Claimant claims a lien for the amount last stated upon the said improvement and upon the site, to-wit: the land upon which said improvement is constructed, together with such space about the same as may be required for the convenient use and occupation of the improvement constructed on said site, to be determined by the court at the time of the foreclosure of this lien.

In construing this instrument, the masculine pronoun means and includes the feminine and the neuter, and the singular includes the plural, as the circumstances may require.
