with said real estate.

FOR THE PURPOSE OF SECURING PERFORMANCE of each agreement of grantor herein contained and payment of the sum of Four thousand four hundred ninety and no/100 Dollars, with interest thereon according to the terms of a promissory note of even date herewith, payable to beneficiary or order and made by grantor, the

The date of maturity of the debt secured by this instrument is the date stated above, on which the final installment of said note becomes due and payable. In the event the within described property, or any part thereof, or any interest therein is sold, agreed to be sold, conveyed, assigned or alienated by the grantor without first having obtained the written consent or approval of the beneficiary, then, at the beneficiary's option, all obligations secured by this instrument, irrespective of the maturity dates expressed therein, or herein, shall become immediately due and payable.

The above described real property is not currently used for agricultural, timber or grazing purposes.

To protect the security of this trust deed, grantor agrees:

1. To protect, preserve and maintain said property in good condition and repair; not to remove or demolish any building or improvement thereon; not to commit or permit any waste of said property.
2. To complete or restore promptly and in good and workmanlike manner any building or improvement which may be constructed, damaged or destroyed thereon, and pay when due all costs incurred therefor.
3. To comply with all laws, ordinances, regulations, covenants, conditions and restrictions affecting said property; if the beneficiary so requests, to join in executing such financing statements pursuant to the Uniform Commercial Code as the beneficiary may require; and to pay for filing same in the proper public office or offices, as well as the cost of all lien searches made by filing officers or searching agencies, as may be deemed desirable by the beneficiary.
4. To provide and continuously maintain insurance on the buildings now or hereafter erected on the said premises against loss or damage by fire, and such other hazards as the beneficiary may from time to time require, in an amount not less than the full replacement value of the buildings, in companies acceptable to the beneficiary with loss payable to the latter; all policies of insurance shall be delivered to the beneficiary as insured; if the grantor shall fail for any reason to procure any such insurance, or deliver said policies to the beneficiary at least fifteen days prior to the expiration of any policy of insurance now or hereafter placed on said buildings, the beneficiary may procure the same at grantor's expense. The amount claimable upon any indebtedness secured hereby and in such order as beneficiary may determine, or at option of beneficiary the entire amount so collected, or any part thereof, may be released to grantor. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.
5. To keep said premises free from construction liens and to pay all taxes, assessments and other charges that may be levied or assessed upon or against said property before any part of such taxes, assessments and other charges become past due or delinquent and promptly deliver receipts therefor to the beneficiary; should the grantor fail to make payment of any taxes, assessments, insurance premiums, liens or other charges payable by grantor, either by direct payment or by providing beneficiary with funds with which to make such payment, beneficiary may, at its option, make payment thereof and the amount so paid with interest at the rate set forth in the note secured hereby, together with the obligations described in paragraphs 6 and 7 of this trust deed, without waiver of any rights arising from breach of any of the covenants hereof and for such payments, with interest as aforesaid, the property hereinbefore described, as well as the grantor, shall be bound to the same extent that they are bound for the payment of the obligation herein described; and all such payments shall be immediately due and payable without notice; and the nonpayment thereof shall, at the option of the beneficiary, render all sums secured by this trust deed immediately due and payable and constitute a breach of this trust deed.
6. To pay all costs, fees and expenses of this trust including the cost of title search as well as the other costs and expenses of the trustee incurred in connection with or in enforcing this obligation and trustee's and attorney's fees actually incurred.
7. To appear in and defend any action or proceeding, supporting or to action or proceeding in which the beneficiary or trustee may appear, including but not limited to the foreclosure of this deed, to pay all costs and expenses, including attorney's fees, and the beneficiary or trustee's attorney's fees; the cost of the trial court and the cost of an appeal from any judgment or decree of the trial court; grantor further agrees to pay each sum as the appellate court shall judge reasonable as the beneficiary or trustee's attorney's fees on such appeal.
8. It is mutually agreed that, in the event that any portion or all of said property shall be taken under the right of eminent domain or condemnation, beneficiary shall have the right, if it so elects, to require that all or any portion of the monies payable as compensation for such taking, which are in excess of the amount required to pay all reasonable costs, expenses and attorney's fees, shall be paid to beneficiary and not to the trial and appellate courts, necessarily paid or incurred by beneficiary in such proceedings, and the balance applied upon the indebtedness secured hereby; and grantor agrees, at its own expense, to take such actions and execute such instruments as shall be necessary in obtaining such compensation, promptly upon beneficiary's request.
9. At any time and from time to time upon written request of beneficiary, payment of its fee and presentation of this deed and the note for endorsement (in case of full reconveyance for cancellation), without affecting the liability of any person for the payment of the indebtedness, trustee may

(a) consent to the making of any map or plat of said property; (b) join in granting any easement or creating any restriction thereon; (c) join in any subordination or other agreement affecting this deed or the lien or charge thereon; (d) reconvey, without warranty, all or any part of the property; the grantee in any reconveyance may be described as the "person or persons legally entitled thereto" and the recitals therein of any matters or facts shall be conclusive proof of the truthfulness thereof. Trustee's fees for any of the services mentioned in this paragraph shall be not less than \$25.

10. Upon any default by grantor hereunder, beneficiary may at any time, without notice, either in person, by agent or by a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of said premises and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees, upon any indebtedness secured hereby, and in such order as beneficiary may determine.

11. The entering upon and taking possession of said property for the collection of such rents, issues and profits, or the proceeds of fire and other insurance policies or compensation or awards for any taking or damage of the property, and the application or release thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

12. Upon default by grantor in payment of any indebtedness secured hereby or in his performance of any agreement hereunder, the beneficiary may declare all sums secured hereby immediately due and payable. In such an event and if the above described real property is currently used for agricultural, timber, or grazing purposes, the beneficiary may proceed to foreclose this trust deed in equity as a mortgage in the manner provided by law for foreclosure of a mortgage; or if said real property is not so currently used, the beneficiary at his election may proceed to foreclose this trust deed in equity as a mortgage or direct the trustee to foreclose this trust deed in equity as a sale. In the latter event the beneficiary or the trustee shall execute and send a copy of the written notice of default and his election to sell the said described real property to satisfy the obligations secured hereby, where required by law and proceed to foreclose this trust deed in the manner provided in ORS 86.740 to 86.795.

13. Should the beneficiary elect to foreclose by advertisement and sale then after default at any time prior to five days before the date set by the trustee for the sale, the grantor or other person so privileged by ORS 86.760, the entire amount then due under the terms of the trust deed and the obligation secured hereby (including costs and expenses actually incurred in enforcing the terms of the obligation and trustee's and attorney's fees not exceeding \$50 each) other than such portion of the principal as has not then been paid, shall be immediately due and payable and the foreclosure proceedings shall be dismissed by the trustee.

14. Other than the sale shall be held on the date and at the time and place designated in the notice of sale. The trustee may sell said property either in one parcel or in separate parcels and shall sell the parcel or parcels at auction to the highest bidder for cash, payable at the time of sale. Trustee shall deliver to the purchaser its deed in form as required by law conveying the property to hold but without any covenant or warranty, express or implied, of the truthfulness thereof. Any person, excluding the trustee, but including the grantor and beneficiary, may purchase at the sale.

15. When trustee sells pursuant to the powers provided herein, trustee shall apply the proceeds of sale to payment of (1) the expenses of sale, including the compensation of the trustee and a reasonable charge by trustee's attorney, (2) to the obligations secured by the trust deed, (3) to all persons having recorded liens subsequent to the interest of the trustee in the trust deed as their interests may appear in the order of their priority and (4) the surplus, if any, to the grantor or to his successor in interest entitled to such surplus.

16. For any reason permitted by law beneficiary may from time to time appoint a successor or successors to any trustee named herein or to any successor trustee appointed hereunder. Upon such appointment, and without conveyance to the successor trustee, the latter shall be vested with all title, powers and duties conferred upon any trustee herein named or appointed hereunder. Each such appointment and substitution shall be made by written instrument executed by beneficiary containing reference to this trust deed and its place of record, which, when recorded in the office of the County Clerk or Recorder of the county of counties in which the property is situated, shall be conclusive proof of proper appointment of the successor trustee. Trustee accepts this trust when this deed, duly executed and acknowledged, is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other deed of trust or of any action or proceeding in which grantor, beneficiary or trustee shall be a party unless such action or proceeding is brought by trustee.

NOTE: The Trust Deed Act provides that the trustee hereunder must be either an attorney, who is an active member of the Oregon State Bar, a bank, trust company or savings and loan association authorized to do business under the laws of Oregon or the United States, or a title insurance company authorized to insure title to real property of this state, its subsidiaries, affiliates, agents or branches, or the United States or any agency thereof.

The grantor covenants and agrees to and with the beneficiary and those claiming under him, that he is lawfully seized in fee simple of said described real property and has a valid, unencumbered title thereto.

and that he will warrant and forever defend the same against all persons whomsoever.

The grantor warrants that the proceeds of the loan represented by the above described note and this trust deed are:

(a) primarily for grantor's personal, family, household, or agricultural purposes (see Important Notice Below), (b) for an organization, or (c) even if grantor is a natural person are for business or commercial purposes other than agricultural purposes.
