2. **Payment of Principal and Interest, Prepayment and Life Charges.** Borrower shall promptly pay when due the principal and interest on the debt evidenced by the Note and any payment and late charges due under the Note to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum of "Twenty" equal to one-twelfth of the yearly cost and amount which may accrue on the Property, if any, the yearly interest premium, the yearly mortgage insurance premium, if any. These sums are called "monthly payments." Lender may estimate the Funds due in the case of interest, late and insurance estimates of future sums.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a Federal or State agency including Lender if Lender is such an institution. Lender shall apply the Funds to pay the sums then due. Lender may not charge for holding and applying the Funds, including the account or writing the sums then due. Lender may apply the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower without charge an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged in addition to security for the sums secured by the Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due date of the sums then due, shall exceed the amount required to pay the sums then due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower as monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the sums then due, Borrower shall pay to Lender an amount necessary to make up the deficiency so that no payments are outstanding by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly return to Borrower any Funds held by Lender. If under paragraph 11 the Property is sold or assigned by Lender, Lender shall return, as soon as practicable, any Funds held by Lender to the sale of the Property or its assignment by Lender, any Funds held by Lender at the time of acquisition as a credit against the sums secured by this Security Instrument.

3. **Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied first, to late charges due under the Note, second, to prepayment charges due under the Note, third, to amounts payable under paragraph 2, fourth, to interest due, and last, to principal due.

4. **Charge Lien.** Borrower shall pay all taxes, assessments, charges, fines and expenses attributable to the Property which may accrue prior to the Security Instrument, and installment payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 1, or if not paid in that manner, Borrower shall pay them or their benefits to the person owed payment. Borrower shall promptly furnish to Lender all records of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender. If Borrower is in good faith the lien is, or defects against enforcement of the lien is, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or enforcement of any part of the Property, or (c) accrues from the holder of the lien as a result of the Property is subject to a lien which may attach priority over this Security Instrument. If Lender determines that any part of the lien is defective, Lender shall satisfy the lien or take one or more of the actions as forth above within 30 days of the date of notice.

5. **Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, lightning, theft and other "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and contracts shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and contracts. If Lender requires, Borrower shall promptly give to Lender all records of past premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lowered. If the restoration or repair is not economically feasible or Lender's security would be lowered, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any sums paid to Borrower. If Borrower abandons the Property, or does not repair within 30 days a notice from Lender that the insurance carrier has agreed to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 11 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from loss damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. **Preservation and Maintenance of Property Landscaping.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or become waste. If this Security Instrument is on a "leasehold," Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

7. **Protection of Lender's Rights in the Property, Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there are legal proceedings that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appointing a court-appointed receiver, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph, Lender does not have a lien.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree in writing, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the insurance in effect until such time as the termination of the mortgage terminates its relationship with Borrower's and Lender's written agreement or applicable law.

8. Inspection. Lender or its agent may make reasonable entries upon and inspection of the Property. Lender shall give Borrower notice at the time of or prior to any inspection specifying reasonable cause for the inspection.

9. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conversion or loss of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the abandonment often to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either in redemption or repair of the Property or in the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds in principal shall not constitute prepayment of the due date of the monthly payments referred to in paragraphs 1 and 2, or change the amount of such payments. **10. Borrower Not Released, Forfeiture of Lien and Waiver.** Payment of the sums for payment or satisfaction of satisfaction of the sums secured by this Security Instrument granted by Lender to any successor or interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify satisfaction of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver or preclude the exercise of any right or remedy.

11. Successors and Assigns Bound, Joint and Several Liability, Co-obligors. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who assigns this Security Instrument to another person or entity, or who assigns the Note, shall be assigning this Security Instrument with its mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument. It is not personally obligated to pay the sums secured by this Security Instrument, and its assigns and Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with respect to the terms of this Security Instrument or the Note without the Borrower's consent.

12. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then (a) any such loan charges shall be reduced by the amount necessary to reduce the charge to the permitted limit, and (b) any sums already collected from Borrower which exceeded the permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

13. Legislation Affecting Lender's Rights. If enactment or expiration of applicable law has the effect of rendering any provision of the Note or this Security Instrument unenforceable according to its terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument, and may enforce any remedies permitted by paragraph 14. If Lender exercises this option, Lender shall take the steps specified in the second paragraph of paragraph 14.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given to the first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law, Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one confirmed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any person without Lender's prior written consent, Lender says, at its option, require immediate payment in full of all sums secured by this Security Instrument. If payment this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay those sums prior to the expiration of this period, Lender may make any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Redemption. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of (a) 3 days after each payment on applicable law may specify for nonrecourse loans or (b) the date of the Property pursuant to any power of sale contained in this Security Instrument, or the entry of a judgment enforcing this Security Instrument. These conditions are that Borrower (a) pays Lender all sums which they would be due under this Security Instrument and the Note had no acceleration occurred, (b) cures any default of any other covenants or agreements, (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees, and (d) does not action as Lender may reasonably require to secure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon continuation by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to redemption shall not apply in the case of acceleration under paragraphs 13 or 17.

With Certain Covenants, Conditions and Provisions further amended and agreed as follows.

8883

18. **Acceleration; Remedies.** Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument that not prior to acceleration under paragraph 13 and 17 unless applicable law provides otherwise. The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured and if the failure to cure the default on or before the date specified in the notice may result in acceleration of the loan secured by this Security Instrument and sale of the Property. The notice shall further inform Borrower of the right to redeem after acceleration and the right to bring a court action to assert the non-existence of a default or any other defense of Borrower to acceleration and sale. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may exercise the power of sale and any other remedies permitted by applicable law. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 18, including, but not limited to, reasonable attorney's fees and costs of title evidence.

If Lender invokes the power of sale, Lender shall exercise or cause Lender to exercise a written notice of the acceleration of an event of default and of Lender's election to exercise the Property to be sold and shall cause such notice to be recorded in each county in which any part of the Property is located. Lender or Trustee shall give notice of sale in the manner prescribed by applicable law to Borrower and to other persons prescribed by applicable law. After the time required by applicable law, Lender, without demand on Borrower, shall sell the Property at public auction to the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order Lender determines. Lender may postpone sale of either any parcel of the Property by public advertisement at the time and place of any previously scheduled sale. Lender or its designee may purchase the Property at any sale.

Lender shall deliver to the purchaser the deed conveying the Property without any covenant or warranty, expressed or implied. The proceeds of the sale shall be paid to the lender in full satisfaction of the debt and the obligations secured by this Security Instrument. Lender shall apply the proceeds of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable attorney's fees and charges; (b) to all sums secured by this Security Instrument, and to any sums due to the person or persons legally entitled to it.

19. **Lender or Possession.** Upon acceleration under paragraph 18 or acceleration of the Property, Lender (or person, by agent or by judicially appointed receiver) shall be entitled to enter upon, take possession of and manage the Property and to collect the rents of the Property including those past due. Any rents collected by Lender or the receiver shall be applied first to payment of the costs of management of the Property and collection of rents, including, but not limited to, reasonable attorney's fees, premiums on receiver's bonds and reasonable attorney's fees, and then to the sums secured by this Security Instrument.

20. **Reimbursement.** Upon payment of all sums secured by this Security Instrument, Lender shall request Trustee to reimburse the Property and shall surrender this Security Instrument and all notes evidencing debt secured by this Security Instrument to Trustee. Trustee shall reimburse the Property without interest and without charge to the person or persons legally entitled to it; such person or persons shall pay any acceleration costs.
