Pacific conducts Home Energy Analyses at the request of its customers to determine the cost-effectiveness of insulation and weatherization based upon average consumption patterns and typical local weather conditions. However, because of the variability and uniqueness of individual energy e, it is not possible to precisely predict the savings that will accrue to any particular individual. Therefore, Pacific, by providing information in good use, it is not possible to precisely predict the savings that will accuse to any particular manyionan. I herefore, Facine, by provious mnormation in good faith concerning the anticipated benefits of insulation and weatherization, or by entering into this agreement, does not warrant that the installation of the insulation and weatherization materials provided for in this agreement will result in savings of money or electrical consumption.

4. HOMEOWNERS' OBLIGATION TO REPAY
