NOW THEREFORE, Landowners, jointly and severally agree on behalf of themselves and on behalf of each of their respective heirs, devisees, grantees, transferees, successors and assigns to and with K.I.D. for its benefit and also for the benefit of the United States and for the benefit of each of their respective successors, grantees, transferees and assigns as follows:

- (1) Landowners' agreements herein set forth are covenants running with Landowners' said Land and each and every part and parcel thereof in perpetuity, forever binding the same for the use and benefit of K.I.D. and the United States of America, herein called the United States, and their respective successors, grantees, transferees and assigns.
  - (2) The Landowners do hereby recognize, ratify, grant and confirm the existence of all existing rights of K.I.D. or the United States affecting Landowners' said property, including, without limitation by this recital, all rights of way, easements and servitudes for all irrigation and drainage facilities of the United States or K.I.D. as now constructed and located upon or affecting Landowners' said property and do agree that K.I.D. and the United States each now own, have and hold and shall continue to own, have and hold a prescriptive right, right of way, easement and servitude for all percolation, seepage, leakage, overflow, flooding or any failure or lack of drainage which now exists or which at any time heretofore has occurred or resulted from any irrigation or drainage facility now constructed or in existence on or near any part of the Landowners' said premises and do hereby grant a further and additional right, right of way, easement and servitude for any new, additional or aggravated percolation, seepage, leakage, overflow

or flooding or any failure or lack of drainage which may result or occur in or be attributable in whole or in part to what has been requested by Landowners herein.

- (3) Landowners do hereby absolve, waive and release both K.I.D. and the United States from any and all claims of liability for any damages or injuries to person or property which may have heretofore occurred or which may now be occurring in connection with the ownership, operation or maintenance of the Klamath Project.
- (4) Landowners do hereby give, grant and convey unto K.I.D. and the United States the right, right of way, easement and servitude to enter upon the Landowners' said property and premises to clean, maintain, repair, replace, change, substitute, remove or improve any irrigation or drainage facility now or hereafter existing on said premises or any part thereof and to remove any silt, soil, spoil or obstructions therefrom and to de-moss, cut, remove or destroy any moss, algae, vegetation or weeds and to trap, kill or remove any muskrats, squirrels, rodents or other wildlife causing or threatening damage.
- (5) Landowners must obtain and hereafter continue to hold at their sole expense a revocable permit authorizing what is herein requested from the United States and must thereafter comply with all terms, conditions and agreements of same or of any renewed, amended or new permit hereafter required by the United States.
- (6) All plans, designs, specifications, materials, construction, installation, performance, workmanship and locations must be approved by K.I.D.; but the Landowners shall be solely responsible for the condition and safety of the same and shall forever and in perpetuity indemnify, defend and hold both K.I.D. and the United States and their respective successors, grantees, transferees and assigns wholly harmless from any and all matters including, without limitation by this recital, from any and all claims, suits, actions, proceedings, liabilities, injuries or damages including those which are not presently known or foreseeable arising, resulting, occurring or attributable directly or indirectly, in whole or in part, to what has been requested by Landowners herein, and do hereby absolve, waive and release both K.I.D. and the United States from any and all claims or liability for damages to person or property.

If Landowners shall fail to do any such work, K.I.D. may, at its option, perform the same or cause it to be done and Landowners shall forthwith pay or reimburse K.I.D. for all expenses and costs incurred in connection with the same.

  the lands or property of any other party, K.I.D. may require the Landowners,
  at Landowners' sole expense, to restore the conditions which existed prior to
  the performance of this Agreement or any part thereof.
- (10) Landowners shall not do, omit, neglect, suffer or permit anything to be done or not to be done which will tend to interfere with, impair, obstruct or endanger the operation and maintenance of the Klamath Project System or which will create any risk of loss or injury to any persons or property whatsoever or which will impair the quality of any water.
  - (11) This Agreement is subject to all applicable laws, regulations, .
