AFFIDAVIT

Vol. M83 Page 14374

I, ESTHER M. SNYDER, request Klamath County Title Company remove from their preliminary title report number K-36360 their exception number 2, indicating the continued force and effect of reservations and restrictions contained in a previous deed. As that particular parcel was reconveyed to Esther M. Snyder and rendered again free and clear of all encumbrances, and as that is the manner in which title is to be passed to the new buyer, with the exception of any terms, restrictions and restrictions contained in the new agreement between buyer and seller, I desire said exception removed. The reservations and restrictions were, and are, put on the deeds to purchasers to assure no commercial use of the property and no waste or stripping of timber will occur for the purchaser's mutual enjoyment and protection.
