This trust deed shall further secure the payment of such additional money, if any, as may be loaned hereafter by the beneficiary to the grantor or other having an interest in the above described property, as may be evidenced by a note or notes. If the indebtedness secured by this trust deed is evidenced by more than one note, the beneficiary may credit payments received by it upon any of said notes or part of any payment on one note and part on another, as the beneficiary may elect.

The grantor hereby covenants to and with the trustee and the beneficiary herein that the said premises and property conveyed by this trust deed are free and clear of all encumbrances and that the grantor will and his heirs, executors and administrators shall warrant and defend his said title thereto against the claims of all persons whomsoever.

That for the purpose of providing regularly for the prompt payment of all taxes, assessments, and governmental charges levied or assessed against the above described property and insurance premium while the indebtedness secured hereby is in excess of 80% of the lesser of the original purchase price paid by the grantor at the time the loan was made or the beneficiary's original appraisal value of the property at the time the loan was made, the grantor will pay to the beneficiary in addition to the monthly payments of principal and interest payable under the terms of the note an amount equal to 1/12 of the late installments on principal and interest and also 1/36 of the insurance premium payable within each succeeding 12 months and also 1/36 of the insurance premium payable with respect to said property within each succeeding three years while this Trust Deed is in effect as estimated and directed by the beneficiary. Beneficiary shall pay to the grantor effect as estimated and directed by the beneficiary. Beneficiary shall pay to the grantor interest on said amounts at a rate not less than the highest rate authorized by law by banks on their open passbook accounts minus 3/4 of 1%. If such rate is less than 4%, the rate of interest paid shall be 4%. Interest shall be computed on the average monthly balance in the account and shall be paid quarterly to the grantor by crediting to the escrow account the amount of the interest due.

While the grantor is to pay any and all taxes, assessments and other charges levied or assessed against said property, or any part thereof, before the same begin to bear interest and also to pay premiums on all insurance policies upon said property, such payments are to be made through the beneficiary, as aforesaid. The grantor hereby authorizes the beneficiary to pay any and all taxes, assessments and other charges levied or imposed against said property in the amounts as shown by the statements thereof furnished by the collector of such taxes, assessments or other charges, and to pay the insurance premiums in the amounts shown on the statements submitted by the insurance carriers or their representatives and to withdraw the sums which may be required from the reserve account, if any, established for that purpose. The grantor agrees in no event to hold the beneficiary responsible for failure to have any insurance written or for any loss or damage growing out of a defect in any insurance policy, and the beneficiary hereby is authorized in the event of any loss, to compromise and settle with any insurance company and to apply any such insurance receipts upon the obligations secured by this trust deed. In computing the amount of the indebtedness for payment and satisfaction in full or upon sale or other

acquisition of the property by the beneficiary after default, any balance remaining in the reserve account shall be credited to the indebtedness. If any authorized reserve account for taxes, assessments, insurance premiums and other charges is not sufficient at any time for the payment of such charges as they become due, the grantor shall pay the deficit to the beneficiary upon demand, and if not paid within ten days after such demand, the beneficiary may at its option add the amount of such deficit to the principal of the obligation secured hereby.

Should the grantor fail to keep any of the foregoing covenants, then the beneficiary may at its option carry out the same, and all its expenditures therefor shall draw interest at the rate specified in the note, shall be repayable by the grantor on demand and shall be secured by the lien of this trust deed. In this connection, the beneficiary shall have the right in its discretion to complete any improvements made on said premises and also to make such repairs to said property as in its sole discretion it may deem necessary or advisable.

The grantor further agrees to comply with all laws, ordinances, regulations, covenants, conditions and restrictions affecting said property: to pay all costs, fees and expenses of this trust, including the cost of title search, as well as the other costs and expenses of the trustee and attorney's fees actually incurred; in enforcing this obligation, and trustee's and attorney's fees actually incurred; to appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of the beneficiary or trustee; and to pay all costs and expenses, including cost of evidence of title and attorney's fees in a reasonable sum to be fixed by the court, in any such action or proceeding in which the beneficiary or trustee may appear and in any suit brought by beneficiary to foreclose this deed, and all said sums shall be secured by this trust deed.

The beneficiary will furnish to the grantor on written request therefor an annual statement of account but shall not be obligated or required to furnish any further statements of account.

## It is mutually agreed that:

1. In the event that any portion or all of said property shall be taken under the right of eminent domain or condemnation, the beneficiary shall have the right to commence, prosecute in its own name, appear in or defend any action or proceedings, or to make any compromise or settlement in connection with such taking and, if it so elects, to require that all or any portion of the money payable as compensation for such taking, which are in excess of the amount required to pay all reasonable costs, expenses and attorney's fees necessarily paid or incurred by the grantor in such proceedings, shall be paid to the beneficiary and applied by the grantor to the payment of the indebtedness secured hereby, and the balance applied upon the indebtedness secured hereby; and the grantor agrees, at its own expense, to take such actions and execute such instruments as shall be necessary in obtaining such compensation, promptly upon the beneficiary's request.

2. At any time and from time to time upon written request of the beneficiary, payment of its fees and expenses, including the cost of title search, as well as the other costs and expenses of the trustee and attorney's fees actually incurred; in enforcing this obligation, and trustee's and attorney's fees actually incurred; to appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of the beneficiary or trustee; and to pay all costs and expenses, including cost of evidence of title and attorney's fees in a reasonable sum to be fixed by the court, in any such action or proceeding in which the beneficiary or trustee may appear and in any suit brought by beneficiary to foreclose this deed, and all said sums shall be secured by this trust deed.

3. As additional security, grantor hereby assigns to beneficiary during the continuance of these trusts all rents, issues, profits and royalties and the proceeds of any personal property located thereon. Until paid by the grantor to the beneficiary, the proceeds of any personal property located thereon shall be held in trust for the beneficiary. The grantor shall have the right to collect all such rents, issues, royalties and profits earned prior to default as they become due and payable. Upon any default by the grantor hereunder, the beneficiary may at any time without notice, either in person, by agent or by a receiver, to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of said property, or any part thereof, in its own name sue for or otherwise collect the same, less costs and expenses of operation and collection, including reasonable attorney's fees, upon any indebtedness secured hereby, and in such order as the beneficiary may determine.

4. The entering upon and taking possession of said property, the collection of such rents, issues and profits or the proceeds of fire and other insurance policies or compensation or awards for any taking or damage of the property, and the application or release thereof, as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

5. The grantor shall notify beneficiary in writing of any sale or contract for sale of the above described property and furnish beneficiary on a form supplied it with such personal information concerning the purchaser as would ordinarily be required of a new loan applicant and shall pay beneficiary a service charge.

6. Time is of the essence of this instrument and upon default by the grantor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, the beneficiary may declare all sums secured hereby immediately due and payable by delivery to the trustee of written notice of default and election to sell the trust property, which notice trustee shall cause to be duly filed for record. Upon delivery of said notice of default and election to sell, the beneficiary shall deposit with the trustee this trust deed and all promissory notes and documents evidencing expenditures secured hereby, whereupon the trustees shall fix the time and place of sale and give notice thereof as then required by law.

7. After default and any time prior to five days before the date set by the Trustee for the Trustee's sale, the grantor or other person so privileged may pay the entire amount then due under this trust deed and the obligations secured thereby (including costs and expenses actually incurred in enforcing the terms of the obligation and trustee's and attorney's fees not exceeding ~~the amount provided by law~~ other than such portion of the principal as would not then be due had no default occurred and thereby cure the default.

8. After the lapse of such time as may then be required by law following the recording of said notice of default and giving of said notice of sale, the trustee shall sell said property at the time and place fixed by him in said notice of sale, either as a whole or in separate parcels, and in such order as he may determine, at public auction to the highest bidder for cash, in lawful money of the United States, payable at the time of sale. Trustee may postpone sale of all or any portion of said property by public announcement at such time and place of sale and from time to time thereafter may postpone the sale by public announcement at the time fixed by the preceding postponement. The trustee shall deliver to the purchaser his deed in form as required by law, conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in the deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, excluding the trustee but including the grantor and the beneficiary, may purchase at the sale.

9. When the Trustee sells pursuant to the powers provided herein, the trustee shall apply the proceeds of the trustee's sale as follows: (1) To the expenses of the sale including the compensation of the trustee, and a reasonable charge by the attorney; (2) To the obligation secured by the trust deed; (3) To all persons having recorded liens subsequent to the interests of the trustee in the trust deed as their interests appear in the order of their priority; (4) The surplus, if any, to the grantor of the trust deed or to his successor in interest entitled to such surplus.

10. For any reason permitted by law, the beneficiary may from time to time appoint a successor or successors to any trustee named herein, or to any successor trustee appointed hereunder. Upon such appointment and without conveyance to the successor trustee, the latter shall be vested with all title, powers and duties conferred upon any trustee herein named or appointed hereunder. Each such appointment and substitution shall be made by written instrument executed by the beneficiary, containing reference to this trust deed and its place of record, which, when recorded in the office of the county clerk or recorder of the county or counties in which the property is situated, shall be conclusive proof of proper appointment of the successor trustee.

## ADJUSTABLE RATE LOAN RIDER

**NOTICE: THE SECURITY INSTRUMENT SECURES A NOTE WHICH CONTAINS A PROVISION ALLOWING FOR CHANGES IN THE INTEREST RATE. INCREASES IN THE INTEREST RATE WILL RESULT IN HIGHER PAYMENTS. DECREASES IN THE INTEREST RATE WILL RESULT IN LOWER PAYMENTS.**

This Rider is made this 27th day of October, 1983, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Deed to Secure Debt (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Note to KLAMATH FIRST FEDERAL SAVINGS AND LOAN ASSOCIATION (the "Lender") of the same date (the "Note") and covering the property described in the Security Instrument and located at 1221 Alameda Street, Klamath Falls, Oregon 97601.

Property Address

**Modifications.** In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

### A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note has an "Initial Interest Rate" of 11 1/2 %. The Note interest rate may be increased or decreased on the 1st day of the month beginning on March, 1985, and on that day of the month every 12 months thereafter.

Changes in the interest rate are governed by changes in an interest rate index called the "Index". The Index is the: [Check one box to indicate Index.]

(1) ☒ "Contract Interest Rate, Purchase of Previously Occupied Homes, National Average for all Major Types of Lenders" published by the Federal Home Loan Bank Board.

(2) ☐ .....

[Check one box to indicate whether there is any maximum limit on changes in the interest rate on each Change Date; if no box is checked there will be no maximum limit on changes.]

(1) ☐ There is no maximum limit on changes in the interest rate at any Change Date.

See below (2) ☒ The interest rate cannot be changed by more than 1.00 percentage points at any Change Date.

If the interest rate changes, the amount of Borrower's monthly payments will change as provided in the Note. Increases in the interest rate will result in higher payments. Decreases in the interest rate will result in lower payments.

### B. LOAN CHARGES

It could be that the loan secured by the Security Instrument is subject to a law which sets maximum loan charges and that law is interpreted so that the interest or other loan charges collected or to be collected in connection with the loan would exceed permitted limits. If this is the case, then: (A) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (B) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower.

### C. PRIOR LIENS

If Lender determines that all or any part of the sums secured by this Security Instrument are subject to a lien which has priority over this Security Instrument, Lender may send Borrower a notice identifying that lien. Borrower shall promptly act with regard to that lien as provided in paragraph 4 of the Security Instrument or shall promptly secure an agreement in a form satisfactory to Lender subordinating that lien to this Security Instrument.

### D. TRANSFER OF THE PROPERTY

If there is a transfer of the Property subject to paragraph 17 of the Security Instrument, Lender may require (1) an increase in the current Note interest rate, or (2) an increase in (or removal of) the limit on the amount of any one interest rate change (if there is a limit), or (3) a change in the Base Index figure, or all of these, as a condition of Lender's waiving the option to accelerate provided in paragraph 17.

By signing this, Borrower agrees to all of the above.

With a limit on the interest rate adjustments during the life of the loan of plus or minus three (+/- 3.00) percentage points.
