THIS TRUST DEED, made this 6th day of February, 1986, between James A. Wood, Jr.

The grantor irrevocably grants, bargains, sells and conveys to the trustee, in trust, with power of sale, the property in Klamath County, Oregon, described as:

The West 35 feet of Lot 12, and the East 15 feet of Lot 3, Block 62, Nichols Addition to the City of Klamath Falls, according to the official plat thereof on file in the office of the County Clerk, Klamath County, Oregon.

Grantor's performance under this trust deed and the note it secures may not be assigned to or be assumed by another party. In the event of an attempted assignment or assumption, the entire unpaid balance shall become immediately due and payable.

which said described real property is not currently used for agricultural, timber or grazing purposes, together with all and singular the appurtenances, tenements, hereditaments, rents, issues, profits, water rights, easements or privileges now or hereafter belonging to, derived from or in anywise appertaining to the above described premises, and all plumbing, lighting, heating, ventilating, air-conditioning, refrigerating, watering and irrigation apparatus, equipment and fixtures, together with all awnings, venetian blinds, floor covering in place such as wall-to-wall carpeting and linoleum, shades and built-in appliances now or hereafter installed in or used in connection with the above described premises, including all interest therein which the grantor has or may hereafter acquire for the purpose of securing performance of each agreement of the grantor herein contained and the payment of the sum of Three Thousand Nine Hundred (\$ 3,960.00) Dollars, with interest thereon according to the terms of a promissory note of even date herewith, payable to the beneficiary or order and made by the grantor, principal and interest being payable in monthly installments of \$ 89.60 commencing March 15, 1986.

This trust deed shall further secure the payment of such additional money, if any, as may be loaned hereafter by the beneficiary to the grantor or others having an interest in the above described property, as may be evidenced by a note or notes. If the indebtedness secured by this trust deed is evidenced by more than one note, the beneficiary may credit payments received by it upon any of said notes or part of any payment on one note and part on another, as the beneficiary may elect.

The grantor hereby covenants to and with the trustee and the beneficiary herein that the said premises and property conveyed by this trust deed are free and clear of all encumbrances and that the grantor will and his heirs, executors and administrators shall warrant and defend his said title thereto against the claims of all persons, whomsoever.

The grantor covenants and agrees to pay said note according to the terms thereof and, when due, all taxes, assessments and other charges levied against said property; to keep said property free from all encumbrances having precedence over this trust deed; to complete all buildings in course of construction or hereafter constructed on said premises within six months from the date hereof or the date construction is hereafter commenced; to repair and restore promptly and in good workmanlike manner any building or improvement on said property which may be damaged or destroyed and pay, when due, all costs incurred therefor; to allow beneficiary to inspect said property at all times during construction; to replace any work or materials unsatisfactory to beneficiary within fifteen days after written notice from beneficiary of such defect; not to remove or destroy any building or improvements now or hereafter constructed on said premises; to keep all buildings and improvements now or hereafter erected upon said property in good repair and to commit or suffer by fire or such other hazards as the beneficiary may from time to time require, in a sum not less than the original principal sum of the note or obligation secured by this trust deed, in a company or companies acceptable to the beneficiary, and to deliver the original policy of insurance in correct form and with approved loss payable clause in favor of the beneficiary attached and with fifteen days prior to the effective date of any such policy of insurance; if said policy of insurance is not so tendered to the beneficiary, which insurance shall be non-cancellable by the grantor during the full term of the policy thus obtained.

In order to provide regularly for the prompt payment of said taxes, assessments or other charges and insurance premiums, the grantor agrees to pay to the beneficiary, together with and in addition to the monthly payments of principal and interest payable under the terms of the note or obligation secured hereby, an amount equal to one-twelfth (1/12th) of the taxes, assessments and other charges due and payable with respect to said property within each succeeding twelve months, and also one-thirtieth (1/30th) of the insurance premiums payable with respect to said property within each succeeding three years while such sums to be credited to the principal of the loan until required for the several purposes thereof and shall thereupon be charged to the principal of the loan; or, at the option of the beneficiary, the sums so paid shall be held by the beneficiary in trust as a reserve account, without interest, to pay said premiums, taxes, assessments or other charges when they shall become due and payable.

While the grantor is to pay any and all taxes, assessments and other charges levied or assessed against said property, or any part thereof, before the same begin to be interest and also to pay premiums on all insurance policies upon said property, such payments are to be made through the beneficiary, as aforesaid. The grantor hereby authorizes the beneficiary to pay any and all taxes, assessments and other charges levied or imposed upon said property in the amounts as shown by the statements thereof furnished by the collector of such taxes, assessments or other charges, and to pay the insurance premiums in the amounts shown on the statements submitted by the insurance carriers or their representatives, and to charge said sums to the principal of the loan or to withdraw the sums which may be required from the reserve account, if any, established for that purpose. The grantor agrees to be held by the beneficiary responsible for failure to have any insurance policy, and the beneficiary hereby is authorized, in the event of any loss, to compromise and settle with any insurance company and to apply any such insurance receipts upon the obligations secured by this trust deed, in computing the amount of the indebtedness for payment and satisfaction in full or upon sale or other acquisition of the property by the beneficiary after

default, any balance remaining in the reserve account shall be credited to the indebtedness. If the reserve account for taxes, assessments, insurance premiums and other charges is not sufficient at any time for the payment of such charges as they become due, the grantor shall pay the deficit to the beneficiary upon demand, and if not paid within ten days after such demand, the beneficiary may at its option add the amount of such deficit to the principal of the obligation secured hereby.

Should the grantor fail to keep any of the foregoing covenants, then the beneficiary may at its option carry out the same, and all its expenditures therefor shall draw interest at the rate specified in the note, shall be repayable by the grantor on demand and shall be secured by the lien of this trust deed. In the connection, the beneficiary shall have the right in its discretion to complete any improvements made on said premises and also to make such repairs to said property as in its sole discretion it may deem necessary or advisable.

The grantor further agrees to comply with all laws, ordinances, regulations, covenants, conditions and restrictions affecting said property; to pay all costs, fees and expenses of this trust, including the cost of title search, as well as the other costs and expenses of the trustee incurred in connection with or in enforcing this obligation, and trustee's and attorney's fees actually incurred; to appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of the beneficiary or trustee; and to pay all costs and expenses, including cost of evidence of title and attorney's fees in a suit to foreclose this deed, and all said sums shall be secured by this trust deed.

The beneficiary will furnish to the grantor on written request therefor an annual statement of account but shall not be obligated or required to furnish any further statements of account.

It is mutually agreed that:

1. In the event that any portion or all of said property shall be taken under the right of eminent domain or condemnation, the beneficiary shall have the right to commence, prosecute in its own name, appear in or defend any action, proceedings, or to make any compromise or settlement in connection with such taking and, if it so elects, to require that all or any portion of the money payable as compensation for such taking, which are in excess of the amount required to pay all reasonable costs, expenses and attorney's fees necessarily paid or incurred by the grantor in such proceedings, shall be paid to the beneficiary and applied by it first upon any reasonable costs and expenses and attorney's fees necessarily paid or incurred by the beneficiary in such proceedings, and the balance applied upon the indebtedness secured hereby; and the grantor agrees, at its own expense, to take such actions and execute such instruments as shall be necessary in obtaining such compensation, promptly upon the beneficiary's request.

2. At any time and from time to time upon written request of the beneficiary, payment of its fees and presentation of this deed and the note for endorsement (in case of full reconveyance, for cancellation), without affecting the liability of any person for the payment of the indebtedness, the trustee, at the consent to the making of any map or plat of said property, shall have the right to make any agreement affecting this deed or the lien or charge hereof, or any other agreement affecting this deed or the lien or charge hereof, without warranty, all or any part of the property. The grantor in any subordination agreement may be described as the "person or persons legally entitled thereto" and the recitals herein of any matters or facts shall be conclusive proof of the truthfulness thereof. Trustee's fees for any of the services in this paragraph shall be not less than \$5.00.

3. As additional security, grantor hereby assigns to beneficiary during the continuance of these trusts all rents, issues, royalties and profits of the property affected by this deed and of any personal property located thereon. Until the grantor shall default in the payment of any indebtedness secured hereby or in become due and time without notice, either in person, by agent or by a co-fiduciary may at any time without notice, either in person, by agent or by a co-fiduciary, be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of any of the rents, issues and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees, upon any indebtedness secured hereby, and in such order as the beneficiary may determine.

6. The entering upon and taking possession of said property, the collection of such rents, issues and profits or the proceeds of fire and other insurance policies or compensation or awards for any taking or damage of the property, and the application or release thereof, as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

6. The grantor shall notify beneficiary in writing of any sale or conveyance for sale of the above described property and furnish beneficiary on a form supplied it with such personal information concerning the purchaser as a would ordinarily be required of a new loan applicant and shall pay beneficiary a service charge.

6. Time is of the essence of this instrument and upon default by the grantor in payment of any indebtedness secured hereby or in performance of the agreement hereunder, the beneficiary may declare all sums secured hereby immediately due and payable by delivery to the trustee of written notice of default and election to sell the trust property, which notice trustee shall cause to be duly filed for record. Upon delivery of said notice of default and election to sell, the beneficiary shall deposit with the trustee this trust deed and all promissory notes and documents evidencing expenditures secured hereby, whereupon the trustee shall fix the time and place of sale and give notice thereof as then required by law.

7. After default and any time prior to five days before the date set by the trustee for the Trustee's sale, the grantor or other person so privileged may pay the entire amount then due under this trust deed and the obligations secured thereby (including costs and expenses actually incurred in enforcing the terms of the obligation and trustee's and attorney's fees not then due had no default occurred) and thereby cure the default.

8. After the lapse of such time as may then be required by law following the recording of said notice of default and giving of said notice of sale, the trustee shall sell said property at the time and place fixed by him in said notice of sale, either as a whole or in separate parcels, and in such order as he may determine, at public auction to the highest bidder for cash, in lawful money of the United States, payable at the time of sale. Trustee may postpone sale of all or any portion of said property by public announcement at such time and place of sale and from time to time thereafter may postpone the sale by public announcement.
