Re Stanley Downs  
P.O. Box 333  
Chiloquin, OR 97624

Dear Stan:

We have determined that the access to your property over the existing road pre-dates United States ownership of the underlying land; therefore, the Forest Service cannot deny access over this road.

However, any access rights that exist are confined to the existing road bed or "wheel tracks". Any use of lands outside of the road bed must be approved by the landowner.

If you so desire, you may keep the road special use permit in force in the event that you decide to construct the road in the future.

Sincerely,

ARTHUR W. DUFAULT  
Forest Supervisor
