Reference to the document so recorded or filed hereby is made. The first party has never sold or assigned his said lien and at all times since the date thereof has been and now is the owner and holder thereof and the debt thereby secured.  
The second party is about to loan the sum of \$5,000.00 to the present owner of the property above described, with interest thereon at a rate not exceeding 19% per annum, said loan to be secured by the said present owner's Deed of Trust (State nature of lien to be given, whether mortgage, trust deed, contract, security agreement or otherwise) (hereinafter called the second party's lien) upon said property and to be repaid within not more than 20 years from its date.

To induce the second party to make the loan last mentioned, the first party heretofore has agreed and consented to subordinate first party's said lien to the lien about to be taken by the second party as above set forth. NOW, THEREFORE, for value received and for the purpose of inducing the second party to make the loan aforesaid, the first party, for himself, his personal representatives (or successors) and assigns, hereby covenants, consents and agrees to and with the second party, his personal representatives (or successors) and assigns, that the said first party's lien on said described property is and shall always be subject and subordinate to the lien about to be delivered to the second party, as aforesaid, and that second party's said lien in all respects shall be first, prior and superior to that of the first party; provided always, however, that if second party's said lien is not duly filed or recorded or an appropriate financing statement thereon duly filed within days after the date hereof, this subordination agreement shall be null and void and of no force or effect.  
It is expressly understood and agreed that nothing herein contained shall be construed to change, alter or impair the first party's said lien, except as hereinabove expressly set forth.  
In construing this subordination agreement and where the context so requires, the singular includes the plural; the masculine includes the feminine and the neuter, and all grammatical changes shall be supplied to cause this agreement to apply to corporations as well as to individuals.
