ATE 29947  
ASSIGNMENT OF CONTRACT IN LIEU OF FORECLOSURE between RAYMOND D. BIXLER and DONNA R. BIXLER, husband and wife, (Assignor), and JOHN YOCKEY and JAMES YOCKEY, CO-TRUSTEES OF THE HARRY YOCKEY FAMILY TRUST, (Assignee);

WITNESSETH:

WHEREAS, Assignor is presently indebted to Assignee under a Promissory Note secured by Trust Deed dated and recorded as follows: Trust Deed dated October 14, 1983, recorded October 18, 1983, in Book M-83, Page 17902, Trust Deed Records of Klamath County, Oregon; and

WHEREAS, the Assignor is unable to pay the amounts presently owing and unpaid under the Promissory Note and the Trust Deed; and,

WHEREAS, the Trust Deed is in default and subject to immediate foreclosure; and,

WHEREAS, Assignor has requested Assignee to accept an absolute assignment of Assignor's equity in The Property in lieu of foreclosure;

NOW, THEREFORE, in consideration of the Assignee's agreement to forebear taking any action whatsoever to collect against Assignor, other than by foreclosure of the Trust Deed, and in any proceeding to foreclose the Trust Deed, to waive any deficiency judgment against Assignor, its successors or assigns, and Assignee's covenants contained in this Assignment, Assignor does hereby grant, bargain, sell, convey, and assign to Assignee all of Assignor's right, title, and interest in and to the Brandejsky Contract and The Property. Assignor expressly covenants with and warrants to Assignee that: Assignor is the owner of the purchaser's interest in the The Property described herein and the Brandejsky Contract; the unpaid principal balance secured by the Brandejsky Contract is \$5,148.52 with interest paid thereon to June 1, 1986; Assignor is in default of the Brandejsky Contract; Assignor has not made any assignment, pledge, or hypothecation of Assignor's interest in The Property or in the Brandejsky Contract, or The Property or the Brandejsky Contract itself, other than evidenced by the Trust Deed, and this Assignment; this Assignment is absolute in effect and conveys Assignor's title to The Property to Assignee and all redemption rights which Assignor may have there and does not operate as a mortgage, trust deed or security of any kind; this Assignment does not effect a merger of the fee title and the lien of Assignee's Trust Deed, and that Assignee's Trust Deed shall remain separate and distinct from Assignor's equitable title and constitute a valid and subsisting lien upon The Property to secure all sums payable under such Trust Deed; Assignor has made this Assignment with the knowledge that (notwithstanding Assignee's agreement to forebear taking any action to collect against Assignor on the Promissory Note and Assignee's waiver of any deficiency judgment against Assignor in a proceeding to foreclose the Trust Deed), Assignee may be joined as a party defendant in a suit to foreclose the Trust Deed and all other subordinate liens and encumbrances existing upon The Property; the true and actual consideration paid for this assignment is satisfaction of the above-described indebtedness and includes other property or value given or promised; Assignee shall have no rights against Assignor should The Property be worth less than the indebtedness; in executing this Assignment, Assignor is not acting under any misapprehension as to the effect hereof or under any duress, undue influence, or misrepresentation by Assignee; and possession of The Property is surrendered and delivered to Assignee.

Upon acceptance of this Assignment by Assignee, and in consideration thereof, Assignee covenants with and warrants to Assignor that: Assignee shall forebear taking any action against Assignor, other than by foreclosure of the Trust Deed; in any proceeding to foreclose the Trust Deed, Assignee shall look solely to The Property to satisfy its judgment and will not attempt to enforce against Assignor, any judgment Assignee may recover in such proceedings; Assignee is fully aware of all the terms, covenants, and provisions of the Brandejsky Contract; Assignee hereby expressly assumes and agrees to fully perform all of the terms, covenants, and provisions of the Brandejsky Contract, including, but not limited to, the payment of all sums due, or to become due, under the terms of said Brandejsky Contract promptly as provided in the Brandejsky Contract, to cure Assignor's default of the Brandejsky Contract, and to save and hold Assignor harmless from any of the terms, covenants, and provisions of said Brandejsky Contract and indemnify Assignor from and against any claims, demands, suits, actions, judgments, or decrees, arising out of, or in connection with, any failure by Assignee to perform any of the terms, covenants, or provision of the Brandejsky Contract, including reasonable attorney fees, both at trial, or on appeal.

In construing this Assignment:

- (1) The foregoing promissory note is called "Promissory Note".
- (2) The foregoing trust deed is called "Trust Deed".
- (3) The Brandejsky Contract means that certain unrecorded contract, including the terms and provisions thereof, and such other exceptions as may appear necessary upon the recording thereof, dated February 25, 1976,
