I/WE, SANDRA KATHLEEN BYERS _____

_____ have in my/our possession, by voluntary request, an(a) California --- State Driver's License. This Certificate of Authority issued by the State purports to be for the purpose of granting the Citizens the privilege to move freely upon the land. Whereas, in fact, (1) The freedom of mobility and locomotion is a fundamental Right of the People; and (2) said issuance of the State is in reality an instrument of revenue raising; and (3) said issuance defrauds, extorts, and deceives the People into Limited Liability of Responsibility pursuant to fiction(s) of Law. My/Our conclusion of law and facts are based upon the study of the law and of the realization of truth and inherent right(s) which are by their design unalienable as given to the people by God. Be it known that the safety and ultimate fate of the people (individually and also collectively) is in the hands of the Almighty.

From the Holy Bible, KJV:
 Proverbs 1:7

The fear of the Lord is the beginning of knowledge:
 but fools despise wisdom and instruction.

STATEMENT OF FACTS

WHEREAS; I/WE are in realization of the existence of the codification of de facto law(s), recorded as truth, which are to be found in Title(s) and/or Codes of the California _____ Statutes/Codes for the State of California _____

The truth of the State's unholy interest and subtle yet flagrant display of a de facto state of affairs is found in: Title/Code: California Vehicle and Licensing Codes _____ openly violating Article I Section 10 of the United States Constitution of the Republic, to wit: NO STATE SHALL, WITHOUT THE CONSENT OF CONGRESS, ENTER INTO ANY AGREEMENT OR COMPACT WITH ANOTHER STATE, OR WITH A FOREIGN POWER, This act by the State, under the deception of the (federal) State Constitution/policy suborns the EXPRESS NATURAL REAL INDIVIDUAL in Law into the Admiralty-Maritime based jurisdictional acts for the purpose of Limited Liability of Responsibility. Such statutes allows the State to assume the full responsibility belonging to the people. The intent of the State of California is to gain full control of and over the entities and Citizens of the State. This is clearly done by VOLUNTARY ACT(S) OF THE PEOPLE IN REQUESTING THE CERTIFICATES OF AUTHORITY/IDENTIFICATION NUMBERS (of person and/or property) giving over to the State all Right(s) of Responsibility inherent under the Republic.

THEREFORE: The reader is directed to understand the intent of the Express Natural Real Individual in Law in that a clear showing of facts can be found. To wit: The federal Constitution discovered:

The federal Constitution, in contrast with the United States Constitution, consists of Amendments 11 (eleven) through 26 (twenty-six). In addition, you will find titles NOT ENACTED INTO LAW in the United States Code as follows: USC Titles 2, 7, 8, 11, 12, 15, 16, 19, 20, 21, 22, 24, 25, 29, 30, 31, 33, 36, 40, 41, 42, 43, 45, 47, 48, 49, and 50. It is recognized that the insurance policy collecting USC Titles to be Title 26 of the Internal Revenue Code, which collects premiums for the financiers of the Nations under the high Admiralty and Maritime Contracts and the Limited Liability Acts since and including that of 1851. [Tontine Insurance] Of those Titles, Title 42, The Public Health and Welfare, and Title 49, Transportation, are used as the Right of the [federal] State to take away Right(s) of Responsibility of the People as mandated in the Bill of Rights, I through 10, which immediately follows the United States Constitution of the Republic.

COMPARISON REVEALED

(federal) State: Interest of the People. Fact of Mind: "No Problem!
 Let the Insuring Entities carry the Liability"

The Republic: Interest/position of an Express Natural Real Individual
 in Law: "I'm Responsible when I harm the People and I
 must carry the Liability."

TRUE INTENT

I/WE, SANDRA KATHLEEN BYERS -----, hereby, now and henceforth, reject my/our assumed citizenship of the (federal) State and return to the REPUBLIC OF THE STATE OF Oregon/California to become a better citizen as a SOVEREIGN thereof.

This positive action is taken in harmony with and under the AUTHORITY of God. From the Holy bible, KJV:

Revelation 18:4 And I heard another voice from heaven, saying, "Come out of her, my people, that ye be not partakers of her sins, and that receive not of her plagues".

THEREFORE; I/WE shall be [a] Citizen(s) of the State of Oregon/California and established thereby unto my/our past, this day, and forever as Citizens under the SUPREME LAW OF THE LAND being the Constitution of the United States of the Republic to which I/WE pledge my/our allegiance.

REVOCATION

THEREFORE: Let it be known that I/WE, by the Right(s) of Responsibility guaranteed in the Bill of Rights, having been duped, deceived, and misled by the(se) device(s) and cloak(s) of Government(s), does hereby REVOKE and CANCEL the Limited Liability for the perpetual succession of debt and credit which is of Admiralty Maritime Jurisdiction with the certificate(s) of authority known as: A California Driver's License: Number N 3490019 ----- of the past, this day, and for all time.

SUBSCRIBED TO AND AFFIRMED TO, BEFORE GOD'S COMMANDMENT:

Exodus 20:16 "Thou shalt not bear false witness against thy neighbour."

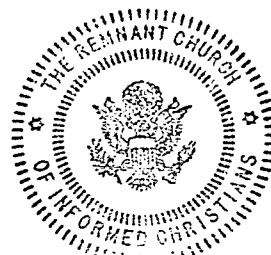

IN WITNESS WHEREOF, I hereunto set my hand this 18th day of June, 1984.
