Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made available by the Federal Reserve Board. The most recent Index figure available as of the date 45 days before each Change Date is called the

(C) Calculation of Changes Before each Change Date, the Note Holder will add <u>FOUR AND 750/1000</u> percentage points (<u>4.750</u>%) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%) to calculate a "Preliminary Interest Rate". The Note Holder will then calculate a "Prelimi-nary Payment" by determining the amount of monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at the new Preliminary Interest Rate in sub-terminary Payments.

limitations in Section 4(D) and Section 4(E).
(D) Limit on Payment
My new monthly payment following a Change Date will be limited to the monthly payment I have been paying immediately preceding such Change Date multiplied by the number 1.075. This amount is called the "Limited Payment Amount." If my new monthly payment is the Limited Payment Amount, an interest rate will be established so that the Limited Payment Amount will be sufficient to repay the unpaid principal that I am expected to owe at the est one-eighth of one percentage point (0.125%). This rounded rate will be my new rate of interest I am required to pay subject to the limit on interest rate.

(E) Limit on Interest Rate
During the period I have my loan, the interest rate that I pay as a result of calculations made pursuant to this Section 4 may never exceed five percentage points (5.00%) above the interest rate stated in Section 2. Any interest rate that is established as a result of this limitation is called a "Limited Interest Rate." If my new interest rate is the Limited to owe at the Change Date in full on the maturity date in substantially equal payments, and this new payment will be established at an amount sufficient to repay the unpaid principal I am expected subject to the limit on payment.

(F) Effective Date of Changes My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly pay-ment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again. (G) Notice of Changes

(G) Notice of changes The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the
