Pacific warrants that the insulation and weatherization materials will be installed in a workmanlike manner consistent with prevailing industry standards. If installation is not installed in a workmanlike manner, Pacific, at no expense to the Homeowners, will cause any deficiencies to be corrected.

If upon completion of installation, Homeowners believe the work is deficient, Homeowners must contact the Manager, Weatherization Services Department, Pacific Power & Light Company, Public Building, 920 S.W. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusion may not apply to you.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

Pacific conducts Home Energy Analyses at the request of its customers to determine the cost-effectiveness of insulation and weatherization based upon average consumption patterns and typical local weather conditions. However, because of the variability and uniqueness of individual energy use, it is not possible to precisely predict the savings that will accrue to any particular individual. Therefore, Pacific, by providing information in good faith concerning the anticipated benefits of insulation and weatherization, or by entering into this agreement, does not warrant that the installation of the insulation and weatherization materials provided for in this agreement will result in savings of money or electrical consumption.

Homeowners may pay such cost to Pacific at any time prior to the time payment is due.

5. HOMEOWNERS' OBLIGATION TO NOTIFY

Homeowners shall notify Pacific in writing of the sale or transfer for consideration of any legal or equitable interest in any part of the property, whether it is voluntary or involuntary. Such notice shall be sent as soon as Homeowners know that there will be a sale or transfer for consideration, and not later than one week before the expected sale or transfer. The notice must include the name of the Homeowners, the address of the property, the name of the person to whom the property is being sold or transferred, and the name of any person or company who is acting as a broker for the sale or transfer or is otherwise participating in the transaction.
