11. Subject to the provisions of Paragraph 4, Grantor shall not erect any structures, nor plant any trees or shrubs, within the easement area which would inhibit access to said sewer line or cause damage to it.

12. Grantee shall indemnify and hold harmless Grantor and Pacific, and their directors, officers and employees from and against all actions or suits, causes of action or suit, costs, claims, damages, expense, loss or liability for injury or death of any persons whomsoever, and for loss to or damage to any property, including Grantor's or Pacific's, arising out of or in any way connected with Grantee's exercise of the permission granted herein.

13. All such rights hereunder shall cease if and when such sewer line shall have been abandoned.

14. This easement is granted subject to all easements, reservations and restrictions of record affecting said property.
