Prepayment in full shall be credited on the date received. Partial prepayment, other than on an installment due date, need not be credited until the next following installment due date or thirty days after such prepayment, whichever is earlier.

2. Grantor agrees to pay to Beneficiary as trustee (under the terms of this trust as hereinafter stated) in addition to the monthly payments of principal and interest payable under the terms of said note, on the first day of each month until said note is fully paid, the following sums:

(a) An installment of the ground rents, if any, and of the taxes and special assessments levied or to be levied against the premises covered by this Trust Deed; and an installment of the premium or premiums that will become due and payable to renew the insurance on the premises covered hereby against loss by fire or such other hazard as may be required by Beneficiary in amounts and in a company or companies satisfactory to the Beneficiary; Grantor agreeing to deliver promptly to Beneficiary all bills and notices therefor. Such installments shall be equal respectively to one-twelfth (½) of the annual ground rent, if any, plus the estimated premium or premiums for such insurance, and taxes and assessments next due (as estimated by Beneficiary, and of which Grantor is notified) less all installments already paid therefor, divided by the number of months that are to elapse before one month-prior to the date when such premium or premiums and taxes and assessments will become delinquent. Beneficiary shall hold such monthly payments in trust to pay such ground rents, premium or premiums, and taxes and special assessments before the same become delinquent.
(b) The aggregate of the amounts navable pursuant to subparagraph (a) and those payable on the note secured hereby.

(b) The aggregate of the amounts payable pursuant to subparagraph (a) and those payable on the note secured hereby, shall be paid in a single payment each month, to be applied to the following items in the order stated:

If, however, such monthly payments shall not be sufficient to pay such items when the same shall become due and payable, then Grantor shall pay to Beneficiary as trustee any amount necessary to make up the deficiency within thirty (30) days after written notice from the Beneficiary stating the amount of the deficiency, which notice may be given by mail. If at any time Grantor shall tender to Beneficiary, in accordance with the provisions hereof, full payment of the entire indebtedness secured hereby, Beneficiary as trustee shall, in computing the amount of the indebtedness, credit to the account of Grantor any credit balance remaining under the provisions of (a) of paragraph 2 hereof. If there shall be a default under any of the provisions of this Trust Deed and thereafter a sale of the premises in accordance with the provisions hereof, or if the Beneficiary acquires the property otherwise after default, Beneficiary as trustee shall apply, at the time of the commencement of such proceeding, or at the time the property is otherwise acquired, the amount then remaining to credit of Grantor under (a) of paragraph 2 preceding, as a credit on the interest accrued and unpaid and the balance to the principal then remaining unpaid on said note.

4. At Beneficiary's option, Grantor will pay a "late charge" not exceeding four per centum (4%) of any installment when paid more than fifteen (15) days after the due date thereof to cover the extra expense involved in handling delinquent payments, but such "late charge" shall not be payable out of the proceeds of any sale made to satisfy the indebtedness secured hereby, unless such proceeds are sufficient to discharge the entire indebtedness and all proper costs and expenses secured hereby.
