The date evidenced by Borrower's note dated the same date as this Security Instrument ("Note") which provides for monthly payments with the first note of ten and earlier due and payable on June 5, 1984. The Security Instrument creates: (i) Lender's right to repayment of the debt evidenced by the Note, with interest, and all accrued, increases and modifications; (ii) the payment of all other sums with interest advanced under paragraph 1 in respect of the security of the Security Instrument; and (iii) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. which has the address of 1610 Highway Bridge, Crescent Falls, Oregon 97021 ("Property Address").

Excluded from all the improvements are or hereafter created on the property, and all improvements, rights, appurtenances, rents, royalties, mineral oil and gas rights and profits, water rights and stock and all fixtures now or hereafter a part of the property. All improvements and additions shall also be covered by the Security Instrument. All of the foregoing is referred to as the Security Instrument as the "Property".

Borrower certifies that Borrower is lawfully vested of the estate heretofore conveyed and has the right to grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

This Security Instrument constitutes uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering this property.

Borrower Covenants. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.
2. Funds for Taxes and Insurance. Subject to applicable laws or the written waiver by Lender, Borrower shall pay to Lender or the day monthly payments are due under the Note until the Note is paid in full, a sum ("Funds") equal to one-twelfth of all yearly taxes and assessments which may then prevail over the Security Instrument, the yearly landlord payments or ground rents on the Property, if any, all yearly hazard insurance premiums, and all yearly mortgage insurance premiums, if any. These items are called "extra items." Lender may estimate the Funds due at the time of current taxes and reasonable estimates of future extra items.

The Funds shall be held in an escrow account the deposits of amounts of which are insured or guaranteed by a federal or state agency (including Lender or Lender's such an institution). Lender shall apply the Funds to pay the extra items. Lender may not charge for holding and applying the Funds, retaining the amount or verifying the extra items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to charge such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made by applicable law requiring interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds covering credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by the Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds, payable prior to the due date of the extra items, shall exceed the amount required to pay the extra items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the extra items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in due or timely payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly return to Borrower any Funds held by Lender. If under paragraph 4 of the Property is sold or acquired by Lender, Lender shall apply to Lender immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied first to late charges due under the Note, second, to prepayment charges due under the Note, third, to amounts payable under paragraph 2 fourth, to interest due and last, to principal due.

4. Charge Liens. Borrower shall pay all taxes, assessments, charges, fees and impositions attributable to the Property which may affect priority over the Security Instrument, and landlord payments or ground rents, if any. Borrower shall pay these obligations at the times provided in paragraph 2 or if not paid in due manner, Borrower shall pay them at time directly to the person owed payment. Borrower shall promptly furnish to Lender all amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any liens which has priority over this Security Instrument unless Borrower has agreed in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender, to Lender's good faith the lien by, or defers against enforcement of the lien in, legal proceedings which at the Lender's option relate to payment the enforcement of the lien or forfeiture of any part of the Property, or (c) waives from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which has greater priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take the cure of the actuary as forth above within 30 days of the giving of notice.

5. Extended Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazard for which Lender requires insurance. The insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval, which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to build the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of past premiums and renewal notices in the event of loss. Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance premiums shall be applied to restoration or repair of the Property damaged. If the restoration or repair is commercially feasible and Lender's security is not foreclosed, if the restoration or repair is not commercially feasible or Lender's security would be foreclosed, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has failed to settle a claim, then Lender may collect the insurance proceeds. Lender may sue the proceeds in respect of damage the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds in principal shall be a credit or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments, if under paragraph 4 the Property is acquired by Lender, Borrower's right to new insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender in the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. Preservation and Maintenance of Property; Landlords. Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the lessees and fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property Mortgagee. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property such as a garnishment or bankruptcy, foreclosure, or condemnation or an inferior lease is repossessed, then Lender may demand pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, applying it credit, paying reasonable attorney fees and expenses on the Property to make repairs. Although Lender may take action under this paragraph, Lender does not have to do so.

Any amounts demanded by Lender under this paragraph 7 shall become additional debt of Borrower secured by the Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement of the Note and shall be payable with interest, upon notice from Lender to Borrower requesting payment.

If Lender requires mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the insurance in effect until such time as the requirement for the insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

11. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

12. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower.

If the Property is condemned by Borrower, or if, after notice by Lender to Borrower that the condemnor will refuse to make or refuse to settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either in condemnation or repair of the Property, or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not exceed or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

13. Borrower Not Relieved Furthermore By Lender Not A Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor or trustee of Borrower shall not operate to reduce the liability of the original Borrower or Borrower's successors or trustees. Lender shall not be required to commence proceedings against any successor or trustee or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any transfer made by the original Borrower or Borrower's successors or trustees. Any limitation by Lender in curtailing any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

14. Successors and Assigns Same Joint and Several Liability Or Agreements. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the proviso of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who signs this Security Instrument but does not execute the Note, if he is co-signing this Security Instrument only as mortgagee, grant and交代s his Borrower's interest in the Property under the terms of this Security Instrument, (b) is not personally obligated to pay the sums secured by this Security Instrument, and (c) agrees that Lender and any other Borrower may agree to extend, modify, forgive or make any accommodations with regard to the terms of this Security Instrument or the Note without the Borrower's consent.

15. Late Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum late charges, and that law is finally interpreted so that the interest or other late charges collected or to be collected in connection with the loan exceed the permitted limits, then (a) any such late charge shall be reduced by the amount necessary to reduce the charge to the permitted limit, and (b) any sums already collected from Borrower which exceed permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

16. Legalization Affecting Lender's Rights. If enforcement or execution of applicable law has the effect of rendering any provision of the Note or this Security Instrument unenforceable according to its terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies permitted by paragraph 14. If Lender exercises this option, Lender shall take the steps specified at the second paragraph of paragraph 14.

17. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it to the place and unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given to the place and to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided at the paragraph.

18. Governing Law, Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

19. Borrower's Copy. Borrower shall be given one confirmed copy of the Note and of this Security Instrument.

20. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred or if a beneficial interest in Borrower is sold or transferred to any natural person without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by the Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by the Security Instrument. If Borrower fails to pay these sums prior to the expiration of the period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

21. Borrower's Right to Remedy. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of (a) 30 days or such other period as applicable law may specify for non-enforcement before sale of the Property pursuant to any power of sale contained in the Security Instrument, or (b) entry of a judgment enforcing this Security Instrument. These conditions are that Borrower (i) pay Lender all sums which they would be due under the Security Instrument and the Note had no acceleration occurred, (ii) cure any default of any other covenants or agreements, (iii) pay all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorney's fees, and (iv) take such action as Lender may reasonably require to ensure that the law of the Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by the Security Instrument shall continue unchanged. Upon non-enforcement by Borrower, the Security Instrument and the obligations secured thereby shall remain fully effective as if no acceleration had occurred. However, this right to remedy shall not apply in the case of acceleration under paragraphs 14 or 17.

NON-UNIFORM COMMERCIAL CODE: Borrower and Lender further covenant and agree as follows:

12. Acceleration. Lender shall give notice to Borrower prior to acceleration following the breach of any covenant or agreement in this Security Instrument that are prior to acceleration under paragraphs 13 and 17 unless applicable law provides otherwise. The notice shall specify all the defects for which the notice is given to cure the defects within 30 days from the date the notice is given to Borrower, by which the defects must be cured, and 10 days before the date the notice may result in acceleration of the sums secured by this Security Instrument and sale of the Property. The notice shall further inform Borrower of the right to accelerate after acceleration and the right to bring a court action to assert the non-existence of a default or any other defense of Borrower to acceleration and sale. If the default is not cured in or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may invoke the power of sale and any other remedies provided by applicable law. Lender need be satisfied in either all expenses incurred in pursuing the collection provided in this paragraph 12, including, but not limited to, reasonable attorney's fees and costs of title evidence.

13. Lender's Sale. Lender shall exercise the power of sale. Lender shall execute or cause Borrower to execute a written notice of the commencement of an event of default and of Lender's intention to cause the Property to be sold and that communication notice to be recorded in each county in which any part of the Property is located. Lender or Borrower shall give notice of sale to the purchaser prescribed by applicable law to Borrower and to other persons prescribed by applicable law. After the date specified by applicable law, Lender, without demand on Borrower, shall sell the Property at public auction in the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order bidder at the time and place the terms designated in the notice of sale to the public non-assignment at the time and place of any previously scheduled sale. Lender or its lessee may purchase the Property at any sale.

Lender shall deliver to the purchaser Lender's deed conveying the Property without any condition or warranty, expressed or implied. The costs in the Lender's deed shall be prima facie evidence of the truth of the statements made therein. Lender shall apply the proceeds of the sale in the following order: first to all expenses of the sale, including, but not limited to, reasonable Lender's and attorney's fees; to all sums secured by the Security Instrument and, if any, costs to the person or persons legally entitled to such.

14. Lender as Purchaser. Upon acceleration under paragraph 12 or abandonment of the Property, Lender in person, by agent or by judicially appointed receiver, shall be entitled to enter upon, take possession of and remove the Property and to collect the rents of the Property, including those past due. Any rents collected by Lender or the receiver shall be applied first to payment of the costs of management of the Property and collection of rents, including, but not limited to, receiver's fees, premiums on receiver's bonds and reasonable attorneys' fees, and then to the sums secured by the Security Instrument.

15. Foreclosure. Upon payment of all sums secured by the Security Instrument, Lender shall execute or cause to convey the Property and shall surrender the Security Instrument and all other documents held secured by the Security Instrument to Borrower. Borrower shall receive the Property without warranty and without charge to the person or persons legally entitled to it. Such person or persons shall pay any reasonable costs.

16. Substitution Lender. Lender may from time to time remove Lender and appoint a successor trustee in any Person appointed hereunder. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon Lender herein and by applicable law.

17. Use of Property. The Property is not currently used for agricultural, timber or grazing purposes.

18. Attorney's Fees. As used in this Security Instrument and in the Note, "attorneys' fees" shall include any attorney's fees provided by an applicable law.

19. Effect of this Security Instrument. If one or more covenants in Borrower and Lender together with the Security Instrument, the covenants and agreements of each such party shall be incorporated into and shall amend and supplement the covenants and agreements of the Security Instrument as if the covenants were a part of this Security Instrument.
