

MORTGAGE REAMORTIZATION AGREEMENT

(Loan No. 164654-3)

THIS AGREEMENT Made this 1st day of May, 1986, between
George A. Carleton and Elizabeth J. Carleton, husband and wife

hereinafter designated as Mortgagors, and The Federal Land Bank of Spokane, a corporation organized and existing under the Farm Credit Act of 1971, with its principal place of business in the City of Spokane, County of Spokane, State of Washington, hereinafter designated as Mortgagee. WITNESSETH:

8 THAT, WHEREAS, By mortgage recorded as instrument No. 16236 in Book M-76 of Mortgages,
 11 at page 10592, records of Klamath County, State of Oregon,
 3 Mortgagors, or their predecessors in interest, mortgaged to The Federal Land Bank of Spokane, a corporation, the
 3 real property described therein, reference to which mortgage as so recorded is hereby made for the terms thereof,
 3 and the description of said property; and

WHEREAS, There is owing Mortgagee upon the debt secured by said mortgage the aggregate sum of
 \$ 34,082.69 as of May 1, 1986, being the date as of which this agreement is
 effective; and

WHEREAS, The Mortgagors desire that the said indebtedness be reamortized;

NOW THEREFORE, In consideration of the premises and the mutual promises of the parties hereto it is agreed:
 That the said total sum now owing under said mortgage, as hereinabove set forth, with interest from the date
 as of which this agreement is effective at the rate of 12.25 % per annum on an amortization plan, shall be
 paid as follows:

Interest on the aggregate sum shall be payable on the first day of May, 1987, and
 annually thereafter; the aggregate sum shall be payable in 24 installments of principal and interest
 of Four Thousand Four Hundred Twenty-one and 10/100 DOLLARS
 each, the first installment being payable on the first day of May, 1987, and an installment
 being payable on each succeeding interest payment date to and including the first day of May, 2010,
 and a final installment of the balance unpaid on the first day of May, 2011, unless
 this debt shall be matured sooner by extra payments.

The Mortgagee may, from time to time, establish a higher or lower rate of interest which shall then apply to
 the unmatured balance of the debt evidenced hereby and shall remain in effect until a different rate is established.
 Such different rates shall be established in accordance with the provisions of the Farm Credit Act of 1971 and
 the regulations of the Farm Credit Administration as then existing.

The non-payment when due of any sum, principal or interest, shall cause the assessment of default interest and,
 if provided in the original mortgage, late charges. The default rate after the effective date hereof is the interest
 rate from time to time in effect for this loan, plus two percent per annum. If applicable, the late charge after the
 effective date hereof is five percent of the installment. After acceleration of the secured obligations, the entire amount
 due and payable shall thereafter bear interest until paid at the default rate which was in effect at the time of
 acceleration.

Any Mortgagor hereof may at any time pay any amount of principal hereon in advance of its maturity. Unless
 the Mortgagee otherwise elects, any such payment shall operate to reduce the balance owing and to discharge the
 debt evidenced hereby at an earlier date, but shall not alter the obligation to pay full installments periodically
 as above provided until the debt is paid in full.

In consideration of the change in terms of payment herein provided, Mortgagors hereby covenant and agree to
 pay the said aggregate amount unpaid under the terms of said note and mortgage, with interest at the rates specified
 herein, at the times and in the amounts as above set forth, it being expressly agreed that if Mortgagors were not
 heretofore personally liable under said note and mortgage they hereby assume and agree to pay the debt owing
 thereunder, and to perform each of the other agreements therein named.

The said mortgage and the lien thereof (except as to any property heretofore released therefrom of record) and
 the note secured thereby, as the times for payment are hereby changed, are continued in full force and effect in
 each of the covenants and agreements therein contained; and mortgagee may at its option declare the entire
 indebtedness due and payable upon default in the payment of any of the sums secured, when due as so specified,
 or for any other cause for acceleration of maturity specified in said mortgage.

Mortgagee hereby expressly reserves all rights against sureties, guarantors and all parties liable for the payment
 of said indebtedness, and any persons who may have any interest in or lien upon any or all of the property so
 mortgaged, who do not consent hereto, and the right of itself and of all such parties to maintain any action on
 the original note and mortgage necessary to preserve such rights. All rights of any one against whom rights are
 herein reserved may be enforced as if this agreement had not been made.

The Mortgagors and all other persons hereafter becoming liable for the payment of the above debt consent to
 all indulgences, extensions, renewals and reamortizations granted or permitted by the Mortgagee.

This agreement is for the benefit of and binding upon the heirs, representatives, successors and assigns of all
 parties executing the same, respectively.

IN WITNESS WHEREOF, the parties hereto have executed this agreement on the day and year first above written.
