and

WHEREAS, the parties have agreed upon the terms and conditions pursuant to which said utility service should be provided and maintained and desire to reduce such agreement to writing; and

WHEREAS, it is to the best interest of both parties that the property be provided with said utility service in conformity with the ordinances, codes, rules and regulations of City, and that the property be annexed to the City when fully developed and when desired by City and said property is eligible for annexation in accordance with present or hereafter enacted laws of the State of Oregon and ordinances of the City as applicable; and

WHEREAS, City has the power and authority to supply the said utility service to the Property and the Council of City has determined that Owner should be granted the use of said utility service on the terms set forth below and Owner agrees to said terms,

NOW, THEREFORE, IN CONSIDERATION of the foregoing and the mutual promises and agreements herein stated, the parties mutually contract and agree with each other as follows:

1. OWNERSHIP. Owner will supply written evidence to the satisfaction of City that Owner is, in fact, the owner of record of the Property, which Property is that real property described in Exhibit "A" attached hereto and which exhibit is hereby incorporated herein.

2. ANNEXATION. Owner desires the Property to be annexed to City as soon as possible after the provisions of this Agreement are met and the property is developed and improvements installed thereupon, and, thereafter, Owner hereby gives Owner's express, continuing, written consent to annexation of the Property, and the whole thereof, to the City of Klamath Falls and does hereby make application and constitute this Agreement to be Owner's continuing petition to City for said annexation and agrees to execute such separate, further or additional application, petition and consent as may be hereafter required by City or the laws of the state, as now or hereafter enacted, for such annexation.

3. PUBLIC SERVICE DISTRICT. If the Property, prior to its annexation, is in a public service district, including but not limited to those defined in ORS 222.510 as now written of hereafter amended, and has incurred liens, assessments or other obligations of said district, then Owner shall discharge the same in full prior to annexation of the Property to the City. If legally allowable, Owner shall withdraw the Property from such district prior to annexation. Owner also agrees to protect and save City harmless from any and all costs, expenses or obligations on or against the Property or against Owner imposed by any such district prior to, concurrently with or after withdrawal of the property from any such district, and whether withdrawal is accomplished by Owner, City or other entity, with such costs and the like to include but not be limited to those of any litigation whether or not involved in the withdrawal of the Property from any such litigation, including but not limited to costs and attorneys' fees, and payment of any judgment against the Property, City and Owner, and any thereof, which judgment might be entered as a consequence of such litigation. Owner agrees to in the same fashion protect and save City harmless from any special assessments or other obligations or charges of any said district imposed against the Property, City or Owner, or any thereof, due to the Property having been incorporated into or being withdrawn from such district prior to annexation of the Property into the City.

This right shall continue during the entire term of this Agreement and until the Property is annexed to City.

7. SUPPLY OF UTILITY SERVICE. City shall supply Owner the utility service or services as described above. Any water to be supplied shall come from the same supply as serves inhabitants of the City for domestic and fire service systems within structures. After annexation of the Property, said Property shall have the same rights to water service as any other property within City.

8. PAYMENT OF UTILITY SERVICE RATES. Owner shall pay the monthly or other utility service rates including demand charges for the services described hereinabove as established by city ordinance for utility service supplied outside the City limits and until such time as the Property is annexed to City.
