U.S. Bank National Association, Borrower and Lender acknowledge and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Further Liens and Encumbrances. Subject to applicable law or any written waiver by Lender, Borrower shall pay to Lender as the first priority payment all due under the Note, and the Note is paid in full, a sum ("Funds") equal to one month of (a) monthly taxes and assessments which may attach priority over this Security Instrument, (b) monthly payments or general costs of the Property, if any, (c) monthly account collection premium, and (d) monthly contingency insurance premiums, if any. These items are called "income items." Lender may estimate the funds due in the event of default and reasonable continuation of such income items.

The Funds shall be held in an escrow account the disbursements from which are required or permitted by a federal or state agency (including Lender or Lender's such as institutions). Lender shall apply the Funds to pay the income items. Lender may not charge for holding and applying the Funds, excepting the amount of verifying the income items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree to writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by the Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due date of the income items, shall exceed the amount required to pay the income items when due, the excess shall be at Borrower's option, either promptly remitted to Borrower or credited to Borrower as monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the income items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly release to Borrower any Funds held by Lender. If under paragraph 1 of the Property is sold or acquired by Lender, Lender shall apply, to last, the compensation prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of acquisition as a credit against the sums secured by the Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied first, to late charges due under the Note, second, to prepayment charges due under the Note, third, to amounts payable under paragraph 2, fourth, to interest due, and last, to principal due.

4. Owner's Liens. Borrower shall pay all taxes, assessments, charges, fees and expenditures attributable to the Property which may attach priority over this Security Instrument, and household payments or general costs of any. Borrower shall pay those obligations in the manner provided in paragraph 1, or if not paid at that manner, Borrower shall pay those on time directly to the person owed payment. Borrower shall promptly furnish to Lender all amounts of amounts to be paid under this paragraph. If Borrower makes those payments directly, Borrower shall promptly furnish to Lender records evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower has agreed to writing to the payment of the obligations required by the lien as a matter acceptable to Lender. In addition to good faith the lien by, or defense against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or foreclosure of any part of the Property, or to secure from the holder of the lien an agreement satisfactory to Lender waiving the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attach priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 30 days of the giving of notice.

5. Hazard Insurance. Borrower shall keep the improvements and coating of buildings except on the Property covered against loss by fire, hazards included within the term "extended coverage" and any other hazard for which Lender requires. The insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all amounts of past premiums and renewal notices. In the event of fire, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may take proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance premiums shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not breached. If the restoration or repair is not economically feasible or Lender's security would be breached, the insurance proceeds shall be applied to the sums required by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or dies or moves within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may sue the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not exceed or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 1 of the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. Preservation and Maintenance of Property; Leaseholder. Borrower shall not damage, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is as a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee shall not merge unless Lender agrees to the merger or writing.

7. Protection of Lender's Rights in the Property; Mortgage Insurance. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property such as a proceeding in bankruptcy, probate, re-conveyance or in similar law or regulation, then Lender may do and/or whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, applying it against, paying reasonable attorney fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts collected by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Under Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement on the Note and shall be payable, with interest, upon notice from Lender to Borrower specifying payment.

8. **Lender Required Mortgagee Consent** as a condition of making the loan required by the Security Instrument, Borrower shall pay the premiums required to maintain the insurance in effect until such time as the requirements for the insurance terminate in accordance with Borrower's and Lender's written agreement or applicable law.

9. Repossession. Lender may at any time make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to any inspection specifying the particular cause for the inspection.

10. Condemnation. The proceeds of any award or claim for damages, direct or consequential, or otherwise, are condemnation or other taking of any part of the Property, or for convenience or loss of condominium, are hereby assigned and shall be paid to Lender.

If the event of a total taking of the Property, the proceeds shall be applied to the sums required by the Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, Lender, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, Lender and Borrower otherwise agree in writing the amounts of proceeds to be applied, either in proportion or regard to the Property, or to the sums required by the Security Instrument, for the total amount of the sums required immediately before the taking divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower.

If the Property is alienated by Borrower, or if, after notice by Lender to Borrower that the condominium rights are made or about to become a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either in proportion or regard to the Property, or to the sums required by the Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds, is principal and not contingent upon the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payment.

11. Borrower Not Relieved Furthermore By Lender Not a Waiver. Extension of the time for payment or modification of the amount of the sums required by the Security Instrument granted by Lender is not a waiver of interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest, Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amount of the sums required by the Security Instrument by reason of any extension made by the original Borrower or Borrower's successors in interest. Any further notice by Lender is continuing any right or remedy that may be a successor or substitute for the extension of any right or remedy.

12. Successors and Assigns Except Joint and Several Liability Continues. The continuance and continuation of the Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who changes the name of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest that Borrower's interest in the Property under the terms of this Security Instrument. It is not necessary to amend to give the same required by this Security Instrument, and (c) agrees that Lender and any other Borrower may agree to amend, modify, further or make any accommodations with respect to the terms of this Security Instrument, or the Note without the Borrower's consent.

13. Late Charge. If the sum required by the Security Instrument is subject to a late charge, such late charge is not maximum even though such late charge is not collected or to be collected in connection with the late exceed the permitted limit, then: (a) any such late charge shall be reduced by the amount necessary to reduce the charge to the permitted limit, and (b) any sum already collected from Borrower which exceeded the permitted limit will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

14. Limitation Affecting Lender's Rights. If extinction or expiration of applicable laws has the effect of rendering any provision of the Note or the Security Instrument unenforceable according to its terms, Lender, at its option, may require immediate payment in full of all sums required by this Security Instrument and may invoke any remedies permitted by paragraph 15. If Lender exercises the option, Lender shall take the steps specified in the second paragraph of paragraph 15.

15. Notice. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it to first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's business street address or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

16. Governing Law, Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are deemed to be severable.

17. Borrower's Copy. Borrower shall be given one confirmed copy of the Note and of this Security Instrument unless notice to Borrower provided for in this Security Instrument, Lender shall give Borrower notice of any transfer of a whole or fractional or a beneficial interest in Borrower to another and Borrower is not a natural person without Lender's prior written consent. Lender may, at its option, require immediate payment in full of all amounts required by this Security Instrument. However, the option shall not be exercised by Lender if evidence is furnished by Lender as of the date of this Security Instrument.

18. Lender Exercises this Option. Lender shall give Borrower notice of acceleration. The notice shall provide a period of no less than 30 days from the time the notice is delivered or mailed within which Borrower may pay all sums required by the Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand to Borrower.

19. Borrower's Right to Repossess. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of (a) 30 days or (b) other period as applicable law may specify for non-enforcement before sale of the Property pursuant to any power of sale contained in this Security Instrument or by entry of a judgment enforcing this Security Instrument. These conditions are that Borrower has paid Lender all sums which then remain due under this Security Instrument and that there has not been a violation of the terms of any other covenants or agreements for payment of expenses incurred in enforcing this Security Instrument, including but not limited to reasonable attorney's fees and all other costs assessable to Lender. Lender may reasonably require to ensure that the law of this Security Instrument shall continue unchanged. Upon acceleration by Lender, the Security Instrument and the obligations created thereby shall remain fully effective and in full force and effect until Lender, the right to accelerate shall have again, at the time of acceleration under paragraph 18 or 19.

Non-Competitor Covenants. Borrower and Lender further covenant and agree as follows:

10. Remedies; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument that are prior to acceleration under paragraphs 13 and 17 unless applicable law provides otherwise. The notice shall specify that the default is the action required to cure the default is due, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured and if that failure to cure the default is or before the date specified in the notice may result in acceleration of the term or terms set forth herein and the right to bring a court action to assert the non-existence of a default or any other defense of Borrower to acceleration and sale. If the default is not cured or before the date specified in the notice, Lender is to agree and require immediate payment in full of all sums secured by this Security Instrument without further demand and may invoke the power of sale and any other remedies permitted by applicable law. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 10, including, but not limited to, reasonable attorney's fees and costs of title evidence.

11. Lender Invokes the Power of Sale. Lender shall exercise or cause Trustee to execute a written notice of the non-payment of an event of default and of Lender's election to cause the Property to be sold and shall cause such notice to be recorded in each county in which any part of the Property is located. Lender or Trustee shall give notice of sale by the manner prescribed by applicable law to Borrower and to other persons prescribed by applicable law. After the time required by applicable law, Lender, without demand on Borrower, shall sell the Property at public auction in the location, time and place and under the terms designated in the notice of sale in one or more parcels and in any order, place of any previously scheduled sale. Lender or its designee may purchase the Property at any sale.

Trustee shall deliver to the purchaser Lender's deed conveying the Property without any covenants or warranties, express or implied. The certificate in the Lender's file shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order of total expenses of the sale, including, but not limited to, reasonable Lender's and attorney's fees to all sums secured by this Security Instrument, and to any costs to the person or persons legally entitled thereto.

12. Lender in Possession. Upon acceleration under paragraph 10 or abandonment of the Property, Lender is to possess, be agent or by judicially appointed receiver shall be entitled to enter upon, take possession of and manage the Property and to collect the rents of the Property including those past due. Any rents collected by Lender or its receiver shall be applied first to payment of the costs of management of the Property and collection of rents, including, but not limited to, receiver's fees, premiums on receiver's bonds and reasonable attorney's fees, and then to the sums secured by this Security Instrument.

13. Recouperation. Upon payment of all sums secured by this Security Instrument, Lender shall release Trustee to repossess the Property and shall surrender this Security Instrument and all papers evidencing debt secured by this Security Instrument to Trustee. Trustee shall repossess the Property without warranty and without charge to the person or persons legally entitled thereto. Such person or persons shall pay any recouperation dues.

14. Successor Trustee. Lender may from time to time appoint Trustee and appoint a successor trustee to any Trustee appointed hereunder. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon Trustee hereunder and by applicable law.

15. Use of Property. The Property is not currently used for agricultural, mining or grazing purposes.

16. Attorney's Fees. As used in this Security instrument and in the Note, "attorney's fees" shall include any attorney's fees awarded by an appellate court.

ADJUSTABLE RATE LOAN RIDER

NOTICE: THE SECURITY INSTRUMENT SECURES A NOTE WHICH CONTAINS A PROVISION ALLOWING FOR CHANGES IN THE INTEREST RATE. INCREASES IN THE INTEREST RATE WILL RESULT IN HIGHER PAYMENTS. DECREASES IN THE INTEREST RATE WILL RESULT IN LOWER PAYMENTS.

5231

The Rider is made this ... 10th day of ... August ... 19...47, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Deed to Secure Debt (the "Security Instrument") of the same date given by the Borrower (the "Borrower") to secure Borrower's Note as follows:
ADJUSTABLE RATE LOAN RIDER ADDENDUM
the "Lender" of the same date (the "Note") and covering the property described in the Security Instrument and located at
12... 41, Box 224, Elkhorn Falls, Oregon 97024

Property Address

Borrower, in addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note has an "Initial Interest Rate" of 5.10%. The Note interest rate may be increased or decreased at the 1st day of the month beginning on ... September ... 19...47, and on that day of the month every month thereafter.

Changes in the interest rate are governed by changes in an interest rate index called the "Index". The Index is determined as follows:

- (A) "Contract Interest Rate, Purchase of Previously Occupied Homes, National Average for all Major Types of Lending" published by the Federal Home Loan Bank Board.
(B)

Note: See Addendum Rider for a copy of the Change in the Interest Rate and Change Date from the original Note.

- (C) There is no maximum limit on changes in the interest rate at any Change Date.
(D) The interest rate cannot be changed by more than 1.00 percentage points at any Change Date. If the interest rate changes, the amount of Borrower's monthly payments will change as provided in the Note. Increases in the interest rate will result in higher payments. Decreases in the interest rate will result in lower payments.

B. LOAN CHARGES

It could be that the loan secured by the Security Instrument is subject to a fee which was maximum loan charges and that fee is interpreted so that the interest or other loan charges collected or to be collected in connection with the loan would exceed permitted limits. If this is the case, then (A) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (B) any sum already collected from Borrower which exceed of permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower.

If Lender determines that all or any part of the fees required by this Security Instrument are subject to a fee which has priority over this Security Instrument, Lender may send Borrower a notice identifying that fee. Borrower shall promptly act with regard to the fee as provided in paragraph 4 of the Security Instrument or shall promptly enter an agreement in a form satisfactory to Lender, subordinating that fee to the Security Instrument.

C. PRIOR LEINS

If there is a transfer of the Property subject to paragraph 17 of the Security Instrument, Lender may require an increase in the current Note interest rate, or (B) an increase in (or removal of) the limit on the amount of any one or more loan charge if there is a fourth, or (C) a change in the Base Index figure, or all of these, as a condition of Lender's retaining the option to accelerate provided in paragraph 17.

By signing this, Borrower agrees to all of the above.

Note: I made on the following date adjustments during the life of the term of this note at rates three (3.00) percentage points.
