This Mortgage is also given as security for the payment of any and all other indebtednesses, obligations or liabilities of the Mortgage is also given as security for the payment of any and all other indeptednesses, obligations or haddless to the Mortgage now existing or hereafter arising, matured or to mature, absolute or contingent and wherever payable, mortgagor to the mortgagee now existing or nereatter arising, matured or to mature, assolute or contingent and wherever payable, including but not limited to such as may arise from endorsements, guarantees, acceptances, bills of exchange, promissory notes, or including but not limited to such as may arise from endorsements, guarantees, acceptances, bills of exchange, promissory notes, or other paper discounted by the Mortgagee or held by the Mortgagee, or taken as security for any loans or advances of any kind, sort or description whatsoever.

1. That Mortgagor will pay, when due, the indebtedness hereby secured, with interest as prescribed by said note, and will pay, when due, all other sums secured hereby, and all taxes, liens and utility charges upon said premises, or for services furnished thereto. In addition thereto, he will pay, at the time of payment of each installment of principal and interest, such amount as Mortgagee shall estimate to be sufficient to produce, at least one month prior to the time when payment thereof shall become due, the amount of (a) taxes, assessments and other governmental rates and charges against said premises (herein all called "taxes") and (b) premiums upon insurance against loss or damage to said premises (said amounts being referred to hereinafter as "loan trust funds"). If the sums so paid shall be less than sufficient for said purposes, Mortgagee will also pay, upon demand, such additional sum as Mortgagee shall deem necessary therefor. If Mortgagor desires a "package" plan of insurance which includes coverage in addition to that required under this mortgage, Mortgagee may, at its option, establish and administer a reserve for that purpose. If the package plan reserve is not sufficient to pay the renewal premium on a package plan policy, then Mortgagee may use such reserve to pay premiums on a policy covering only risks required to be insured against under this mortgage and allow the package plan policy to lapse. Mortgagee shall, upon the written direction of Mortgagor, and may, without such direction, apply sums paid by Mortgagor and held by Mortgagee to the purposes aforesaid; but the receipt of such sums shall not, in the absence of such direction, impose any duty upon Mortgagee to disburse the same or relieve Mortgagor from his covenants to pay said obligations or to keep the premises insured. Mortgagee may, from time to time, establish reasonable service charges for the collection and disbursement of premiums on package-type insurance policies. Mortgagee shall not, whether or not service charges are imposed, be subject to any liability for failure to transmit any premiums to any insurer or by reason of any loss growing out of any defect in any insurance policy. At Mortgagee's option, Mortgagee may apply all loan trust funds directly to the payment of the principal balance then unpaid on the indebtednesses secured hereby; if Mortgagee elects so to do, Mortgagee is authorized to pay taxes, insurance premiums on the mortgaged property and all other charges which would otherwise be payable from the loan trust funds, when the same become due and payable, and Mortgagee may then add the amount of any such payment to the principal balance then unpaid on the indebtednesses secured hereby, each such payment to bear interest as provided in the promissory note mentioned hereinabove.

Mortgage shall not unreasonably withhold its consent. As a condition of its consent to any transfer, Mortgagee may, in its discretion, impose a service charge not exceeding one percent of the original amount of the indebtedness hereby secured and may increase the interest rate on the indebtedness hereby secured by not more than one percent per annum.
- 7. That, if any default be made in the payment of the principal or interest of the indebtednesses hereby secured or in the performance of any of the covenants or agreements of this mortgage, the Mortgagee may, at its option, without notice, declare the entire sum secured by this mortgage due and payable and foreclose this mortgage.
