Payments. Customer will pay to Dealer the Total of Payments shown above in 84 equal consecutive monthly payments of \$ 99.33 each which will be made on the same day of each month, with the first payment due on 10-19-80, and the final payment due on 9-19-81.

Grant of Mortgage and other Security. The Total of Payments stated above and all other sums owing under this contract are secured by the "Security" stated below:

1. A mortgage which Customer hereby grants to Dealer on the following "Property" in KLAMATH County, State of Oregon, including all additions and improvements now and hereafter erected thereon:

LOT 1, BLOCK 3, EASTMONT Addition

The following are events of default under the mortgage: (1) Customer fails to make any payment on this contract when due; (2) Customer fails to insure the Property and keep it in good order and repair; required insurance may be obtained through any person Customer chooses subject to Dealer's right to refuse to accept an insurer for reasonable cause; (3) Customer fails to pay all taxes, assessments, liens, and other encumbrances which might take priority over this mortgage when they are due. After a default and subject to customer's right of redemption and other rights under law, the mortgage may be foreclosed and the Property sold to pay this contract.

2. Dealer's statutory lien for performing labor upon and furnishing any material to be used in the construction of an improvement located on the Property. Upon default the lien may be foreclosed and subject to provisions of law all or part of the Property may be sold to pay this contract.

3. Dealer's right of setoff. Subject to limitations under law, Dealer may after a default pay amounts Customer owes on this contract out of money Dealer then owes Customer.

Rebate on Prepayment in Full. Customer may prepay the entire amount owing under this contract at any time. If the entire amount owed under this contract is paid before the scheduled date of the final payment, whether by cash, refinancing, or otherwise, the Customer will receive a rebate of unearned finance charge computed in the following way: Dealer will deduct and retain from the Finance Charge shown above an acquisition fee of \$10 if the Cash Price stated above is \$100 or less, \$15 if the Cash Price is \$100.01 to \$250, \$25 if the Cash Price is \$250.01 to \$500, or \$50 if the Cash Price is more than \$500; the rule of 78's will be applied to the part of the Finance Charge that remains after deducting the acquisition fee; a rebate will not be made unless the rebate amount is \$1.00 or more.

Default and Late Charges. For each payment made 10 days or longer after its scheduled date, Customer will pay a late charge of 5% of the scheduled payment or \$5.00, whichever is less. Customer will be liable for any expenses that Dealer may incur to insure Dealer's interest in the Property and to pay off taxes, assessments, liens and encumbrances on the Property, if Customer fails to do so, together with interest at 10% a year from the time such expenses are incurred until they are paid. If payments are not made as agreed, or any other default under this contract occurs, Dealer may, at Dealer's option, and without notice, declare the entire amount owing under this contract immediately due, in which case Dealer will credit Customer with a rebate of any unearned finance charge computed in the same way as for a prepayment. After any default Customer will be liable for the following reasonable costs of collection incurred: (1) reasonable amounts spent in repossessing, foreclosing, holding, preparing for disposition, and disposing of the Security; (2) reasonable lawyers' fees, including any for appeals that are paid or owed to lawyers who are hired to collect the contract or to foreclose the mortgage or other Security and who are not Dealer's salaried employees, or that are set by a court; (3) any court costs and disbursements set by a court.
