These sums are called "monthly items." Lender may estimate the Funds due on the basis of current facts and reasonable estimates of future monthly items.

The Funds shall be held in an escrow account of which are insured or guaranteed by a fiduciary bank or trust company (including Lender if Lender is such an institution). Lender shall notify the Funds to pay the monthly items when Lender says our charge for holding and applying the Funds, specifying the account or accounts from which Lender says our charge for holding and applying the Funds and specifying the persons Lender is liable under a charge. Borrower and Lender pay Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may, after it occurs that interest shall be paid on the Funds. Unless an agreement is made in writing, Lender may require interest to be paid. Lender shall not be required to pay Borrower any interest or earnings on the Funds, and Lender shall give to Borrower, without charge or annual accounting of the Funds, during credits and debits to the Funds, and the purpose for which each item in the Funds was made. The Funds are held as additional security for the sums referred to the Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due date of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be at Borrower's option, either promptly repaid to Borrower or credited to Borrower as monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender the amount necessary to make up the deficiency at rate or more per annum as required by Lender.

Borrower shall pay all taxes, assessments, charges, dues and improvements attributable to the Property, which may attain priority over this Security Instrument, and (seventh) payments of ground rents, if any. Borrower shall pay these obligations at the manner provided in paragraph 1, or if not paid in that manner, Borrower shall pay them at time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender copies evidencing the payments.

Borrower shall promptly discharge any liens which has priority over this Security Instrument unless Borrower has agreed in writing to the payment of the obligation secured by the lien as a transfer accommodation to Lender, its contractor or agent, for the lien to be enforced against enforcement of the lien in legal proceedings which is the Lender's option, whether or not such the enforcement of the lien or forfeiture of are part of the Property, or (g) encumbrances from the holder of the lien as provided in the enforcement of the lien or forfeiture of are part of the Property. If Lender determines that are part of the Property, as subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 30 days of the giving of notice.

3. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter created on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other losses for which Lender requires. The insurance coverage shall be maintained at the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval when such car is commercially available.

All insurance policies and renewals shall be acceptable to Lender and shall include a conflict insurance clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of past premiums and renewal notices. At the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make prior of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds, as principal shall not exceed for the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If the application of the proceeds to the Property is not commercially feasible or Lender's security would be breached, the insurance proceeds shall be applied to the amounts secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not appear within 30 days a notice from Lender that the insurance carrier has failed to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or reduce the Property or to pay sums secured by the Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds, as principal shall not exceed for the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 14 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by the Security Instrument immediately prior to the acquisition.

4. **Preservation and Maintenance of Property; Leasehold.** Borrower shall not destroy, damage or substantially change the Property, alien the Property, or terminate or cancel lease of the Security Instrument to an individual, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the individual and lessee shall not merge unless Lender agrees to the merger in writing.

5. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property, such as a proceeding in bankruptcy, probate, or condemnation, or an enforceable decree or judgment, then Lender may demand payment for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorney's fees and entering on the Property to make repairs. Although Lender may take action under this paragraph, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph, shall become additional debt of Borrower secured by the Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable with interest, upon notice from Lender to Borrower requesting payment.

If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the insurance in effect until such time as the requirements for the insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

**8. Inspection.** Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

**9. Condemnation.** The proceeds of any award or claim for damages, threat or consequential in connection with any condemnation or other taking of any part of the Property, or for convenience in lots of condemnation, are hereby accepted and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied in the same manner as the Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property unless Borrower and Lender otherwise agree in writing, the sum secured by the Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sum secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. The balance shall be paid to Borrower.

If the Property is condemned by Borrower, or if, after notice by Lender to Borrower that the condemner failed to make or award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either in satisfaction of right of the Property or to the sum secured by the Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds in paragraphs 9 and 10 is subject to payment the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

**11. Borrower Not Required; Forbearance By Lender Not a Waiver.** Extension of the time for payment or modification of amortization of the sum secured by this Security Instrument granted to Lender by any Borrower or interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's assignee or interest. Lender shall not be required to commence proceedings against any Borrower or interest or refuse to extend time for payment or otherwise modify amortization of the sum secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's assignee or interest. Any forbearance by Lender is exercisable any right it may have but not as a waiver of or preclude the exercise of any right or remedy.

**12. Successors and Assigns; Joint and Several Liability Co-signers.** The covenants and agreements of the Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 11. Borrower's covenants and agreements shall be joint and several. Any Borrower who signs the Security Instrument but does not execute the Note, (a) is co-signing this Security Instrument here to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument, (b) is not personally obligated to pay the sum secured by the Security Instrument, and (c) agrees that Lender and any other Borrower may agree to amend, modify, reduce or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

**13. Late Charges.** If the loan secured by this Security Instrument is subject to a law which sets maximum late charges, and that law is finally interpreted so that the interest or other late charges collected or to be collected is in excess of the late charge permitted limits, then (a) any such late charge shall be reduced by the amount necessary to reduce the charge to the permitted limit, and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make the refusal to reduce the principal owing under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

**14. Legislation Affecting Lender's Rights.** If enactment or expiration of applicable law has the effect of rendering any provision of the Note or this Security Instrument unenforceable according to its terms, Lender is entitled to require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies permitted by paragraph 19. If Lender exercises this option, Lender shall take the steps specified in the second paragraph of paragraph 17.

**15. Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given to the place that is Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in the paragraph.

**16. Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

**17. Borrower's Copy.** Borrower shall be given one confirmed copy of the Note and of this Security Instrument.

**18. Transfer of the Property or a Beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person, without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

**19. Borrower's Right as Plaintiff.** If Borrower meets certain conditions, Borrower shall have the right to have enforcement of the Security Instrument discontinued at any time prior to the earlier of (a) 12 months and another period as applicable law may specify for non-enforcement, before use of the Property pursuant to any power it was contained in this Security Instrument, or the entry of a judgment enforcing this Security Instrument. These conditions are that Borrower to pay Lender all sums which there would be due under this Security Instrument and the Note had no acceleration occurred, (b) cause any default of any other covenants or agreements, (c) pay all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorney's fees and (d) take such action as Lender may reasonably require to assure that the title of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon non-enforcement by Borrower, this Security Instrument and the obligations assumed thereby shall remain fully effective as if no acceleration had occurred. However, this right is terminable and not apply in the case of acceleration under paragraphs 11 or 17.

**Non-CHARGEABLE Covenants** Borrower and Lender further covenant and agree as follows:

29. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument that are prior to acceleration under paragraphs 13 and 17 unless applicable law provides otherwise. The notice shall specify (a) the default, (b) the action required to cure the default, (c) a time, not less than 15 days from the date the notice is given to Borrower, by which the default must be cured and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the note and all other failure to cure the default and (e) the right of Lender to foreclose on the security interest in the Property if the note is not paid in full at maturity or if Lender elects to foreclose on the security interest in the Property. The notice shall further inform Borrower of the right to receive a copy of the Security Instrument and note. If the default is not cured on or before the date specified in the notice, Lender's defense of Borrower is acceleration and not defense. If the note is not paid in full at maturity or if Lender elects to foreclose on the security interest in the Property, Lender shall be entitled to demand and may invoke the power of sale and any other remedies permitted by applicable law. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 29, including, but not limited to, reasonable attorney's fees and costs of title evidence.

**12. Power of Sale.** Lender shall not exercise the power of sale unless it has given Borrower at least 30 days prior written notice of its intention to do so, which notice shall state the date and place of sale and the name and address of the title evidence. Lender shall exercise the power of sale or cause Lender to exercise the power of sale notice of the occurrence of an event of default and of Lender's election to cause the Property to be sold and shall cause such notice to be recorded in each county in which any part of the Property is located. Lender or Lender shall give notice of sale in the manner prescribed by applicable law to Borrower and to other persons prescribed by applicable law. After the time and manner prescribed by applicable law to Borrower and to other persons prescribed by applicable law, Lender or Lender shall sell the Property at public auction in the highest bidder at the time and place and under the terms designated in the notice of sale or sale or more persons and in any other manner designated. Lender may postpone sale of all or any part of the Property by public announcement at the time and place of any previously scheduled sale. Lender or its designee may purchase the Property at any sale.

**21. Lender in Possession.** Upon acceleration under paragraph 14 or abandonment of the Property, Lender can repossess by agent or by judicially appointed receiver shall be entitled to enter upon, take possession of and manage the Property and to collect the rents of the Property including those past due. Any rents collected by Lender or the receiver shall be applied first to payment of the costs of management of the Property and collection of rents, including, but not limited to, attorney's fees, premiums on receiver's bonds and reasonable attorney's fees and expenses of collection.

22. Discharge. Upon payment of all sums secured by the Security Instrument, Lender shall release its title to remove the Property and shall surrender the Security Instrument and all notes evidencing debt secured by the Security Instrument at Trustee. Trustee shall remove the Property without warranty and without charge to the person or persons legally entitled to it, such person or persons shall pay all reasonable costs.

**11. Substitution Trustee.** Lender may from time to time designate Trustee and appoint a successor trustee to serve Trustee appointed hereinunder. Without conveyance of the Property, the successor trustee shall succeed to all the power and duties conferred upon Trustee herein and be entitled to receive payment of amounts due under this Agreement.

**22. Use of Property.** The Property is not currently used for any purpose.

**X. Attorney's Fees.** As used in the Security Instrument and in the Note, "Attorney fees" shall include any attorney fees awarded by an appellate court.
