The date of maturity of the debt secured by this instrument is the date, stated above, on which the final installment of said note becomes due and payable. In the event the written consent or approval of the beneficiary, then, at the beneficiary's option, all obligations secured by this instrument, irrespective of the maturity dates expressed therein, or herein, shall become immediately due and payable.

The above described real property is not currently used for agricultural, timber or grazing purposes.

1. To protect, preserve and maintain said property in good condition and repair; not to remove or demolish any building or improvement thereon; not to commit or permit any waste of said property or improvement thereon; not to commit or permit any building or improvement which may be constructed, damaged or destroyed thereon; and to complete or restore promptly and in good and workmanlike manner any building or improvement which may be constructed, damaged or destroyed thereon; and to pay when due all costs incurred therefor.

2. To comply with all laws, ordinances, regulations, covenants, conditions, and restrictions affecting said property; if the beneficiary so requests to join in executing such financing statements pursuant to the Uniform Commercial Code as the beneficiary may require and to pay for filing same in the proper public office or offices, as well as the cost of all lien searches made by filing officer or searching agencies as may be deemed desirable by the beneficiary.

3. To provide and continuously maintain insurance on the buildings now or hereafter erected on the said premises against loss or damage by fire and such other hazards as the beneficiary may from time to time require in an amount not less than that written in companies acceptable to the beneficiary with loss payable to the latter; all policies of insurance shall be delivered to the beneficiary upon its issuance; if the grantor shall fail for any reason to procure any such insurance and to deliver said policies to the beneficiary at least fifteen days prior to the expiration of any policy of insurance now or hereafter placed on said buildings, the beneficiary may procure the same at grantor's expense. The amount collected under any fire or other insurance policy may be applied by the beneficiary to any indebtedness secured hereby and in such order as the beneficiary may determine, or at the option of the beneficiary the entire amount so collected, or any part thereof, may be released to grantor. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

4. To keep said premises free from construction liens and to pay all taxes, assessments and other charges that may be levied or assessed upon or against said property before any part of such taxes, assessments and other charges become past due or delinquent and promptly deliver receipts therefor to beneficiary; should the grantor fail to make payment of any taxes, assessments, insurance premiums, liens or other charges payable by grantor, either by direct payment or by providing beneficiary with funds with which to make such payment, beneficiary may, at its option, make payment thereof, and the amount so paid, with interest at the rate set forth in the note secured together with the obligations described in paragraphs 6 and 7 of this trust deed shall be added to and become a part of the debt secured by this trust deed, without waiver of any rights arising from breach of any of the covenants hereof and for such payments, with interest as aforesaid, the property hereinbefore described, as well as the grantor, shall be bound to the same extent that they are bound for the payment of the obligation herein described, and all such payments shall be immediately due and payable without notice, and the nonpayment thereof shall, at the option of the beneficiary, render all sums secured by this trust deed immediately due and payable and constitute a breach of this trust deed.

5. To pay, all costs, fees and expenses of this trust, including the cost of title search as well as the other costs and expenses of the trustee incurred in connection with this obligation.

6. To appear in and defend any action or proceeding purporting to affect the security rights or powers of beneficiary or trustee; and in any suit, action or proceeding in which the beneficiary or trustee may appear, including any suit for the foreclosure of this deed, to pay all costs and expenses, including evidence of title and the beneficiary's or trustee's attorney's fees provided, however, in case the suit is between the grantor and the beneficiary or the trustee then the prevailing party shall be entitled to the attorney's fees herein described; the amount of attorney's fees mentioned in this paragraph 6, in all cases shall be fixed by the trial court or by the appellate court if an appeal is taken.

It is mutually agreed that

7. In the event that any portion or all of said property shall be taken under the right of eminent domain or condemnation, beneficiary shall have the right, if it so elects, to require that all or any portion of the money payable as compensation for such taking, which are in excess of the amount required to pay all reasonable costs, expenses and attorney's fees, necessarily paid or incurred by grantor in such proceedings, shall be paid to beneficiary and applied by it first upon any reasonable costs and expenses and attorney's fees, both in the trial and appellate courts, necessarily paid or incurred by beneficiary in the trial and appellate courts, applied upon the indebtedness secured hereby; and the balance of the proceeds of such taking shall be paid to grantor or his heirs, at its own election, and grantor shall execute such instruments as shall be necessary in connection with the taking of such property.

restriction thereon; (c) join in any subordination or other agreement affecting this deed or the lien or charge thereof; (d) reconvey, without warranty, all or any part of the property; the grantor or any person claiming under him, shall not be deemed to be conclusively bound by the truthfulness thereof. Trustee's fees for any of the services mentioned in this paragraph shall be not less than \$5.

9. Upon any default by grantor hereunder, beneficiary may at any time with due notice, either in person, by agent or by a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of said property or any part thereof, in its own name unpaid, and apply the same, less costs and expenses of operation and collection, and including reasonable attorney's fees subject to paragraph 7 hereof upon any indebtedness secured hereby, in such order as beneficiary may determine.

10. The entering upon and taking possession of said property, the collection of such rents, issues and profits or the proceeds of fire and other insurance policies or compensation or awards for any taking or damage of the property, and the application or release thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

11. 13. Otherwise, the sale shall be held on the date and at the time and place designated in the notice of sale. The trustee may sell said property either in one highest bidder for cash, payable at the time of sale.
