Dear Mr. Beane:

Estate Tax Closing Letter (This is not a bill for tax due)

Our computation of the Federal tax liability for the above estate is shown below. It does not include any interest or late payment penalties that may be charged, but other penalties have been considered in the computation. You should keep a copy of this letter as a permanent record because your attorney may need it to close the probate proceedings of the estate. This letter is evidence that the Federal tax return for the estate has either been accepted as filed, or has been accepted after an adjustment that you agreed

This is not a formal closing agreement under section 7121 of the Internal Revenue Code. We will not reopen this case, however, unless Revenue Procedure 83-19, reproduced on the back of this letter, applies.

If you have any questions about this letter, please write or call the person whose name and telephone number are shown at the top of this letter. If you write to us with questions about this letter, please provide your telephone number and the most convenient time for us to call if we need additional information. Please attach this letter to any correspondence to help us identify your case. Keep the copy for your records.

Thank you for your cooperation.

Sincerely yours,

*Robert F. Culenzer*
