Deed of Trust, Mortgage, and Security Instrument

1. Payment of Principal and Interest, Prepayment and Loan Charges. Borrower shall promptly pay when due the principal and interest on the debt evidenced by the Note and any prepayment and loan charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments (or due under the Note until the Note is paid in full, a sum ("Funds") equal to one-twelfth of the yearly taxes and assessments which may attach to the Property, plus the yearly mortgage insurance premiums, if any. These items are called "taxes and assessments." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future taxes and assessments.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the taxes and assessments. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the taxes and assessments. Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due date of the taxes and assessments, shall exceed the amount required to pay the taxes and assessments when due, the excess shall be at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the taxes and assessments when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 2 of the Property is sold or acquired by Lender, Lender shall apply, in full, the amount immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application of a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied first, to the charges due under the Note, second, to prepayment charges due under the Note, third, to amounts payable under paragraph 2, fourth, to interest due, and last, to principal due.

4. Charges Lien. Borrower shall pay all taxes, assessments, charges, fees and disbursements attributable to the Property which may attach to the Security Instrument, and installment payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2 or if not paid in that manner, Borrower shall pay them as they come due in the person's own payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over the Security Instrument unless Borrower (a) agrees in writing to the payment of the obligations secured by the lien as a matter acceptable to Lender, (b) contests in good faith the lien by, or defends against enforcement of the lien, (c) legal proceedings which in the Lender's opinion operate to protect the enforcement of the lien or (d) in the case of any part of the Property, or (e) in the case of the lien as a lien on the Property is subject to a lien which may attach to the Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attach to the Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or release or remove the lien or both, within 30 days of the giving of notice.

5. Hazard Insurance. Borrower shall keep the improvements now existing on the Property covered by fire, theft and other risks included within the term "extended coverage" and any other terms for which Lender requires insurance. The insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and receipts shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and receipts. If Lender requires, Borrower shall promptly give to Lender all receipts of past premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, mortgage proceeds shall be applied to restoration or repair of the Property damaged. If the restoration or repair is economically feasible and Lender's security is not lowered, if the restoration or repair is not economically feasible or Lender's security would be lowered, the mortgage proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not repair within 30 days a notice from Lender that the mortgage carrier has refused to make a claim, then Lender may collect the mortgage proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 5 of the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. Preservation and Maintenance of Property, Landscaping. Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or become waste. If the Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees in the manner in writing.

7. Protection of Lender's Rights in the Property, Mortgage Insurance. If Borrower fails to perform the covenants and agreements contained in this Security Instrument or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding to bankruptcy, probate, for condemnation or to enforce lien or regulations), then Lender may demand and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appointing a clerk, paying reasonable attorney's fees and costs on the Property or make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other means of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

If Lender requires mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the insurance in effect until such time as the requirement for the insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

8. Inspections. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

9. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property or for inconvenience in loss of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced to the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the abandonment offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

10. Borrower's Non-Release; Forfeiture by Lender Not a Waiver. Extension of the time for payment or modification of acceleration of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify acceleration of the sums secured by this Security Instrument in response to any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right it retains shall not be a waiver of or preclude the exercise of any right or remedy.

11. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 12. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument, is a not personally obligated to pay the sums secured by this Security Instrument, and his or her signature that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with respect to the terms of this Security Instrument, or the Note without the Borrower's consent.

12. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then (a) any such loan charge shall be reduced to the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

13. Legislative Affecting Lender's Rights. If enactment or operation of applicable law has the effect of rendering any provision of the Note or this Security Instrument unenforceable according to its terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may make any remedies permitted by paragraph 14. If Lender exercises this option, Lender shall take the steps specified in the second paragraph of paragraph 17.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail, return applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Jurisdiction. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. In this case the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one additional copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Partial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred or if a partial interest in Borrower is sold or transferred and Borrower is not a natural person without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law or the laws of the state of the Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay those sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstatement. If Borrower cures certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of the 1-year for each other period as applicable law may specify for reinstatement; before sale of the Property pursuant to any power of sale contained in this Security Instrument; or the entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower (a) pays Lender all sums which then would be due under this Security Instrument and the Note had no acceleration occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to ensure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall remain unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstatement shall not apply in the case of acceleration under paragraph 13 or 17.

Notwithstanding to whomsoever Borrower and Lender further agreement and agree as follows:

18. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument that not prior to acceleration under paragraphs 13 and 14 unless applicable law provides otherwise. The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the entire indebtedness under this Security Instrument and sale of the Property. The notice shall further inform Borrower of the right to defense of Borrower to acceleration and sale of the Property. If the default is not cured on or before the date specified in the notice, Lender at its option may request immediate payment in full of all sums secured by this Security Instrument without further demand and may invoke the power of sale and any other remedies permitted by applicable law. Lender shall be entitled to recover all expenses incurred in pursuing the remedies provided in this paragraph 18, including, but not limited to, reasonable attorneys' fees and costs of this instrument.

If Lender invokes the power of sale, Lender shall exercise or cause Trustee to exercise a written notice of the acceleration of an event of default and of Lender's election to exercise the Property as to be used and shall cause such notice to be recorded in each county in which any part of the Property is located. Lender or Trustee shall give notice of sale in the manner prescribed by applicable law to Borrower and to other persons prescribed by applicable law. After the time required by applicable law, Lender, without demand on Borrower, shall sell the Property at public auction in the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order of any previously subdivided lots. Lender or its designee may purchase the Property at any sale. Lender shall deliver to the purchaser Lender's deed conveying the Property without any covenant or warranty, expressed or implied. The parties to this Trustee's deed shall be deemed to have accepted the deed and the deed shall be deemed to be the deed of the Trustee. Lender shall apply the proceeds of the sale to the following order, not in all expenses of the sale, including, but not limited to, reasonable attorneys' fees and costs of this instrument, and to all sums secured by this Security Instrument, and to any costs in the process or process legally entitled to it.

19. Lender in Possession. Upon acceleration under paragraph 13 or abandonment of the Property, Lender (in person, by agent or by judicially appointed receiver) shall be entitled to enter upon, take possession of and manage the Property and to collect the rents of the Property including those part due, any rents collected by Lender or the receiver shall be applied first to payment of the costs of management of the Property and collection of rents, including, but not limited to, receiver's fees, premiums on receiver's bonds and reasonable attorneys' fees, and then to the sums secured by this Security Instrument.

Upon payment of all sums secured by this Security Instrument, Lender shall execute Trustee's deed conveying the Property and shall surrender this Security Instrument and all notes evidencing debt secured by this Security Instrument to Trustee. Trustee shall convey the Property without warranty and without charge to the person or persons legally entitled to it. Such person or persons shall pay any reasonable costs.
