Further, the trustee published a copy of said notice of sale in a newspaper of general circulation in each county in which the said real property is situated, once a week for four successive weeks; the last publication of said notice occurred at least twenty days prior to the date of such sale. The mailing, service and publication of said notice of sale are shown by one or more affidavits or proofs of service duly recorded prior to the date of sale in the mortgage records of said county, said affiduvits and proofs, together with the said notice of default and election to sell and the trustee's notice of sale, being now referred to and incorporated in and made a part of this trustee's deed as fully as if set out herein verbatim. On the date of said notice of sale, the undersigned trustee had no actual notice of any person, other than the persons named in said affidavits and proofs having or claiming a lien on or interest in said described real property subsequent to the interest of the trustee in the trust deed.
