## EXHIBIT "A"

Possession, Custody and Management of Orton's Assets: Except as may be expressly provided otherwise, Orton shall have the exclusive possession, custody, and all power of management, without payment of rental therefor and without any accounting to Trustee thereof, of Orton's Assets transferred to Trustee by Orton. Without limiting the generality of the foregoing, the power of management shall include, but not be limited to, all powers set forth in Exhibit "B" of this Certification of Trust and as the same shall be expanded by the following provisions:

a. Sell, Etc.: The power of management shall include power to sell, convey, lease, encumber, or hypothecate any Orton's Asset. The foregoing power to lease, encumber, or hypothecate shall include power to do so for periods longer than the term of any trust created by the Trust Agreement and for any antecedent debts of Orton.

b. Securities: The power of management shall also include the power to open and maintain, in the name of Trustee, the name of the Trust, or in the name of any nominee of Trustee, including, without limiting the generality of the foregoing, the name of the Trustor of the asset invested in any account, street or otherwise, with any brokerage firm or company, and to conduct any and all stock trading activity, including, but not limited to, marginal trading, short selling, buying and selling options, whether or not such stocks are owned by Trustee, Trust, or nominee of Trustee.

c. Life Insurance: The power of management shall also include the power to hold, in the name of Trustee, in the name of the Trust, or in the name of any nominee of Trustee, any policy of life insurance on the life of Orton. Trustee shall not be obligated to pay the premiums on any such policy of life insurance and the named insured shall retain all rights afforded an owner of any such policy including, without limitation of the foregoing, the right to receive dividends therefrom, to borrow against such policy, or otherwise transfer the same.

d. Trustee's Nominee: Orton may act as nominee of Trustee for any of Orton's Assets transferred and conveyed by Orton to Trustee pursuant to the Trust Agreement. Without limitation of the foregoing, Orton shall be deemed to hold an Orton's Asset as nominee of Trustee where Orton executes and delivers to Trustee any instrument transferring any Orton's Asset to Trustee even though the Orton's Asset remains registered in the name of Orton, the registration in the name of Trustee of such an Orton's Asset is not completed, or Orton retains possession of the certificate, or other document and/or instrument, evidencing the title thereto. If Orton acts as a nominee for any Orton's Asset transferred to Trustee, Orton may receive directly any dividends, interest, income or distributions from or upon such Orton's Asset and neither Orton, nor Trustee of such Orton's Asset shall have any duty of accounting to the other, or to any other person, with regard thereto. If Orton, in possession of an Orton's Asset (as nominee of Trustee), should transfer title to an Orton's Asset to one other than Trustee, such a transfer shall constitute a withdrawal of such an Orton's Asset from the Trust Estate and Trustee shall have no further interest therein, nor duties with regard thereto. If Orton should transfer an Orton's Asset to a third party, Orton shall notify Trustee of any withdrawal of any Orton's Asset from the Trust Estate, but such notice shall not be a condition precedent to the effective withdrawal of an Orton's Asset from the Trust Estate or to the conveyance of good and sufficient title to the transferee thereof.

e. Co-Tenancies: If any Co-Tenancy account, or Co-Tenancy title to real property or personal property of any kind, should be established between Orton and Trustee, the instrument, document, or conveyance establishing or creating such Co-Tenancy shall be the equivalent of an instrument, document, or conveyance designating such Co-Tenancy account or property as part of Orton's Assets, and, as between Orton and Trustee, any such Co-Tenancy account or property shall be subject to the covenants, terms, and provisions of the Trust Agreement. To the extent changes are made in any such Co-Tenancy account (either by addition, or deletion), the same shall constitute an addition to, or removal of, Orton's Assets. Where such a Co-Tenancy account is a joint account in the nature of an Investment Account, Orton may write checks thereon or make withdrawals therefrom without the co-signature of Trustee, and such writing of checks or the making of withdrawals by Orton shall constitute withdrawals from the Trust Estate and Trustee shall have no further interest in any amount, or amounts, so withdrawn, or any further duty with regard thereto. The capacity of Orton of any Orton's Asset held between Orton and Trustee as Co-Tenants shall be that of nominee of Trustee and not that of co-owner.

f. Instructions by Orton to Trustee and Indemnification of Trustee: Orton, in exercising the power to manage, possess or control any asset of the Trust Estate as herein provided, may direct Trustee, from time to time, in writing, to participate and join in any action elected by Orton and Trustee shall comply with such direction. The direction by Orton may include (without limiting the generality of the rights herein provided) direction to sell, convey, transfer, or lease any Orton's Asset. If Trustee is directed to take any action concerning an Orton's Asset pursuant to the rights herein provided, and the proceeds or products of such action are received by Trustee, Trustee shall account for the same and apply the same as directed by Orton. Unless Orton expressly directs Trustee to pay the proceeds from the sale, leasing, or disposition of an Orton's Asset to Orton, the same shall continue to be subject to the terms of the Trust Agreement. In any event, Trustee shall promptly and fully account to Orton in writing for any proceeds or products received by Trustee as a consequence of any action directed by Orton. In order to assure Trustee's compliance with Orton's directions concerning Orton's Assets pursuant to the provisions herein provided, Orton hereby covenants and agrees to and with Trustee to indemnify and hold harmless Trustee from any and all claims, demands, causes of action, actions or suits, and costs (including, without limiting the generality of the foregoing, reasonable attorney fees with or without suit or action, and, if suit or action, at trial or on appeal). As security for the foregoing covenant to indemnify and hold harmless Trustee, Trustee is hereby given (in addition to all powers conferred by law) a lien upon Orton's Assets (both principal and income) for the payment thereof, including, but not limited to, the right to take possession of Orton's Assets for the purpose of reimbursing Trustee of any sums due Trustee by way of this covenant to indemnify Trustee or hold Trustee harmless.

Powers of Trustee Over Management Assets: If Orton's Assets should, during the lifetime of Orton, become Orton's Management Assets, Trustee shall, during the lifetime of Orton, have, in addition to all powers provided by law, the rights and powers set forth herein. In the event that Orton's Assets become Orton's Management Assets because of the death of Orton, Trustee of any trust created by the Trust Agreement shall have, in addition to all powers provided by law, the following rights and powers (provided, however, that if Margaret should be a Trustee of any trust created by the Trust Agreement and any right or power granted herein, or by law, to Margaret should make such trust subject to taxation upon the death of Margaret such right or power shall be exercisable only by a Trustee other than Margaret and the creation, or existence, of such right or power in Margaret as Trustee shall be absolutely void). Included in the foregoing sentence, without limiting the generality of the foregoing, are the following specific powers:

a. Investments: To make such investments as Trustee shall determine from time to time to be reasonable and prudent, it being the intent of Trustor that the other powers specified in the Trust Agreement shall not be construed as limiting the powers of Trustee, but, rather, as expanding the foregoing general power of Trustee.

b. Securities: To invest any property forming part of the Trust Estate in such securities, including securities issued by or insured by the United States of America, State thereof, or political subdivision of such State, or any country other than United States of America, common or preferred stocks, notes, debentures, or fractional shares of any corporation, and shall have like authority to exercise, or sell, stock subscription or commission rights, and to purchase fractional shares needed to round out fractional shareholdings that might arise concerning any stock held pursuant to authority granted hereby. To open an account, or accounts, with any brokerage firm or company, including, but not limited to, a street account. In addition, Trustee shall have the right to acquire its own stock and to either vote any stock subject to the Trust (including its own stock), or give its proxy to vote such stock comprising an asset of the Trust to a distributee. Trustee may also sell any of the investments referred to in this paragraph. Trustee shall have authority to register or qualify for exemption from registration shares of stock in any corporation with any agency or agencies of any government (including, but not limited to, Securities and Exchange Commission of the Government of the United States); to participate in any such registration or qualification for exemption from registration; to apply for and to secure the approval of any agency of any government with respect to sale of such shares; to sell such shares to the public (or to underwriters for public sale) or to private investors or to participate in public or private sale of such shares; to enter into an agreement with respect to any such sale with any broker, investment banker or underwriter; to make such representations, warranties and indemnities as are customarily given by a selling stockholder to any broker, investment banker or underwriter in connection with a firmly underwritten offering; to incur and to pay all expenses necessary or appropriate in connection with any such registration, qualification or sale; and to take all other action necessary or appropriate in order to consummate any such sale.

c. Property: To continue to hold any property (real, personal, or mixed) received in trust at the risk of the Trust Estate and not at the risk of Trustee. Trustee need not sell any of the assets in the Trust Estate merely for the sake of diversification nor for the sake of obtaining cash funds to invest in other assets which might produce more income. In addition, to sell, convey, lease, encumber, or hypothecate, any property that may become part of the Trust Estate. The foregoing power shall include the power to lease, encumber, or hypothecate, for periods longer than the term of any trust created by the Trust Agreement.

d. Retain Property and Operate Business: To continue to hold any property received in trust and to operate at the risk of the Trust Estate and not at the risk of Trustee, any property or business received in trust, as long as Trustee may deem advisable, the profits and losses therefrom to inure to or be chargeable to the Trust Estate as a whole and not to Trustee. Trustee need not sell any of such assets merely for sake of diversification nor for sake of obtaining cash funds to invest in other assets which might produce more income. It is Orton's specific intent that Trustee shall have the absolute discretion to hold and manage Trust assets following investment programs similar to that which Orton has followed prior to any asset of Trust Estate becoming subject to these powers. Trustee is specifically relieved of any liability or responsibility to any beneficiary for continuing to hold any property received in trust.

e. Borrow Money and Loan Trustee's Funds: To borrow money and to loan or advance Trustee's own funds to any Trust created by the Trust Agreement for any trust purpose at prevailing rates of interest and to mortgage and hypothecate property and securities of the Trust Estate in whole or in part as security for repayment of such loans or advances. This power shall also include, without limiting the generality of the foregoing, power to refinance, or restructure, any antecedent debt of Trustor.

f. Make Repairs: To make such expenditures for repairing, improving and rebuilding of any property of Trust Estate as Trustee may deem necessary.

g. Use a Nominee of Title: To hold securities and other property in name of Trustee, or in name of Trustee's nominee, but Trustee shall be responsible for such nominee's acts affecting such property only if nominee is other than Orton.

h. Pay Expenses: To pay all taxes, charges, commissions and other expenses of Trust Estate, including reasonable compensation for Trustee's own services, which shall be based upon its schedule of fees at time such fees become payable, if Trustee maintains a schedule; provided, however, that neither Margaret, Marilyn, or Carol shall receive any compensation as Trustee. Trustee shall also be entitled to reimbursement for all outlays, advances, costs and expenses incurred by Trustee in preservation, maintenance, and protection of the Trust Estate without reduction of Trustee's fees. This provision shall include any indemnity insurance of Trustee if Trustee should act as officer or director of any corporation in which Trust Estate holds more than a 50% interest.

i. Determine Principal and Income: To determine, in all cases, what receipts are income and what are principal and what disbursements are chargeable to income and what are chargeable to principal; subject, however, to the definition of income or special provisions regarding income, contained in the Trust Agreement.

j. Protection and Realization of Assets: To take any action with respect to conserving or realizing upon the value of any assets and with respect to foreclosures, reorganizations or other changes affecting any asset; to collect, pay, contest, compromise or abandon demands of or against Trust Estate, wherever situated; and to execute contracts, notes, conveyances and other instruments, including instruments containing covenants and warranties binding upon and creating a charge against the Trust Estate, and containing provisions excluding personal liability.

k. Employ Professionals: To employ any custodian, attorney, accountant, corporate fiduciary, or any other agent or agents to assist Trustee in administration of Trust Estate and to rely on advice given by these agents. If Trustee should have any financial interest in business of such professionals, the same shall not constitute a conflict of interest. Reasonable compensation for all services performed by these agents shall be paid from Trust Estate out of either income or principal as Trustee, in Trustee's discretion, shall determine, and shall not decrease compensation to which Trustee may be entitled. Trustee shall not be responsible for any neglect, omission, or wrong doing of any agent or employee unless Trustee fails to use reasonable care in selection of these persons.

l. Pay to Beneficiary: To pay income or principal to which a beneficiary is entitled directly to a beneficiary, to any person having custody of a beneficiary, to the legal guardian or conservator of a beneficiary, or to any person who, or corporation which, shall be furnishing maintenance, support or education to a beneficiary, or as otherwise specifically provided in the Trust Agreement. The receipt of any person to whom payment is made as herein authorized shall be sufficient voucher for Trustee, and in the discretion of Trustee, the recipient need not be required to account to Trustee or to any court or other person as to disposition thereof.

m. Distribution of Trust Income and Principal: To make any distribution or division of principal or income of the Trust Estate in cash, or in kind, or both, and to allot different kinds or disproportionate shares of property or undivided interest in property among those entitled to distribution. To the extent that securities or other property are determined by Trustee to be distributable under the terms of this paragraph, Trustee shall distribute the same at its market value as nearly to date of distribution as can reasonably be determined.

by Trustee. Judgment of Trustee as to what shall constitute a just and proper division or apportionment of assets of Trust Estate among any distributees shall be binding and conclusive on all interested parties. Income accrued or unpaid on trust property when received into any trust shall be treated as any other income. Income accrued or held undistributed at termination of any interest or estate under any trust shall go to beneficiaries entitled to the next succeeding interests, in the proportion in which they take such interests. Periodic payments out of principal not due upon termination of any interest or estate shall not be apportioned to that date. Proration of taxes and other current expenses to date of termination shall not be required. Trustee may exercise any powers and discretions set forth in this paragraph for a reasonable period after termination of the Trust Estate.
