CHURCH CREDITORS

8422

1. Payment of Principal and Interest, Prepayment and Late Charge. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written order to Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum of Funds, to be used for the payment of all property taxes and assessments which may attach to the Property, if any, and for the payment of mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in escrow in the depository account of which are escrowed or purchased by a Federal or State agency (including Lender) if Lender is such an institution. Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, and Lender shall apply the Funds to pay the escrow items when Lender pays Borrower's interest on the Funds and applicable late periods. Lender may make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds during escrow and Lender to the Funds and the purpose for which each item to the Funds was made. The Funds are pledged as additional security for the sums secured by the Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be at Borrower's option, either promptly repaid to Borrower or credited to Borrower as monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender the amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by the Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph (3) the Property is sold or assigned to Lender, any Funds held by Lender at the time of application as a credit against the sums secured by the Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied first, to late charges due under the Note, second, to prepayment charges due under the Note, third, to amounts payable under paragraph 2 fourth, to interest due, and last, to principal due.

4. Charge Lien. Borrower shall pay all taxes, assessments, charges, fees and impositions attributable to the Property which may attach to the Property, together with the Security Instrument, and Lender shall promptly forward to Lender all such payments. Borrower shall pay them in time to satisfy the person owed payment. Borrower shall promptly forward to Lender all notices of assessment or lien, whether or not the assessment or lien is a lien which may attach to the Property.

Borrower shall promptly discharge any lien which has priority over the Security Instrument unless Borrower agrees in writing to the payment of the obligation secured by the lien as a lien acceptable to Lender. In the event of a lien which the lien is or defense against enforcement of the lien is a lien acceptable to Lender, the lien shall be a lien acceptable to Lender. In the event of a lien which the lien is or defense against enforcement of the lien is a lien acceptable to Lender, the lien shall be a lien acceptable to Lender. In the event of a lien which the lien is or defense against enforcement of the lien is a lien acceptable to Lender, the lien shall be a lien acceptable to Lender.

5. Escrow Insurance. Borrower shall carry the improvements now existing or hereafter erected on the Property against fire, theft and other risks included under the term "extended coverage" and any other risks for which Lender requires insurance. The insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and contracts shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and contracts. If Lender requires, Borrower shall give prompt notice to the insurance company of any change of policy or contract. In the event of loss, Borrower shall give prompt notice to the insurance company. If the insurance company denies the loss or refuses to pay the loss, Lender shall have the right to sue the insurance company. If the insurance company pays the loss, Lender shall have the right to receive the proceeds of the loss. If the insurance company pays the loss, Lender shall have the right to receive the proceeds of the loss.

6. Prepayment and Redemption of Property, Lender's Lien. Borrower shall not be bound by any application of payments to prepayment or principal until the amount of the payments is sufficient to pay the interest on the debt. If the Security Instrument is not a mortgage, the Security Instrument shall be a mortgage. If the Security Instrument is a mortgage, the Security Instrument shall be a mortgage. If the Security Instrument is a mortgage, the Security Instrument shall be a mortgage.

7. Protection of Lender's Rights in the Property, Mortgage Insurance. If Borrower fails to perform the covenants and agreements contained in the Security Instrument, or there is a legal proceeding that may result in the loss of the Property, Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over the Security Instrument, appointing a court, paying reasonable attorneys' fees and costs on the Property or make repairs. Although Lender may take action under this paragraph, Lender does not have to do so.

If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the insurance in effect until such time as the requirement for the mortgage terminates in accordance with Borrower's and Lender's written agreement or applicable law.

8. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

9. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or the consequence in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced to the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnation offers to make or award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, in its option, either as reimbursement or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds as principal shall not extend or postpone the due date of the monthly payments referred to in paragraph 1 and 2 or change the amount of such payments.

10. Borrower Not Released; Furtherance by Lender Not a Waiver. Extension of the time for payment or modification of amount of the sums secured by this Security Instrument granted by Lender to any successor or assignee of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amount of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any furtherance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

11. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note (a) is co-signing this Security Instrument only as mortgagee, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument, (b) is not personally obligated to pay the sums secured by this Security Instrument, and (c) agrees that Lender and any other Borrower may agree to extend, modify, increase or make any accommodations with respect to the terms of this Security Instrument or the Note without the consent of Borrower.

12. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit, and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a check payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

13. Remedies Affecting Lender's Rights. If enforcement or execution of applicable law has the effect of rendering any provision of the Note or this Security Instrument unenforceable according to its terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may waive any remedies permitted by paragraph 14. If Lender exercises this option, Lender shall take the steps specified in the several paragraphs of paragraph 21.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires one of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice permitted for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision in clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To that end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one unaltered copy of the Note and of this Security Instrument.

17. Release of the Property or a Beneficial Interest to Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred) and Borrower is not a natural person, without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law or by the law of the State of the Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed, within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay those sums prior to the expiration of this period, Lender may enforce any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Rescind. If Borrower meets certain conditions, Borrower shall have the right to have termination of this Security Instrument discontinued at any time prior to the earlier of (a) 90 days or such other period as applicable law may specify for reinstatement before sale of the Property pursuant to any power of sale contained in this Security Instrument, or (b) entry of a judgment enforcing this Security Instrument. These conditions are that Borrower (a) pay Lender all sums which then would be due under this Security Instrument and the Note had no acceleration occurred, (b) cure any default of any other covenants or agreements, (c) pay all expenses incurred in enforcing this Security Instrument, including but not limited to, reasonable attorney's fees, and (d) take such action as Lender may reasonably require to assure that the law of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to rescind shall not apply in the case of acceleration under paragraphs 13 or 17.

Notwithstanding to the contrary, Borrower and Lender further covenant and agree as follows:

19. **Acceleration; Remedies.** Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument that may give to acceleration under paragraphs 13 and 17 unless applicable law provides otherwise. The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the loan secured by this Security Instrument and sale of the Property. The notice shall further advise Borrower of the right to initiate after acceleration and the right to bring a court action to assert the non-existence of a default or any other defense of Borrower to acceleration and sale. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may exercise the power of sale and any other remedies permitted by applicable law. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 19, including, but not limited to, reasonable attorney's fees and costs of title evidence.

If Lender invokes the power of sale, Lender shall cause or cause Trustee to execute a written notice of the occurrence of an event of default and of Lender's election to cause the Property to be sold and shall cause such notice to be recorded in such county in which any part of the Property is located. Lender or Trustee shall give notice of sale in the manner prescribed by applicable law to Borrower and to other persons prescribed by applicable law. After the time required by applicable law, Trustee, without demand on Borrower, shall sell the Property at public auction to the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order Trustee determines. Trustee may postpone sale of all or any parcel of the Property by public announcement at the time and place of any previously scheduled sale. Lender or its designee may purchase the Property at any sale.

Trustee shall deliver to the purchaser Trustee's deed conveying the Property without any covenant or warranty, expressed or implied. The records in the Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable Trustee's and attorney's fees; (b) to all sums secured by this Security Instrument; and (c) any excess to the person or persons legally entitled to it.

20. **Lender in Possession.** Upon acceleration under paragraph 19 or abandonment of the Property, Lender or person, by agent or by judicially appointed receiver shall be entitled to enter upon, take possession of and manage the Property and to collect the rents of the Property including those past due. Any rents collected by Lender or the receiver shall be applied first to payment of the costs of management of the Property and collection of rents, including, but not limited to, receiver's fees, premiums on receiver's bonds and reasonable attorney's fees, and then to the sums secured by this Security Instrument.

21. **Remedies.** Upon payment of all sums secured by this Security Instrument, Lender shall request Trustee to remove the Property and shall surrender this Security Instrument and all sums outstanding then secured by this Security Instrument to Trustee. Trustee shall remove the Property without warranty and without change in the person or persons legally entitled to it. Such person or persons shall pay any reasonable costs.

22. **Substitute Trustee.** Lender may from time to time remove Trustee and appoint a successor trustee to any Trustee appointed hereunder. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon Trustee herein and by applicable law.

23. **Use of Property.** The Property is not currently used for agricultural, timber or grazing purposes.

24. **Attorney's Fees.** As used in this Security Instrument and in the Note, "attorney's fees" shall include any attorney's fees awarded by an appellate court.

25. **References to this Security Instrument.** If one or more notes are executed by Borrower and recorded together with this Security Instrument, the covenants and agreements of each such note shall be incorporated into and shall amend and supplement the covenants and agreements of this Security Instrument as if the related note were a part of this Security Instrument.
