1. The first step in the process is to identify the problem or issue that needs to be addressed. This involves gathering information and understanding the context of the problem.

A black and white photograph of a document page. A prominent diagonal line, possibly a fold or a tear, runs from the top left towards the bottom right. The page contains several lines of text, which are mostly illegible due to the low contrast and the angle of the line. The text appears to be arranged in a list or a series of entries.
