(ព្រះប្រជាជម្រ SECTION 4. INTEREST RATE AND PAYMENTS The interest rate is Variable (indicate whether variable or fixed) and will be 9.86 percent per annum, if this is a variable interest rate loan, the Lender can periodically change the interest rate by Administrative Rule. Changes in the interest rate will change the payment on the loan. The initial principal and interest payments on the loan are \$ 273 to be paid monthly. (The payment will change if interest rate is variable and the interest rate changes.) The payments on the loan being assumed by this agreement may be periodically adjusted by Lender to an amount that will cause the loan to be paid in full on the due date of the last payment. Buyer agrees that the balance of this loan is immediately due and payable in full, if after July 20, 1983, there is a second sale or other transfer of all or part of the property securing this loan. However, transfer or sale to the original borrower, the surviving spouse, unremarried former spouse, surviving child or stepchild of the original borrower, or to a veteran eligible for a loan under ORS 407.010 to 407.210 and Article XI-A of the Oregon Constitution does not count as a sale or transfer for purposes of the provisions of this paragraph. This law has been suspended until July 1, 1987. Any transfer of a property between July 3, 1985, and July 1, 1987, will not be counted as a transfer under the 1983 "Due on Sale" law.
