## Important Notice

The Soldier's and Sailor's Relief Act (50 USC App., Sections 501-591) suspends legal proceedings that would prejudice the rights of military personnel on active duty. It applies to foreclosures of Trust Deeds executed while a person is in the service.

If the Deed of Trust was executed prior to entry into the service, no sale is valid if made during the period of military service or within three months thereafter, except when the sale is made on written agreement of the parties or on a court order. The trustee must determine whether or not the record owner is in the military. This is usually accomplished by the beneficiary filing an Affidavit of Non-military Service. If the record owner is in the military the sale may still take place if the Deed of Trust was executed while the record owner was actually in the service.

Please sign the following affidavit and return it to us.

## AFFIDAVIT OF NON-MILITARY STATUS

The undersigned knows that the record owners Lawrence W. Arthur and Judith G. Arthur

are not now, nor were they within the period of three months prior to October 22, 1986 in the military service within the meaning of the Soldier's Relief Act of 1940, as amended, or entitled to the benefits thereof.
