures. However, if said real property is not so currently used, the ben-
 efiary, at his election may proceed to foreclose this trust deed in equity as a
 mortgage or direct the trustee to foreclose this trust deed by advertisement
 and sale. In the latter event, the beneficiary or the trustee shall execute and
 cause to be recorded his written notice of default and his election to sell the
 said described real property to satisfy the obligations secured hereby, where-
 upon the trustee shall fix the time and place of sale, give notice thereof as then
 required by law and proceed to foreclose this trust deed in the manner pro-
 vided in ORS 86.740 to 86.795.

13. Should the beneficiary elect to foreclose by advertisement and sale
 then after default at any time prior to five days before the date set by the
 trustee for the trustee's sale, the grantor or other person so privileged by
 ORS 86.760, may pay to the beneficiary or his successors in interest, respec-
 tively, the entire amount then due under the terms of the trust deed and the
 obligation secured hereby (including costs and expenses actually incurred in
 enforcing the terms of the obligation and trustee's and attorney's fees not ex-
 ceeding \$50 each) other than such portion of the principal as would not then
 be due, had no default occurred, and thereby cure the default, in which event
 all foreclosure proceedings shall be dismissed by the trustee.

14. Otherwise, the sale shall be held on the date and at the time and
 place designated in the notice of sale. The trustee may sell said property either
 in one parcel or in separate parcels and shall sell the parcel or parcels at
 auction to the highest bidder for cash, payable at the time of sale. Trustee
 shall deliver to the purchaser its deed in form as required by law conveying
 the property so sold, but without any covenant or warranty, express or im-
 plied. The recitals in the deed of any matters of fact shall be conclusive proof
 of the truthfulness thereof. Any person, excluding the trustee, but including
 the grantor and beneficiary, may purchase at the sale.

15. When trustee, pursuant to the powers provided herein, trustee
 shall apply the proceeds of sale to payment of (1) the expense of sale, in-
 cluding the compensation of the trustee and a reasonable charge by trustee's
 attorney, (2) to the obligation secured by the trust deed, (3) to all persons
 having recorded liens subsequent to the interest of the trustee in the trust
 deed as their interests may appear in the order of their priority and (4) the
 surplus, if any, to the grantor or to his successor in interest entitled to such
 surplus.

16. For any reason permitted by law beneficiary may from time to
 time appoint a successor or successors to any trustee named herein or to any
 successor trustee appointed hereunder. Upon such appointment, and without
 conveyance to the successor trustee, the latter shall be vested with all title,
 powers and duties conferred upon any trustee herein named or appointed
 hereunder. Each such appointment and substitution shall be made by written
 instrument executed by beneficiary containing reference to this trust deed
 and its place of record, which, when recorded in the office of the County
 Clerk or Recorder of the county or counties in which the property is situated,
 shall be conclusive proof of proper appointment of the successor trustee.

17. Trustee accepts this trust when this deed is duly executed and
 acknowledged is made a public record as provided by law. Trustee is not
 obligated to notify any party hereto of pending sale under any other deed of
 trust or of any action or proceeding in which grantor, beneficiary or trustee
 shall be a party unless such action or proceeding is brought by trustee.
