## **DEFINITIONS**

**1. Payment of Principal and Interest, Premium and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the amounts advanced by the Lender under this Agreement and for charges due under the Note.

**2. Payment Dates and Advances.** Subject to paragraph 10 of this Agreement, Lender Borrower shall pay to Lender on the day monthly payments are due under the Note and the Note is paid in full, a sum ("Funds") equal to the credit of all yearly rents and income which may accrue prior to the Security Instrument, all yearly landlord payments or ground rents on the Property, if any, all yearly tenant insurance premiums and all yearly insurance maintenance payments, if any. These rents are called "income rents." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future rents.

The Funds shall be held in escrow until the deposit or amounts of which are received or paid over by a holder or other agency facilitating Lender's or Lender's cash disbursement. Lender shall apply the Funds to pay the income rents. Lender may not charge for holding and applying the Funds, implying the amount or verifying the income rents unless Lender pays thereon interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that amounts shall be paid on the Funds. Unless so agreed a month or applicable law requires amounts to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the property for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by the Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable after the due date of the income rents, shall exceed the amounts required to pay the income rents when due, the excess shall be at Borrower's option, either promptly repaid by Borrower or credited to Borrower as monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the income rents when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in the amount payable as required by Lender.

Upon payment in full of all sums required by the Security Instrument, Lender shall promptly return to Borrower any Funds held by Lender. If under paragraph 10 the Property is sold or repossessed by Lender, Lender shall apply no less than immediately prior to the sale of the Property or its repossessions by Lender, any Funds held by Lender at the time of application as credits against the sums required by the Security Instrument.

**3. Application of Payments.** Unless applicable by statute, otherwise all payments received by Lender under paragraphs 1 and 2 shall be applied first, in late charges due under the Note, second, in prepayments due under the Note, third, to amounts payable under paragraph 2, fourth, in interest due and due thereafter in general due.

**4. Charge Lien.** Borrower shall pay all taxes, assessments, charges, fees and impositions applicable to the Property which may accrue prior to the Security Instrument, and landlord payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 10 of this note. Borrower shall pay them or have them directly to the same owed payment. Borrower shall promptly forward to Lender all records of amounts to be paid under the paragraph. If Borrower makes these payments directly, Borrower shall promptly forward to Lender evidence of the payment.

Borrower shall promptly discharge any liens which may exist over the Security Instrument unless Borrower has agreed in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender. In addition, if paid upon or settled in the payment of the obligation secured by the lien in a manner acceptable to Lender, to commence a proceeding to settle the lien by, or defend against enforcement of the lien in legal proceedings which is the Lender's option, Lender to prevent the enforcement of the lien or foreclosure of any part of the Property or to remove from the holder of the lien as agent and beneficiary to Lender, subordinating the lien to the Security Instrument. If Lender determines that any part of the Property is subject to a lien which may accrue prior to the Security Instrument, Lender may give Borrower a written notice of the lien. Borrower shall satisfy the lien or take care of the same as soon as practicable within 30 days of the giving of notice.

**5. Insurance Premiums.** Borrower shall keep the insurance policies covering the Property covered in the Property insured against loss by fire, flood and theft within the term "standard coverage" and any other insurants for which Lender requires. This insurance shall be maintained on the same and for the period that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and amounts shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to bind the policies and amounts. All liability resulting therefrom shall promptly give to Lender a copy of each insurance and related policies. In the event of fire, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make good of losses and costs provided by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance premiums shall be applied to restoration or repair of the Property if and if the restoration or repair is substantially similar and Lender's security is not lowered. If the restoration or repair is not substantially similar or Lender's security would be lowered, the insurance premiums shall be applied to the same accrued by the Security Instrument, whether or not they due, with any excess paid to Borrower. If Borrower revalues the Property, or does not do so within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may reduce the insurance premiums. Lender may use the proceeds to repair or restore the Property, or to pay sums accrued by the Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds or premium shall not exceed or postpone the due date of the monthly payment referred to in paragraphs 1 and 2 or charge the amount of the premium. If applicable paragraph 10 the Property is acquired by Lender, Borrower's right to any insurance policies and amounts resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by the Security Instrument remaining at the time of the acquisition.

**6. Powers, Rights and Maintenance of Property; Lender's Right.** Borrower shall not damage, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If the Security Instrument is or is breached, Borrower shall comply with the provisions of the lease and of Borrower's options for title to the Property, the fixtures and fittings and other property. Lender agrees to the changes in writing.

**7. Protection of Lender's Rights in the Property; Maintenance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there are legal proceedings that may significantly affect Lender's rights in the Property, such as a proceeding in bankruptcy, collapse, or commencement of an action for injunction, then Lender may demand and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's expenses thus include paying any sums accrued by a fact which has greater than the Security Instrument, requiring to cover, paying attorney's attorneys' fees and restoring the Property to their rights. Unless Lender may otherwise order this paragraph 7, Lender does not have to do so.

Any expenses paid by Lender under this paragraph 7, shall become additional debt of Borrower secured by the Security Instrument. Unless Borrower and Lender agree on the terms of payment, these amounts shall bear interest from the date of the occurrence of the Note and shall be payable with interest, upon notice from Lender or Lender's representative.

If Lender requires mortgage insurance as a condition of making the loan secured by the Security Instrument, Borrower shall pay the premiums required to maintain the insurance in effect until such time as the requirements for the insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

**8. Inspection.** Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower advance notice of or prior written inspection specifying reasonable cause for the inspection.

**9. Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for compensation in lieu of condemnation, are hereby assigned to and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sum secured by the Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, under Borrower and Lender otherwise agree in writing, the sum secured by the Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sum secured immediately before the taking divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or write a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender's assignment in clause 9 above, shall apply, except to condemnation or other taking of the Property, or to the sum secured by the Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds in paragraph 9(a) or clause 9(b) above to the reduction of the sum secured reflected in the paragraphs 1 and 2 or change the amount of such payment.

**10. Borrower Not Required to Participate By Lender Not a Holder.** Extension of the time for payment or modification of amounts due of the sum secured by this Security Instrument granted by Lender to any assignee or trustee of Borrower shall not operate to impair the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amounts due of the sum secured by this Security Instrument by reason of any default made by the original Borrower or Borrower's successors in interest. Any extension by Lender in extending any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

**11. Successors and Assigns; Power, Agent and General Litigation Consignment.** The covenants and agreements of the Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower subject to the provisions of paragraph 12. **12. Lien Changes.** If the loan secured by the Security Instrument is subject to a law which has requirement for charges, and that law is fairly interpreted so that the interest or other lien charges collected or to be collected in connection with the loan exceed the permitted limit, then (a) any such lien charge shall be reduced to the amount necessary to reduce the charge to the permitted limit and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by reducing the unpaid principal on the Note. If a refund reduces principal, the reduction will be treated as a partial prepayment without any premium or interest under the Note.

**13. Liquidation Affecting Lender's Rights.** If enforcement or expiration of applicable law has the effect of rendering any provision of the Note or the Security Instrument unenforceable according to its terms, Lender, at its option, may collect and sue for payment in full of all sums secured by the Security Instrument and may recover any remedies provided by paragraph 14. If Lender exercises this option, Lender shall take the steps provided in the second paragraph of paragraph 14.

**16. Borrower's Copy.** Borrower shall be given one confirmed copy of the Note and of this Security Instrument.

**17. Transfer of the Property or a Beneficial Interest in Borrower.** If all or any part of the Property or any interest in the same is transferred to a beneficial interest in Borrower or sold or transferred and Borrower is not a natural person within Lender's reasonable control, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if either a prohibited by federal law or if the day of this Security Instrument.

If Lender elects this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed when which Borrower must pay all sums secured by the Security Instrument. If Borrower fails to do so within this period prior to the expiration of this period, Lender may invoke any remedies permitted by the Security Instrument without further notice or demand on Borrower.

Borrower's Right to Remedy.** If Borrower makes certain conditions, Borrower shall have the right to have enforcement of this Security Instrument commenced at any time prior to the earlier of (a) 5 days for such other period as applicable law may specify for commencement) before sale of the Property pursuant to any process of sale conducted in the Security Instrument, or the entry of a judgment enforcing the Security Instrument.
