of the lesser of the original purchase price paid by the grantor at the time the loan was

was made, grantor will pay to the beneficiary in addition to the monthly payments of  
principal and interest payable under the terms of the note or obligation secured hereby

effect as estimated and directed by the beneficiary. Beneficiary shall pay to the grantor  
interest on said amounts at a rate not less than the highest rate authorized to be paid

4%, the rate of interest paid shall be 4%. Interest shall be computed on the average  
monthly balance in the account and shall be paid quarterly to the grantor by crediting

event of any loss, to compromise and settle with any insurance company and to apply any  
such insurance receipts upon the obligations secured by this trust deed. In computing the  
amount of the indebtedness for payment and satisfaction in full or upon sale or other

acquisition of the property by the beneficiary after default, any balance remaining in the  
reserve account shall be credited to the indebtedness. If any authorized reserve account  
for taxes, assessments, insurance premiums and other charges is not sufficient at any  
time for the payment of such charges as they become due, the grantor shall pay the  
deficit to the beneficiary upon demand, and if not paid within ten days after such demand,  
the beneficiary may at its option add the amount of such deficit to the principal of the  
obligation secured hereby.

beneficiary may at its option carry out the same, and all its expenditures therefor  
shall draw interest at the rate specified in the note, shall be repayable by  
the grantor on demand and shall be secured by the lien of this trust deed. In  
this connection, the beneficiary shall have the right in its discretion to complete  
any improvements made on said premises and also to make such repairs to said  
property as in its sole discretion it may deem necessary or advisable.

hereof or the rights or powers of the beneficiary or trustee; and to pay all  
costs and expenses, including cost of evidence of title and attorney's fees in a  
reasonable sum to be fixed by the court, in any such action or proceeding in  
which the beneficiary or trustee may appear and in any suit brought by bene-  
ficiary to foreclose this deed, and all said sums shall be secured by this trust  
deed.

The beneficiary will furnish to the grantor on written request therefor an  
annual statement of account but shall not be obligated or required to furnish  
any further statements of account.

It is mutually agreed that:

1. In the event that any portion or all of said property shall be taken  
under the right of eminent domain or condemnation, the beneficiary shall have  
the right to commence, prosecute in its own name, appear in or defend any action  
or proceedings, or to make any compromise or settlement in connection with  
such taking and, if it so elects, to require that all or any portion of the money's  
payable as compensation for such taking, which are in excess of the amount re-  
quired to pay all reasonable costs, expenses and attorney's fees necessarily paid  
or incurred by the grantor in such proceedings, shall be paid to the beneficiary  
and applied by it first upon any reasonable costs and expenses and attorney's  
fees necessarily paid or incurred by the beneficiary in such proceedings, and the  
balance applied upon the indebtedness secured hereby; and the grantor agrees,  
at its own expense, to take such actions and execute such instruments as shall  
be necessary in obtaining such compensation, promptly upon the beneficiary's  
request.

2. At any time and from time to time upon written request of the bene-  
ficiary, payment of its fees and presentation of this deed and the note for en-  
dorsement (in case of full reconveyance, for cancellation), without affecting the  
liability of any person for the payment of the indebtedness, the trustee may (a)  
consent to the making of any map or plat of said property; (b) join in granting  
any easement or creating or restriction thereon; (c) join in any subordination  
or other agreement affecting this deed or the lien or charge hereof; (d) reconvey,  
without warranty, all or any part of the property. The grantee in any reconvey-  
ance may be described as the "person or persons legally entitled thereto" and  
the recitals therein of any matters or facts shall be conclusive proof of the  
truthfulness thereof. Trustee's fees for any of the services in this paragraph  
shall be **not less than \$5.00**

3. As additional security, grantor hereby assigns to beneficiary during the  
continuance of these trusts all rents, issues, royalties and profits of the prop-  
erty affected by this deed and of any personal property located thereon. Until  
grantor shall default in the payment of any indebtedness secured hereby or in  
the performance of any agreement hereunder, grantor shall have the right to col-  
lect all such rents, issues, royalties and profits earned prior to default as they  
become due and payable. Upon any default by the grantor hereunder, the bene-  
ficiary may at any time without notice, either in person, by agent or by a re-  
ceiver to be appointed by a court, and without regard to the adequacy of any  
security for the indebtedness hereby secured, enter upon and take possession of  
said property, or any part thereof, in its own name and for or otherwise collect  
the rents, issues and profits, including those past due and unpaid, and apply  
the same, less costs and expenses of operation and collection, including reason-  
able attorney's fees, upon any indebtedness secured hereby, and in such order  
as the beneficiary may determine.

4. The entering upon and taking possession of said property, the collection of such rents, issues and profits or the proceeds of fire and other insurance policy or compensation or awards for any taking or damage of the property, and the application or release thereof, as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

6. The grantor shall notify beneficiary in writing of any sale or contract for sale of the above described property and furnish a copy of the same to the beneficiary. If the sale or contract for sale is not a sale or contract for sale of the property, the beneficiary would ordinarily be required of a new loan applicant and shall pay beneficiary a service charge.

6. Time is of the essence of this instrument and upon default by the grantor in payment of any indebtedness secured hereby or in performance of the agreement hereunder, the beneficiary may declare all sums secured hereby immediately due and payable by delivery to the trustee of written notice of default and election to sell the trust property, which notice trustee shall cause to be duly filed for record. Upon delivery of said notice of default and election to sell, the beneficiary shall deposit with the trustee this trust deed and all promissory notes and documents evidencing expenditures secured hereby, whereupon the trustee shall fix the time and place of sale and give notice thereof as then required by law.

7. After default and any time prior to five days before the date set by the Trustee for the Trustee's sale, the grantor or other person so privileged may pay the entire amount then due under this trust deed and the obligations secured thereby (including costs and expenses actually incurred in enforcing the terms of the obligation and trustee's and attorney's fees not then due and no default occurred, and thereby cure the default.

8. After the lapse of such time as may then be required by law following the recording of said notice of default and giving of said notice of sale, the trustee shall sell said property at the time and place fixed by him in said notice of sale, either as a whole or in separate parcels, and in such order as he may determine, at public auction to the highest bidder for cash, in lawful money of the United States, payable at the time of sale.
