9. Condominium. The proceeds of any event or claim for damage, theft or consequential or consequential, in connection with any condemnation or other taking of any part of the Property, or the consequence in fact of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied in the same manner by the Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by the Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the same secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the abandonment offers to make or award or settle a claim for damage, Borrower fails to request in writing to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds as an agent, either as insurance or agent of the Property or to the same secured by the Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds in principal shall not exceed to purchase the fair value of the monthly payments referred to in paragraph 1 and 2, or change the amount of such payments. Modification of amortization of the sums secured by Lender Not a Waiver. Extension of the time for payment in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument in respect of any default made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

Any Borrower who signs this Security Instrument but does not execute the Note shall be co-obligating this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument. It is not permitted to modify the sums secured by this Security Instrument, and it is agreed that Lender and any other Borrower shall agree to modify, further or make any accommodations with respect to the terms of this Security Instrument or the Note without the Borrower's consent.

12. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then (a) any such loan charges shall be reduced to the amount necessary to reduce the charges to the permitted limit, and (b) any sums already collected from Borrower which exceeded the permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

13. Legislation Affecting Lender's Rights. If enactment or operation of applicable law has the effect of rendering any provision of the Note or this Security Instrument unenforceable according to its terms, Lender or its agent may require immediate payment in full of all sums secured by the Security Instrument and may exercise any remedies permitted by paragraph 14. If Lender exercises this option, Lender shall take the steps specified in the second paragraph of paragraph 14.

14. Notices. Any notice to Borrower provided for in the Security Instrument shall be given by delivering it in person to the first class and unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. In the event that any provision in this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one confirmed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Thereof. If all or any part of the Property or any interest in it is sold or transferred for a beneficial interest to Borrower or sold or transferred and Borrower is not a natural person, without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law or by the terms of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay those sums prior to the expiration of this period, Lender may exercise any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Redeem. If Borrower makes certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of (a) 1 year after such notice is given, or (b) the date of a judgment enforcing this Security Instrument. These conditions are that Borrower shall pay Lender all sums which then would be due under this Security Instrument and the Note and all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees, and (c) the sums then due under this Security Instrument, together with the sums secured by this Security Instrument, Lender's rights in the Property and Borrower's obligations to pay the sums secured by this Security Instrument, shall be assigned to Lender. Upon assignment by Borrower, the Security Instrument and the obligations secured hereby shall become fully enforceable as if no acceleration had occurred. Moreover, through assignment shall not apply in the case of acceleration under paragraph 17 or 18.

18. Acceleration, Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's non-compliance with any obligation under the Security Instrument. The notice shall specify the date by which the action required to cure the default must be taken, and the date by which the action is to be taken. 19. Lender's Remedies. Lender or Trustee shall give notice of sale in the manner prescribed by applicable law to Borrower and to other persons prescribed by applicable law. After the date required by applicable law, Lender, without demand on Borrower, shall sell the Property at public auction to the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and in any other place of any previously established sale. Lender or its designee may purchase the Property at any sale.

Trustee shall reconvey the Property without warranty and without charge to the person or persons legally entitled to such person or persons shall pay any reconveyance costs.

22. Subsequent Transfer. Lender may from time to time receive Trustee and appoint a successor trustee in any Trustee appointed hereunder. Without assignment of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon Trustee herein and by applicable law.
