

THE FIRST CHARGE. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest, Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note. Borrower shall pay when due the day monthly payments on the debt under the Note, and the Note is paid in full, a sum ("Funds") equal to one-twelfth of the yearly interest and amount which may accrue priority over the Security Instrument, the yearly interest payments on the debt on the Property, if any, the yearly interest payments on the debt, and (b) yearly mortgage insurance premiums, if any. These debts are called "monthly payments." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future income items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a Federal or state agency including Lender if Lender is such an institution. Lender shall apply the Funds to pay the monthly payments. Lender may not charge for holding and applying the Funds, assigning the account or verifying the account items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall pay to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each item to the Funds was made. The Funds are pledged as additional security for the debt secured by the Security Instrument.

If the amount of the Funds held by Lender, together with the debt monthly payments if Funds payable prior to the due date of the monthly payments, shall exceed the amount required to pay the monthly payments when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or combined or otherwise on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the monthly payments when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly return to Borrower any Funds held by Lender. If under paragraph 2 the Property is sold or acquired by Lender, Lender shall again, on the day immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the debt secured by this Security Instrument.

2. **Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied first, to late charges due under the Note, second, to prepayment charges due under the Note, third, to amounts payable under paragraph 2, fourth, to interest due and last, to principal due.

3. **Change of Law.** Borrower shall pay all taxes, assessments, charges, fees and impositions attributable to the Property which may come priority over this Security Instrument, and installment payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person next payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender, its successors or good faith lien holder, or (b) defend against enforcement of the lien in legal proceedings which in the Lender's opinion appear to present the enforcement of the lien or foreclosure of any part of the Property, or (c) secure from the holder of the lien an agreement satisfactory to Lender substituting the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may claim priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 30 days of the giving of notice.

4. **Extended Coverage.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, lightning and related causes within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and coverages shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and coverages. If Lender requires, Borrower shall give prompt notice to Lender of changes of policy provisions and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if and when promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, no insurance proceeds shall be applied to satisfaction or repair of the Property damaged, if the destruction or repair is economically feasible and Lender's security is not impaired. If the destruction or repair is not economically feasible or Lender's security would be impaired, the insurance proceeds shall be applied to the debt secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not secure within 30 days a notice from Lender that the insurance carrier has agreed to either a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds as repair or rebuild the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the insurance is given.

When Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraph 1 and Lender shall change the amount of the payments. If under paragraph 4 the Property is acquired by Lender, Borrower's right to any insurance proceeds and proceeds resulting from foreclose on the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument, notwithstanding prior to the acquisition.

5. **Preservation and Maintenance of Property Encumbrances.** Borrower shall not destroy, damage or substantially change the Property, unless the Property is destroyed or damaged wholly or in part by fire, lightning or other cause. If the Security Instrument is in a loaned, Borrower shall comply with the provisions of the loan and if Borrower maintains the debt on the Property, the loaned and the note shall not change unless Lender agrees in the except in writing.

6. **Protection of Lender's Rights in the Property, Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property, or there is a legal proceeding to prevent the sale of the Property and Lender's rights in the Property, Lender may, without notice, pay for insurance, fire, lightning or other cause, or for other sums or for the Property. Lender's actions may include paying any sums secured by a lien which has priority over the Security Instrument, repaying or loaning, paying reasonable attorneys' fees and carrying on the Property or other sums. Although Lender may take action under this paragraph, Lender does not have to do so.

Any amounts advanced by Lender under this paragraph 6 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree in other terms of payment, these amounts shall bear interest from the date of advancement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower demanding payment.

If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the insurance in effect until such time as the requirement for the insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

8. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice of the time of or prior to an inspection specifying reasonable cause for the inspection.

9. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property or for compensation in loss of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower.

If the Property is abandoned by Borrower or if, after notice by Lender to Borrower that the abandonment offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, as to payment, either in satisfaction or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

10. Borrower Not Released, Furthermore, By Lender Not a Waiver. Extension of the time for payment or specification of substitution of the sums secured by this Security Instrument granted by Lender in any manner in connection with Borrower shall not operate to release the liability of the original Borrower or Borrower's successors or assigns. Lender shall not be required to commence proceedings against any successor or assign or refuse to extend time for payment or otherwise modify substitution of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors or assigns. Any furtherance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

11. Successors and Assigns Bound, Joint and Several Liability, Co-obligors. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 12. Borrower's covenants and agreements shall be joint and several. Any Borrower who assigns this Security Instrument but does not release the Note has a co-obligor in this Security Instrument only as to mortgage, grant and convey. The sums secured by this Security Instrument under the terms of this Security Instrument shall not be personally assigned to pay the sums secured by this Security Instrument, and no assignee of Lender and any other Borrower may agree to extend, modify, further or create any accommodations with regard to the terms of this Security Instrument or the Note without the Borrower's consent.

12. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limit, then and only when such loan charges shall be reduced by the amount necessary to reduce the charges to the permitted limit, and the any sums already collected from Borrower which exceeded the permitted limit will be refunded to Borrower. Lender may choose to make this refund by crediting the principal owed under the Note or by making a direct payment to Borrower. If a refund is chosen principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

13. Repossession Affects Lender's Rights. If enforcement or execution of applicable law has the effect of rendering any provision of the Note or this Security Instrument unenforceable according to its terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may enforce any remedies permitted by paragraph 14. If Lender exercises this option, Lender shall take the steps specified in the several paragraphs of paragraph 14.

14. Notice. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law, Jurisdiction. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. In this and the provisions of this Security Instrument and the Note an "action" is the remedy.

16. Borrower's Copy. Borrower shall be given one confirmed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Partial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted to this Security Instrument without further notice to Borrower.

18. Borrower's Right to Foreclose. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of (a) 5 days or such other period as applicable law may specify for redemption, before use of the Property pursuant to any power of sale contained in this Security Instrument, or (b) the entry of a judgment enforcing this Security Instrument. These conditions are that Borrower has paid Lender all sums which then would be due under this Security Instrument and the Note had no acceleration occurred; (b) there are no default of any other covenants or agreements; (c) Borrower has paid all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorney's fees, and (d) unless such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon satisfaction by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to rescind shall not apply in the case of acceleration under paragraphs 17 or 17.

NON-CONFORMING COVENANTS Borrower and Lender further covenant and agree as follows:

6153

18. Acceleration. Lender shall give notice to Borrower prior to acceleration following Borrower's default of any covenant or agreement in this Security Instrument that not prior to acceleration under paragraphs 10 and 11 unless applicable law provides otherwise. The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the loan secured by this Security Instrument and sale of the Property. The notice shall further inform Borrower of the right to demand after acceleration and the right to bring a court action to assert the non-existence of a default or any other defense of Borrower to acceleration and sale. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may exercise the power of sale and any other remedies permitted by applicable law. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 18, including, but not limited to, reasonable attorney's fees and costs of title evidence.

19. Lender reserves the power of sale. Lender shall exercise or cause Trustee to exercise a written notice of the acceleration of an event of default and of Lender's election to cause the Property to be sold and shall cause such notice to be recorded in each county in which any part of the Property is located. Lender or Trustee shall give notice of sale in the manner provided by applicable law to Borrower and to other persons prescribed by applicable law. After the time required by applicable law, Lender, without demand on Borrower, shall sell the Property at public auction in the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and in any other place of any previously scheduled sale. Lender or its designee may purchase the Property at any sale.

Lender shall deliver to the purchaser Lender's deed conveying the Property without any covenant or warranty expressed or implied. The contents of the Lender's deed shall be prima facie evidence of the facts of the circumstances under which the Property was sold. 20. Lender is Power of Sale. Upon acceleration under paragraph 10 or acceleration of the Property, Lender or person, by agent or by judicially appointed receiver shall be entitled to enter upon, take possession of and manage the Property and to collect the taxes of the Property including those past due. Any sums collected by Lender or the receiver shall be applied first to payment of the costs of management of the Property and collection of taxes, including, but not limited to, receiver's fees, attorneys or receiver's bonds and reasonable attorney's fees, and then to the sums secured by this Security Instrument.

21. Borrower's Lien. Upon payment of all sums secured by this Security Instrument, Lender shall release Trustee to remove the Property and shall surrender this Security Instrument and all notes evidencing debt secured by this Security Instrument to Trustee. Trustee shall remove the Property without warranty and without charge to the person or persons legally entitled to it. Such person or persons shall pay any acceleration costs.

22. Subsequent Transfer. Lender may from time to time assign Trustee and appoint a successor trustee to any Trustee appointed hereunder. Without consequence of the Property, the assignment shall extend to all the rights, powers and duties conferred upon Trustee hereunder by applicable law.

23. Use of Property. The Property is not currently used for agricultural, residential or grazing purposes. Lender agrees, for so long as the Security Instrument and in the State, "Agriculture" shall include any activity hereunder by an agricultural use.

24. Release in this Security Instrument.
