TO HAVE AND TO HOLD the Property, and the rights and privileges hereby deeded or intended to be so deeded unto the Trustee and its successors and assigns for the uses and purposes herein set forth, until the Indebtedness is fully paid and the obligations are fully performed in accordance with the provisions set forth herein and in the other Loan Documents.

Grantor, for itself and its successors and assigns, further represents, warrants, covenants and agrees with Trustee and Beneficiary as follows:

1. Warranty of Title. Grantor warrants to Trustee

and Beneficiary that it has good and indefeasible fee simple title to the Real Estate and Fixtures and has the right to convey the same in accordance with the provisions set forth in this Deed of Trust and that this Deed of Trust is a valid and enforceable first lien on the Property, subject only to the exceptions to title more particularly described in the title insurance policy insuring the lien hereof issued to Beneficiary simultaneously with the execution hereof and the Permitted Liens, as such term is defined in the Credit Agreement (collectively the "Permitted Encumbrances"). Grantor shall (a) preserve such title and the validity and priority of the lien of this Deed of Trust and shall forever warrant and defend the same unto Trustee, its successors or assigns, and Beneficiary against the claims of all and every person or persons, corporation or corporations and parties whomsoever, and (b) make, execute, acknowledge and deliver all such further or other deeds, documents, instruments or assurances and cause to be done all such further acts and things as may at any time hereafter be required by Trustee or Beneficiary to confirm and fully protect the lien and priority of this Deed of Trust.

2. Payment of Indebtedness. (a) Grantor shall pay the Indebtedness at the times and places and in the manner specified in the Loan Documents and shall perform all of the Obligations in accordance with the provisions set forth herein and in the other Loan Documents.

(b) Any payment made in accordance with the terms of this Deed of Trust by any person at any time liable for the payment of the whole or any part of the Indebtedness, or by any subsequent owner of the Property, or by any other person whose interest in the Property might be prejudiced in the event of a failure to make such payment, or by any stockholder, officer or director of a corporation or by any partner of a partnership which at any time may be liable for such payment or may own or have such an interest in the Property shall be deemed, as between Beneficiary and all persons who at any time may be liable as aforesaid or may own the Property, to have been made on behalf of all such persons.

3. Requirements, Property Care and Use. (a) Subject to the right of Grantor to contest a Legal Requirement (hereinafter defined) as provided in Article 11 hereof, Grantor promptly shall comply with, or cause to be complied with, all applicable present and future laws, statutes, codes, ordinances, orders, judgments, decrees, injunctions, rules, regulations, restrictions and requirements (collectively "Legal Requirements") of every Governmental Authority (hereinafter defined) having

jurisdiction over Grantor or the Property, the failure to comply with which would have a material adverse effect on the Property (and in no case later than twenty (20) days after an order or other form of notice has been issued by such Governmental Authority) or the use, manner of use, occupancy, possession, operation, maintenance, alteration, repair or Restoration (hereinafter defined) of the Real Estate, without regard to the nature of the work to be done or the cost of performing the same, whether foreseen or unforeseen, ordinary or extraordinary, and shall perform, or cause to be performed, all material obligations, agreements, covenants, restrictions and conditions now or hereafter of record which may be applicable to Grantor or to the Property or to the use, manner of use, occupancy, possession, operation, maintenance, alteration, repair or Restoration of the Real Estate.

(b) Grantor shall (i) not abandon the Real Estate or any material portion thereof, (ii) maintain the Real Estate and Fixtures in good repair, order and condition, (iii) promptly make all necessary repairs, renewals, replacements, additions and improvements to the Real Estate and Fixtures, (iv) not commit or suffer waste with respect to the Real Estate and Fixtures, (v) refrain from impairing or diminishing the value or integrity of the Real Estate or the priority or security of the lien of this Deed of Trust, (vi) not remove, demolish or materially alter any of the Real Estate or Fixtures without the prior written consent of Beneficiary in each instance, except that Grantor shall have the right to remove and dispose of, free of the lien of this Deed of Trust, such Fixtures as may, from time to time, become worn out or obsolete, provided that, simultaneously with or prior to such removal, any such Fixtures shall be replaced with other Fixtures which shall have a value and utility at least equal to that of the replaced Fixtures and which shall be free of any security agreements or other liens or encumbrances of any kind or nature whatsoever, and by such removal and replacement, Grantor shall be deemed to have subjected such replacement Fixtures to the lien and priority of this Deed of Trust, (vii) not make, install or permit to be made or installed, any alterations or additions to the Real Estate if doing so would, in the reasonable opinion of Beneficiary, impair to any extent the value of the Property, (viii) not make, suffer or permit any nuisance to exist on the Real Estate or any portion thereof, and (ix) permit Beneficiary and its agents, at all reasonable times and after prior notice, to enter upon the Real Estate for the purpose of inspecting and appraising the Real Estate or any portion thereof.

(c) Grantor shall not by any act or omission

permit any building or other improvement located on any property which is not subject to the lien of this Deed of Trust to rely upon the Real Estate or any portion thereof or any interest therein to fulfill any Legal Requirement and Grantor hereby assigns to Beneficiary any and all rights to give consent for all or any portion of the Real Estate or any interest therein to be so used. The Real Estate is a single zoning lot separate and apart from all other premises and Grantor shall not, by any act or omission, impair the integrity of the Real Estate as such a single zoning lot or initiate or join in any zoning change, private easement or any other modification of the zoning regulating the Real Estate that would have a materially adverse effect on the Real Estate. Any act or omission by Grantor which would result in a violation of any of the provisions of this Article 3 shall be null and void.

4. Taxes on Trustee or Beneficiary. (a) If the United States of America, the State in which the Real Estate is located or any political subdivision thereof or any city, town, county or municipality in which the Real Estate is located or any agency, department, bureau, board, commission or instrumentality of any of the foregoing now existing or hereafter created (collectively "Governmental Authorities") shall levy, assess or charge any tax, assessment, fee or imposition upon this Deed of Trust or any other Loan Document, the Indebtedness, the interest of Trustee or Beneficiary in the Property, or Trustee or Beneficiary by reason of this Deed of Trust or any other Loan Document, the Indebtedness or Trustee's or Beneficiary's interest in the Property (individually a "Tax", and collectively "Taxes") (excepting therefrom any tax on, or measured by, the income of the Trustee and/or Beneficiary), Grantor shall pay all such Taxes to, for, or on account of, Trustee or Beneficiary, as the case may be, as they become due and payable and, on demand, shall furnish proof of such payment to Beneficiary. If Grantor shall fail to pay any such Tax then Beneficiary, at its option and without notice, may pay such Tax and, in such event, the amount so paid (i) shall be deemed to be Indebtedness, (ii) shall be a lien on the Property prior to any right or title to, interest in, or claim upon, the Property subordinate to the lien of this Deed of Trust, and (iii) immediately shall be due and payable, on demand, together with interest thereon at the rate of interest then payable under the Credit Agreement including, in calculating such rate of interest, any additional interest which may be imposed under the Credit Agreement by reason of any Credit Agreement Default, as hereinafter defined (such rate of interest being hereinafter referred to as the "Interest Rate"), from the date of any such payment by Beneficiary to the date of repayment to Beneficiary.

(b) If any Governmental Authority shall at any time require revenue, documentary or similar stamps to be affixed to this Deed of Trust or any other Loan Document or shall require the payment of any Taxes with respect to the ownership or recording of this Deed of Trust or any other Loan Document, Grantor, upon demand, shall pay for such stamps in the required amount and shall deliver the same to Beneficiary, together with a copy of the receipted bill therefor. If Grantor shall fail to pay for any such stamps, then, Beneficiary, at its option and without notice, may pay for the same and, in such event, the amount so paid (i) shall be deemed to be Indebtedness, (ii) shall be a lien on the Property prior to any right or title to, or interest in, or claim upon, the Property subordinate to the lien of this Deed of Trust, and (iii) immediately shall be due and payable, on demand, together with interest thereon at the Interest Rate from the date of any such payment by Beneficiary to the date of repayment to Beneficiary. Grantor shall indemnify Trustee and Beneficiary for, and shall hold Trustee and Beneficiary harmless from and against, any and all liability which Trustee and Beneficiary may incur on account of such revenue, documentary or other similar stamps or by reason of any Taxes referred to in Paragraphs 4(a) and 4(c) hereof whether such liability arises before or after payment of the Indebtedness and whether or not the lien of this Deed of Trust shall have been released.

(c) In the event of the passage, after the date of this Deed of Trust, or of any Legal Requirement of any Governmental Authority which shall deduct from the value of the Property, for purposes of taxation, any lien thereon or shall change in any way the laws for the taxation of deeds of trust or debts secured by deeds of trust for State or local purposes or the manner of the collection of any such taxes and shall impose any Tax, either directly or indirectly, on this Deed of Trust or any other Loan Document, then, if Grantor shall be permitted by law to pay the whole of such Tax in addition to all other payments required hereunder and under the other Loan Documents, and unless Grantor is exempt from payment of such Tax, Grantor shall pay such Taxes when the same shall be due and payable and shall agree in writing to pay such Taxes when thereafter levied or assessed against the Property.

5. Payment of Impositions. (a) Subject to the provisions of Article 11 hereof, not later than the date (the "Delinquency Date") which is the day before the date on which any fine, penalty, interest, late charge or loss may be added thereto or imposed by reason of the non-payment thereof, Grantor shall

E. 2031

pay and discharge all Taxes (including, but without limiting the generality of the foregoing, all real property taxes and assessments, personal property taxes, income, franchise, withholding, profits and gross receipts taxes), charges for any easement or agreement maintained for the benefit of the Property or any portion thereof, general and special assessments and levies, permit, inspection and license fees, water and sewer rents and charges and any other charges of every kind and nature whatsoever, foreseen or unforeseen, ordinary or extraordinary, public or private, which, at any time, are imposed upon or levied or assessed against Grantor or the Property or any portion thereof, or which arise with respect to, or in connection with, the use, manner of use, occupancy, possession, operation, maintenance, alteration, repair or Restoration (hereinafter defined) of the Real Estate or any portion thereof, together with any penalties, interest or late charges which may be imposed in connection with any of the foregoing (all of the foregoing Taxes, assessments, levies and other charges, together with such interest, penalties and late charges, being hereinafter collectively referred to as "Impositions"). If, however any Legal Requirement shall allow that any Imposition may, at Grantor's option, be paid in installments (whether or not interest shall accrue on the unpaid balance of such Imposition), Grantor may exercise the option to pay such Imposition in such installments, and, in such even, Grantor shall be responsible for the payment of all such installments, together with the interest, if any, thereon, in accordance with the provisions of the applicable Legal Requirement. Not later than the Delinquency Date, Grantor shall deliver to Beneficiary evidence reasonably acceptable to Beneficiary showing the payment of such Imposition. Grantor also shall deliver to Beneficiary, within ten (10) days after receipt thereof, copies of all settlements and notices pertaining to any Imposition which may be issued by any Governmental Authority.

(b) Subject to the provisions of Article 11 hereof, nothing contained in this Deed of Trust shall affect any right or remedy of Beneficiary under this Deed of Trust or otherwise to pay, without notice or demand to Grantor, any Imposition from and after the date on which such Imposition shall have become due and payable and, in such event, the amount so paid (i) shall be deemed to be indebtedness, (ii) shall be a lien on the Property prior to any right or title to, interest in, or claim upon, the Property subordinate to the lien of this Deed of Trust, and (iii) shall be immediately due and payable, on demand, together with interest thereon at the Interest Rate, from the date of any such payment by Beneficiary to the date of repayment to Beneficiary.

6. Deposits. (a) Subject to the provisions of paragraph (b) below, in order to assure the payment of all Impositions under Article 5 hereof and all premiums for insurance required under Article 7 hereof, Grantor agrees that upon demand made by Beneficiary, Grantor shall deposit with Beneficiary on the first day of each month from and after the date hereof, an amount equal to one-twelfth (1/12th) of each of (i) The annual Impositions, and (ii) the annual premiums for the insurance required to be provided hereunder with respect to the Real Estate (such premiums for insurance being hereinafter referred to as "Insurance Premiums"). The amount of annual Impositions and Insurance Premiums, when unknown, shall be reasonably estimated by Beneficiary. Such deposits shall be used by Beneficiary to pay Impositions and Insurance Premiums when due. From time to time, on demand, Grantor shall pay to Beneficiary additional sums sufficient to permit payment of the next due installments of Impositions and Insurance Premiums, if, and to the extent that, the required monthly deposits thereafter falling due before the respective payment dates would otherwise be insufficient to permit the full payment thereof. Upon any failure of Grantor to make any payment of the Indebtedness when due and payable or to perform any of the Obligations in accordance with the provisions of this Deed of Trust or any other Loan Document, Beneficiary may apply any funds deposited with Beneficiary for Impositions or Insurance Premiums to the payment of any of the Indebtedness or to the performance of any such Obligation. To the extent permitted by law, the sums deposited pursuant to this Article 6 shall bear no interest and may be commingled with other funds of Beneficiary. Upon any assignment of this Deed of Trust, Beneficiary shall have the right to pay over the balance of any sums deposited pursuant to this Article 6 and then in its possession to Beneficiary's assignee, and, thereupon, Beneficiary shall be completely released from all liability with respect to such sums and Grantor shall look solely to Beneficiary's assignee with respect thereto. The foregoing provisions shall apply to every transfer of such deposits to a new assignee. Upon payment of the entire amount of the Indebtedness and performance of the Obligations in accordance with the provisions of this Deed of Trust and the other Loan Documents, or, at the election of Beneficiary, at any prior time, the balance of the deposits then in Beneficiary's possession shall be paid over to the record owner of the Property. Grantor, at Beneficiary's request, shall make the aforesaid deposits with such servicer or financial institution as Beneficiary from time to time shall designate.

(b) Notwithstanding anything to the contrary contained in paragraph (a) above, (i) Beneficiary may not make

such demand for deposits under paragraph (a) above, and may not require such deposits, unless and until a Credit Agreement Default (hereinafter defined) shall have occurred; provided, however, that if such Credit Agreement Default shall be cured by Grantor, and no other Credit Agreement Default shall occur thereafter for a period of one (1) year, then no further deposits under said paragraph (a) shall be required to be made by Grantor unless and until there shall have occurred a new Credit Agreement Default and Beneficiary shall make demand for such deposits, pursuant to said paragraph (a); (ii) on or immediately prior to each January 1 of each year during the term hereof, Grantor shall submit to Beneficiary a statement (with supporting evidence) of the amount of Impositions and Insurance Premiums payable during the fiscal year ending on the immediately preceding December 31 with respect to the Real Estate and, subject to the provisions of Article 11 hereof, indicating the dates and amounts of Grantor's payments in respect thereof (with supporting evidence).

(7) Insurance. (a) Grantor shall provide and keep in full force and effect, or require to be provided and kept in full force and effect, for the benefit of Beneficiary, as hereinafter provided:

(i) insurance with respect to the Real Estate and the operations related thereto as provided in the Credit Agreement; and

(ii) insurance for the Buildings and the Fixtures (v) against loss or damage by fire, lightning, windstorm, tornado, hail and such other further and additional hazards of whatever kind or nature as are now or hereafter may be covered by standard extended coverage "all risk" endorsements (including, but without limiting the generality of the foregoing, and specifically, vandalism, malicious mischief and damage by water) (w) against flood disaster pursuant to the Flood Disaster Protection Act of 1973, 84 Stat. 572, 42 U.S.C. 4001 if the Real Estate is located in an area identified by the United States Department of Housing and Urban Development as a flood hazard area, subject to sublimits of liability available through the carrier, and (x) against business interruption (for a period of one (1) year), and, to the extent the Real Estate is leased to third parties, against loss of rentals, due to any of the foregoing causes.

All insurance provided hereunder shall be provided by an insurance policy or policies in such form or forms and in such amounts as, from time to time, shall be acceptable to

Beneficiary, in its sole discretion, shall name Beneficiary as a named insured under a standard "non-contributory mortgagee" endorsement or its equivalent, which shall be acceptable to Beneficiary, shall provide for loss payable to Beneficiary and shall be provided by insurance companies which shall be acceptable to Beneficiary in its sole discretion. Anything contained herein to the contrary notwithstanding, in no event shall the insurance be in an amount which is less than One Hundred Percent (100%) of the full replacement cost of the Buildings and the Fixtures, as determined by the Beneficiary, including the cost of debris removal, but excluding the value of foundations and excavations, as reasonably determined from time to time by Beneficiary.

(b) If the Buildings or the Fixtures or any portion thereof shall be damaged or destroyed by fire or any other casualty (whether insured or uninsured), Grantor shall give immediate notice thereof to Beneficiary if the cost to repair such damage or replace any portion of the Building or fixtures which has been destroyed exceeds Fifty Thousand Dollars (\$50,000) and, in every case (whether or not notice of the damage or destruction is required hereunder to be given to Beneficiary), Grantor promptly shall commence and diligently shall continue and complete the repair, restoration, replacement or rebuilding (hereinafter referred to as "Restoration") of the Buildings and the Fixtures so damaged, destroyed or insured substantially to their value, condition and character immediately prior to such damage, destruction or injury, in accordance with plans and specifications (bearing the signed approval of an architect satisfactory to Beneficiary) which shall have been approved by Beneficiary prior to the commencement of such Restoration (which approval shall not be unreasonably withheld or delayed). Grantor diligently shall complete, and pay for the cost of, the Restoration of the Buildings and the Fixtures located on the Land which are at any time in the process of construction, alteration or Restoration. Notwithstanding any damage to, or destruction of, or injury to, the Buildings or the Fixtures or any portion thereof by fire or other casualty, Grantor shall continue to make all payments due under this Deed of Trust and under the Credit Agreement and the other Loan Documents in accordance with the provisions of this Deed of Trust, the Credit Agreement and the applicable provisions of the other Loan Documents, provided that the proceeds of any business interruption or other insurance may be applied to such payments as they become due. Any Insurance Proceeds remaining after completion of such Restoration shall be retained by Beneficiary and shall be applied to the payment of the indebtedness then outstanding, in such proportion and priority as Beneficiary, in its sole discretion, may elect.

(c) All Insurance Proceeds which are payable in connection with any damage to, or destruction of, or injury to, the Buildings or the Fixtures shall be paid (i) to Beneficiary, if equal to, or in excess of, One Hundred Thousand Dollars (\$100,000) or (ii) to Grantor if less than One Hundred Thousand Dollars (\$100,000). If Beneficiary is entitled to collect Insurance Proceeds under clause (i) above, then Grantor shall not adjust, collect or compromise such claim without Beneficiary's prior written approval, which shall not be unreasonably withheld or delayed. Beneficiary agrees to cooperate with Grantor in connection therewith. In any case in which Beneficiary is entitled to collect Insurance Proceeds under clause (i) above, each insurer is hereby authorized and directed to make payment of any Insurance Proceeds under any policies of insurance, including the return of unearned premiums, directly to Beneficiary instead of to Grantor and Beneficiary jointly and Beneficiary is hereby authorized to endorse any draft therefor as Grantor's attorney-in-fact. To the extent Beneficiary collects any Insurance Proceeds as hereinabove provided, Beneficiary agrees to make the Insurance Proceeds or any portion thereof (after deducting therefrom all necessary costs and expenses, including, but without limiting the generality of the foregoing, reasonable attorneys' fees, costs and disbursements, incurred by Trustee or Beneficiary in connection with the collection thereof) available to Grantor, on such terms and conditions as Beneficiary, in its reasonable discretion, may specify, for the sole purpose of paying for the cost of Grantor's Restoration of the Buildings and the Fixtures so damaged, destroyed or injured, it being understood and agreed, however, that Beneficiary shall have no obligation whatsoever to see to the proper application of any Insurance Proceeds so paid to Grantor; provided, however, that if a Default shall have occurred and then be continuing, Beneficiary may retain such Insurance Proceeds, for application to payment of the Indebtedness then outstanding, or toward the cost of Restoration, in Beneficiary's sole and absolute discretion. Reduction of the outstanding amount of the Indebtedness resulting from the application of any such Insurance Proceeds to such Indebtedness by Beneficiary shall be deemed to take effect only on the date of Beneficiary's receipt of such Insurance Proceeds and its election to apply the same against the Indebtedness then outstanding hereunder. If, prior to the receipt by Beneficiary of any Insurance Proceeds, the Property or any portion thereof shall have been sold by Trustee pursuant to the power of sale provided herein, Beneficiary shall have the right to receive the Insurance Proceeds to the extent of any deficiency found to be due upon such sale, whether or not a deficiency judgment on this Deed of Trust shall have been sought

or recovered or denied, together with interest thereon at the Interest Rate, and the reasonable attorneys' fees, costs and disbursements incurred by Trustee and Beneficiary in connection with the collection of the Insurance Proceeds. Anything contained in this Deed of Trust or any Legal Requirement to the contrary notwithstanding, Beneficiary shall not be deemed to be a trustee or other fiduciary with respect to its receipt of any Insurance Proceeds.

(d) The insurance required by this Deed of Trust may, at the option of Grantor, be effected by blanket and/or umbrella policies issued to Grantor covering the Buildings and the Fixtures as well as other properties (real and personal) which are owned or leased by Grantor, provided that, in each case, the policies otherwise comply with the provisions of this Deed of Trust and allocate to the Buildings and the Fixtures, from time to time, the coverage specified by Beneficiary, without possibility of reduction or coinsurance by reason of, or damage to, any other property (real or personal) named therein. If the insurance required by this Deed of Trust shall be effected by any such blanket or umbrella policies, Grantor shall furnish to Beneficiary original policies or duplicate originals thereof, with schedules attached thereto showing the amount of the insurance provided under such policies which is applicable to the Buildings and the Fixtures.

(e) Any conveyance of the Property, in accordance with the provisions hereof, shall transfer therewith all of Grantor's interest in all insurance policies then covering the Buildings and the Fixtures or the operations conducted at the Real Estate, including, but without limiting the generality of the foregoing, any unearned premiums.

8. Condemnation/Eminent Domain. (a) Notwithstanding (i) any taking by eminent domain, condemnation or otherwise of all or any portion of the Property, or (ii) the change of grade of any street, road or avenue or the widening of streets, roads or avenues adjoining or abutting the Land, or (iii) any other injury to, or decrease in value of, the Property caused in any manner by any Governmental Authority (any of the foregoing events being hereinafter referred to as a "Taking"), Grantor shall continue to make all payments due under this Deed of Trust and under the Credit Agreement and the other Loan Documents in accordance with the provisions of this Deed of Trust, the Credit Agreement and the applicable provisions of the other Loan Documents. Grantor shall notify Beneficiary immediately upon obtaining knowledge of the institution of any proceedings for any Taking or of any contemplated Taking. All Awards made in

connection with any Taking shall be paid to Beneficiary free and clear of all liens and encumbrances. Beneficiary shall not be limited to the interest paid on any such Award or proceeds thereof for such Taking but shall be entitled to payment by Grantor at the Interest Rate thereon in accordance with the provisions of Section 2.5(c) of the Credit Agreement. If the amount of the Award exceeds One Hundred Thousand Dollars (\$100,000), the Grantor shall not settle or stipulate to any matter or agree to judgment in any such proceedings with respect to a Taking without Beneficiary's prior written approval, which shall not be unreasonably withheld or delayed. Beneficiary agrees to cooperate with Grantor in connection therewith. In any case where Beneficiary is entitled to collect an Award under this Article 8, each Governmental Authority is hereby authorized and directed to make payment of any Award made in connection with any Taking directly to Beneficiary instead of to Grantor and Beneficiary jointly and Beneficiary is hereby authorized to endorse any draft therefor as Grantor's attorney-in-fact. To the extent Beneficiary collects any Award as hereinabove provided, Beneficiary agrees to make the Award or any portion thereof (after deducting therefrom all necessary costs and expenses, including, but without limiting the generality of the foregoing, reasonable attorneys' fees, costs and disbursements, incurred by Trustee and Beneficiary in connection with the collection thereof), available to Grantor, on such terms and conditions as Beneficiary, in its reasonable discretion, may specify, for the sole purpose of Grantor's Restoration of the Buildings and the fixtures remaining after any such Taking, it being understood and agreed, however, that Beneficiary shall have no obligation whatsoever to see to the proper application of any award so paid to Grantor; provided, however, that if there shall have occurred any Default which shall then be continuing, Beneficiary may retain such Award for application to the payment of the Indebtedness then outstanding or toward the cost of Restoration, in Beneficiary's sole and absolute discretion. Reduction of the outstanding amount of the Indebtedness resulting from the application of any such Award be Beneficiary shall be deemed to take effect only on the date of Beneficiary's receipt of such Award and its election to apply the same against the Indebtedness then outstanding hereunder. If, prior to the receipt by Beneficiary of any Award, the Property or any portion thereof shall have been sold by Trustee pursuant to the power of sale provided herein, Beneficiary shall have the right to receive the Award to the extent of any deficiency found to be due upon such sale, whether or not a deficiency judgment on this Deed of Trust shall have been sought or recovered or denied, together with interest thereon at the Interest Rate, and the reasonable attorneys' fees, costs and disbursements incurred by Trustee and

Beneficiary in connection with the collection of the Award.

(b) If there shall be any Taking which shall not render the Buildings and the Fixtures incapable of Restoration to the same condition and character as existed immediately prior to such Taking, Grantor promptly shall commence and diligently shall continue and complete the Restoration of the Buildings and the Fixtures remaining after such Taking substantially to their value, condition and character immediately prior to such Taking, in accordance with plans and specifications which shall have been approved by Beneficiary prior to the commencement of such Restoration. Grantor diligently shall complete, and pay for the cost of, the Restoration of any Buildings or Fixtures which are at any time in the process of construction, alteration or Restoration. Any Award remaining after completion of such Restoration shall be retained by Beneficiary and shall be applied to the payment of the Indebtedness then outstanding, in such proportion and priority as Beneficiary, in its sole discretion, may elect.

9. Sale and Lease of the Real Estate. Except to the extent permitted by the Credit Agreement, Grantor shall not, at any time, directly or indirectly (by operation of law or otherwise) without the prior written consent of Beneficiary, which consent shall not be unreasonably withheld or delayed, sell, assign, transfer, convey, lease or encumber all or any part of the Property or any interest therein.

10. Discharge of Liens. Subject to the provisions of Article 11 hereof, Grantor at all times shall keep the Property free from the liens of mechanics, laborers, contractors, subcontractors and materialmen and, except for the Permitted Encumbrances and any new or additional deeds of trust or mortgages which may be made to Beneficiary, free from any and all other liens, claims, charges or encumbrances of any kind or nature whatsoever. If any such liens, claims, charges or encumbrances shall be filed or recorded, Grantor shall forthwith deliver copies thereof to Beneficiary and, within thirty (30) days after receiving notice (from Beneficiary or others) of such recording or filing, Grantor shall cause the same to be discharged of record by payment, bonding or in such other manner as shall be satisfactory to Beneficiary, and shall exhibit to Beneficiary, upon demand, evidence reasonably satisfactory to Beneficiary of such discharge.

11. Right of Contest. Grantor, at its sole cost and expense, may, in good faith, contest, by proper legal actions or proceedings, the validity of any Legal Requirement or the

application thereof to Grantor or the Property, or the validity or amount of any Imposition or the validity of the claims of any mechanics, laborers, subcontractors, contractors or materialmen (hereinafter referred to as "Contractor's Claims"). During the pendency of any such action or proceeding, compliance with such contested Legal Requirement or payment of such contested Imposition or payment of such contested Contractor's Claim may be deferred provided that, in each case, at the time of the commencement of any such action or proceeding, and during the pendency of such action or proceeding (a) no Default shall exist hereunder and no other event shall have occurred which, with the giving of notice or lapse of time, or both, would constitute a Default hereunder, (b) adequate reserves with respect thereto are maintained on Grantor's books in accordance with generally accepted accounting principles and the applicable provisions of the Credit Agreement, (c) such contest operates to suspend enforcement of compliance with the contested Legal Requirement or collection of the contested Imposition or collection or enforcement of such contested Contractor's Claim and such contest is maintained and prosecuted continuously and with diligence, and (d) during such contest, Grantor shall, at Beneficiary's option, provide security reasonably satisfactory to Beneficiary assuring the discharge of Grantor's obligations being contested and of any additional interest charge, penalty or expense arising from such contest. Notwithstanding any such reserves or the furnishing of any bond or other security, Grantor promptly shall comply with any contested Legal Requirement or shall pay any contested Imposition or Contractor's Claim, and compliance therewith or payment thereof shall not be deferred, if, at any time, the Property or any portion thereof shall be, in Beneficiary's sole judgment, in danger of being forfeited or lost by reason of any such contest or Grantor's non-compliance with any such Legal Requirement or non-payment of any such Imposition or Contractor's Claim. If such action or proceeding is terminated or discontinued adversely to Grantor, Grantor, upon demand, shall deliver to Beneficiary evidence reasonably satisfactory to Beneficiary, of Grantor's compliance with such contested Legal Requirement or payment of such contested Imposition or Contractor's Claim, as the case may be.

12. Leases and Operating Agreements. (a) Grantor hereby assigns to Beneficiary, from and after the date hereof (including any period allowed by law for redemption after any sale by Trustee or otherwise as provided herein), primarily, on a parity with the Property, and not secondarily or collaterally, as further security for the payment of the Indebtedness and the performance of the obligations, the Leases and the Rents. Nothing contained in this Article 12 shall be construed to bind

Beneficiary to the performance of any of the terms, covenants, conditions or agreements contained in any of the Leases or otherwise impose any obligation on Beneficiary (including, but without limiting the generality of the foregoing, any liability under the covenant of quiet enjoyment contained in any Lease in the event that any lessee shall have been joined as a party defendant in any action commenced by reason of a Default hereunder or in the event of the sale of the Property by Trustee pursuant to the power of sale contained herein or otherwise or in the event any lessee shall have been barred and foreclosed of any or all right, title and interest and equity of redemption in the Property), except that Beneficiary shall be accountable for any money actually received pursuant to the aforesaid assignment. After the occurrence of a Default hereunder, Grantor hereby further grants to Beneficiary the right, but not the obligation (i) to enter upon and take possession of the Real Estate for the purpose of collecting the Rents and/or exercising any rights or remedies under the Leases, (ii) to dispossess by the usual summary proceedings any lessee defaulting in making any payment due under any Lease to Beneficiary or defaulting in the performance of any of its other obligations under its Lease, (iii) to let the Real Estate or any portion thereof, (iv) to apply the Rents on account of the Indebtedness, and (v) to perform such other acts as Beneficiary is entitled to perform pursuant to this Article 12. Such assignment and grant shall continue in effect until the entire amount of the Indebtedness shall be indefeasibly paid in full in accordance with this Deed of Trust and the other Loan Documents, the execution of this Deed of Trust constituting and evidencing the irrevocable consent of Grantor to the entry upon and taking possession of the Real Estate by Beneficiary pursuant to such grant, whether or not the Property shall have been sold by the Trustee pursuant to the power of sale contained herein or otherwise and without applying a limitation or condition hereof, but as a personal covenant available only to Grantor and its successors and not to any lessee or other person, a license, revocable upon five (5) days' written notice to Grantor, to collect all of the Rents and to retain, use and enjoy the same, unless a Default shall exist hereunder or unless any event shall have occurred which, with the giving of notice or the lapse of time, or both, would constitute a Default hereunder or, at Beneficiary's option, for any other reason whatsoever. In the event of any Default hereunder, Grantor shall pay monthly, in advance, to Beneficiary, upon Beneficiary's entry into possession pursuant to the foregoing grant, or to any receiver appointed to collect the Rents, the fair and reasonable rental value for the use and occupation of the Real Estate and, upon the failure of Grantor to make any such

payment, Grantor shall vacate and surrender the possession of the Real Estate to Beneficiary or to such receiver, and upon Grantor's failure to so vacate and surrender, Grantor may be evicted by summary proceedings.

(b) Grantor shall receive the Rents as set forth in Article 12(a) hereof and shall hold the right to receive the Rents as a trust fund to be applied first to the payment of Impositions and then to the payment of the Indebtedness and, thereafter, to the payment of Insurance Premiums for policies required to be provided hereunder before using any part of the total of the same for any other purpose.

(c) Upon notice and demand, Grantor shall, from time to time, execute, acknowledge and deliver to Beneficiary, or shall cause to be executed, acknowledged and delivered to Beneficiary, in form reasonably satisfactory to Beneficiary, one or more separate assignments (confirmatory of the general assignment provided in this Article 12) of the lessor's interest in any Lease. Grantor shall pay to Beneficiary the reasonable expenses incurred by Beneficiary in connection with the preparation and recording of any such instrument.

(d) Grantor, at its sole cost and expense, will at all times promptly and faithfully abide by, discharge and perform all of the covenants, conditions and agreements contained in the Operating Agreements on the part of Grantor to be kept and performed thereunder, unless the failure to so perform would not result in a material adverse effect. If Grantor shall commit a breach under the provisions of any Operating Agreement and such default shall not have been cured within the cure period provided therefor (after required notices) under the applicable Operating Agreement, if any, then and in any such event, such breach shall constitute a Default, entitling Beneficiary to remedies upon Default as provided herein and by law.

13. Estoppel Certificates. Grantor, within five (5) business days after request by Beneficiary, shall deliver, in form reasonably satisfactory to Beneficiary, in its sole discretion, a written statement, duly executed and acknowledged, setting forth the amount of the Indebtedness then outstanding and whether any offsets, claims, counterclaims or defenses exist against the Indebtedness secured by this Deed of Trust, and if any are alleged to exist, the nature thereof shall be set forth in detail.

14. Loan Document Expenses. Grantor shall pay all out-of-pocket expenses of Beneficiary in connection with the

preparation of this Deed of Trust, the Loan Documents and the Collateral Documents (as such term is defined in the Credit Agreement) (including the reasonable fees and expenses of all of its counsel retained in connection with this Deed of Trust, the Loan Documents, the Collateral Documents, and the transactions contemplated thereby). If, at any time or times, regardless of the existence of a Default, Beneficiary shall in good faith employ outside counsel for advice or other representation or incur reasonable out-of-pocket legal or other costs and expenses in connection with: (a) any amendment or modification of this Deed of Trust, any of the Loan Documents or the Collateral Documents, (b) any litigation, contest, dispute, suit, proceeding or action (whether instituted by Beneficiary, Grantor or any other Person as hereinafter defined) in any way relating to the Property, this Deed of Trust, any of the Loan Documents or the Collateral Documents or any other agreements to be executed or delivered in connection herewith, (c) any attempt to enforce any rights of Beneficiary against Grantor or any other Person that may be obligated to Beneficiary by virtue of any of the Loan Documents or the Collateral Documents, (d) any attempt to protect, collect, sell, liquidate or otherwise dispose of the Property, or to inspect or verify the Property in the event of the occurrence and during the continuance of a Default, then, and in any such event, such reasonable attorneys' fees, including those of any appellate proceedings or bankruptcy proceedings, and all expenses, costs, charges and other fees incurred by such counsel or Beneficiary in any way or respect arising in connection with or relating to any of the events or actions described in this Article 14 shall be payable, on demand, by Grantor and shall be additional Obligations secured under this Deed of Trust and the Loan Documents except for any such expenses which result from the bad faith of Beneficiary. Without limiting the generality of the foregoing, such expenses, costs, charges and fees may include: paralegal fees, costs and expenses, accountants' fees, costs and expenses, court costs and expenses, photocopying and duplicating expenses, court reporter fees, costs and expenses, telegram charges, secretarial overtime charges, and expenses for travel, lodging and food paid or incurred in connection with the performance of such legal services. Grantor shall also pay all filing, registration and recording fees and charges, documentary stamps, intangible taxes and all Federal, State, county and municipal taxes, duties, imposts, assessments and charges now or hereafter required by reason of, or in connection with, this Deed of Trust or any of the Loan Documents and, in any event, otherwise shall comply with the provisions of and make the payments required under Article 4 hereof.

15. Beneficiary's Right to Perform. In the event of

any Default hereunder, Beneficiary may (but shall be under no obligation to) at any time perform the Obligations, without waiving or releasing Grantor from any Obligations or any Default under this Deed of Trust, and, in such event, the cost thereof, including, but without limiting the generality of the foregoing, reasonable attorneys' fees, costs and disbursements incurred in connection therewith (a) shall be deemed to be Indebtedness, (b) shall be a lien on the Property prior to any right or title to, interest in, or claim upon, the Property subordinate to the lien of this Deed of Trust, and (c) shall be payable, on demand, together with interest thereon at the Interest Rate, from the date of any such payment by Beneficiary to the date of repayment to Beneficiary. No payment or advance of money by Beneficiary pursuant to the provisions of this Article 15 shall cure, or shall be deemed or construed to cure, any such Default by Grantor hereunder or waive any rights or remedies of Beneficiary hereunder or at law or in equity by reason of any such Default.

16. Grantor's Existence. Grantor shall do all things necessary to preserve and keep in full force and effect its existence, franchises, rights and privileges under the laws of the State in which the Property is located and its right to own property and transact business in such State.

17. Trustee's and Beneficiary's Costs and Expenses. If (a) Grantor shall fail to make any payment of Indebtedness when the same shall be due and payable, or shall fail to perform any of the Obligations under this Deed of Trust or any other Loan Document, or (b) Trustee and/or Beneficiary shall exercise any of their respective rights or remedies hereunder, or (c) any action or proceeding is commenced in which it becomes necessary to defend or uphold the lien or priority of this Deed of Trust or any action or proceeding is commenced to which Trustee or Beneficiary is or becomes a party, or (d) the taking, holding or servicing of this Deed of Trust by or on behalf of Beneficiary is alleged to subject Trustee or Beneficiary to any civil or criminal fine or penalty, or (e) Beneficiary's review and approval of any document, including, but without limiting the generality of the foregoing, any Lease, is requested by Grantor or required by Beneficiary, then, in any such event, all such costs, expenses and fees incurred by Trustee and Beneficiary, as the case may be, in connection therewith (including, but without limiting the generality of the foregoing, any civil or criminal fines or penalties incurred as a result of Grantor's actions and reasonable attorneys' fees (based on hourly rates for services performed), costs and disbursements) (i) shall be deemed to be Indebtedness, (ii) shall be a lien on the Property prior to any right or title to, interest in, or claim upon, the Property

subordinate to the lien of this Deed of Trust, and (iii) shall be payable, on demand, together with interest thereon at the Interest Rate, from the date of any such payment by Trustee or Beneficiary, as the case may be, to the date of repayment to Trustee or Beneficiary, as the case the case may be. In any action to enforce any remedy made under this Deed of Trust, including, but without limiting the generality of the foregoing, sale of the Property by Trustee pursuant to the power of sale provided herein or otherwise, or to recover or collect the Indebtedness or any portion thereof, the provisions of this Article 17 with respect to the recovery of costs, expenses, disbursements and penalties shall prevail unaffected by the provisions of any Legal Requirement with respect to the same to the extent that the provisions of this Article 17 are not inconsistent therewith or violative thereof.

18. Defaults. (a) The occurrence of any one or more of the following events (regardless of the reason therefor) shall constitute a default ("Default") hereunder:

(i) the occurrence of any Event of Default under (and as defined, and more particularly described in) the Credit Agreement ("Credit Agreement Default"); or

(ii) any default by Grantor in the due observance or performance of any of the terms, covenants or provisions contained in this Deed of Trust ("Deed Default"), which default continues beyond the applicable grace period therefor (and if no specific grace period shall have been provided herein, then such grace period shall be deemed to be thirty (30) days); provided, however, that if such default is susceptible to cure but, in the reasonable judgment of Beneficiary, cannot be cured within thirty (30) days, then if Grantor, within such thirty (30) day period, shall commence the curing of such default and thereafter shall continue to proceed diligently to cure such default, then the thirty (30) day period shall be extended for such period as is reasonably necessary to cure such default but in no event for longer than one hundred and twenty (120) days.

19. Remedies. (a) Upon the occurrence of any Deed Default hereunder, Beneficiary, and when requested to do so by Beneficiary, Trustee, may, without notice, presentment, demand or protest, all of which are hereby expressly waived by Grantor to the extent permitted by applicable law, take the following actions, each of which may be pursued concurrently or otherwise, at such time and in such manner as Beneficiary may determine, in

its sole discretion, without impairing or otherwise affecting the other rights and remedies of Beneficiary hereunder or at law or in equity (excluding, however, the right to declare the entire amount of the Indebtedness due and payable and the right to pursue foreclosure action against the Property):

(i) Beneficiary may, without releasing Grantor from any Obligation under this Deed of Trust or any other Loan Document and without waiving any Default, exercise any of its rights and remedies under Article 15 hereof.

(ii) Beneficiary may, without releasing Grantor from any Obligation under this Deed of Trust, and without waiving any Default, enter upon and take possession of the Real Estate or any portion thereof, either personally or by its agents, nominees or attorneys, and dispossess Grantor and its agents and servants therefrom and, thereupon, Beneficiary may (x) use, manage and operate the Real Estate and the business conducted upon the Real Estate and (y) exercise all rights and powers of Grantor with respect to the Property, either in the name of Grantor or otherwise, including, but without limiting the generality of the foregoing, the right to make, cancel, enforce or modify the Leases, obtain and evict lessees, establish or change the amount of any Rents and the manner of collection thereof and perform any acts which Beneficiary deems proper, in its sole discretion, to protect the security of this Deed of Trust. After deduction of all costs and expenses of operating and managing the Real Estate, including, but without limiting the generality of the foregoing, reasonable attorneys' fees, costs and disbursements, administration expenses, management fees and brokers' commissions, satisfaction of liens on any of the Property, payment of Impositions, claims and Insurance Premiums, invoices of persons who may have supplied goods, and services to or for the benefit of any of the Property and all costs and expenses of the maintenance, repair, Restoration, alteration or improvement of any of the Property, Beneficiary may apply the Rents received by Beneficiary to payment of the Indebtedness or performance of the Obligations. Beneficiary may apply the Rents received by Beneficiary to the payment of any or all of the foregoing in such order and amounts as Beneficiary, in its sole discretion, may elect. Beneficiary may, in its sole discretion, determine the method by which, and extent to which, the Rents will be collected and the obligations of the lessees under the Leases enforced and Beneficiary may waive or fail to enforce any right or remedy of the lessor under any Lease.

(iii) Beneficiary may disaffirm and cancel any Lease affecting the Real Estate or any portion thereof at any time during the period that it is exercising its remedies under this Article 19, even though Beneficiary shall have enforced such Lease, collected Rents thereunder or taken any action that might be deemed by law to constitute an affirmation of such Lease. Such disaffirmance shall be made by notice addressed to the lessee at the Real Estate or, at Beneficiary's option, such other address of the lessee as may be set forth in such Lease.

(b) Upon the occurrence of any Credit Agreement Default, Beneficiary, and when requested to do so by Beneficiary, Trustee, may, without notice, presentment, demand or protest, all of which are hereby expressly waived by Grantor to the extent permitted by applicable law, pursue any or all of the remedies set forth in Paragraph 19(a), and in addition thereto, may take any or all of the following actions:

(i) Beneficiary may declare the entire amount of the Indebtedness immediately due and payable. Thereupon, all of the other Obligations also shall become immediately due and payable.

(ii) Beneficiary may, with or without entry, sell or offer for sale, or cause the Trustee to sell or offer for sale, the Property or any part thereof and all estate, right, title and interest, claim and demand therein, and right of redemption thereof, at one or more sales as an entity or in parcels and at such time and place, upon such terms, pursuant to such procedures, and after such notice thereof as may be required or permitted by law in accordance with the provisions of Oregon's Trust Deeds Act, ORS 86.705 to ORS 86.795, which statutory rights and obligations are by this reference made a part of this First Deed of Trust.

(iii) Beneficiary may elect to (x) institute and maintain an action with respect to the Property under any other Loan Documents, or (y) take such other action as may be allowed at law or in equity for the enforcement of this Deed of Trust, the Additional Mortgages and the other Loan Documents. Beneficiary may proceed in any such action to final judgment and execution thereon for the whole of the Indebtedness, together with interest thereon at the Interest Rate, from the date on which Beneficiary shall cause the same to be declared due and payable to the date of repayment to Beneficiary, and all costs of any such action, including,

but without limiting the generality of the foregoing, reasonable attorneys' fees, costs and disbursements.

(iv) Beneficiary may take any such other action as Beneficiary deems advisable, in its sole discretion, to protect and enforce the rights of Trustee and Beneficiary in and to the Property.

(c) Beneficiary, in any action to enforce this Deed of Trust, or in conjunction with any non-judicial Trust Deed Foreclosure sale proceeding as authorized by ORS 86.735(4)(a), shall be entitled to the appointment of a receiver.

(d) The remedies and rights granted to Beneficiary and Trustee hereunder are cumulative and are not in lieu of, but are in addition to, and shall not be affected by the exercise of, any other remedy or right available to Beneficiary or Trustee whether now or hereafter existing either at law or in equity or under this Deed of Trust or any other Loan Documents.

(e) Neither Grantor, any guarantor nor any other person hereafter obligated for payment of all or any part of the Indebtedness or fulfillment of all or any of the Obligations shall be relieved of such obligation by reason of (i) the failure of Trustee to comply with any request of Grantor, any guarantor or of any other person so obligated to foreclose the lien of this Deed of Trust or to enforce any provisions of the other Loan Documents; (ii) the release, regardless of consideration, of the Property or the addition of any other property to the Property; (iii) any agreement or stipulation between any subsequent owner of the Property and Beneficiary extending, renewing, rearranging or in any other way modifying the terms of the Loan Documents without first having obtained the consent of, given notice to or paid any consideration to Grantor, any guarantor or such other person, and in such event Grantor, guarantor and all such other persons shall continue to be liable to make payment according to the terms of any such extension or modification agreement unless expressly released and discharged in writing by Beneficiary, or (iv) by any other act or occurrence save and except the complete payment of the Indebtedness.

(f) Beneficiary may release, regardless of consideration, any part of the Property without, as to the remainder, in any way impairing, affecting, subordinating or releasing the lien or security interests created in or evidenced by the Loan Documents or their stature as a first and prior lien and security interest in and to the Property. For payment of the Indebtedness, Beneficiary may resort to any other security

therefor held by Trustee in such order and manner as Beneficiary may elect.

20. Additional Representations and Warranties.

Grantor represents and warrants that: (a) on the date hereof, no portion of the Buildings or the Fixtures have been damaged, destroyed or injured by fire or other casualty which is not now fully restored; (b) Grantor has all necessary licenses, authorizations, registrations and approvals to own, use, occupy and operate the Real Estate and has full power and authority to carry on its business at the Real Estate as currently conducted and has not received any notice of any violation of any Legal Requirement; and (c) Grantor is a business and commercial organization, and the transaction reflected in, and effectuated by, the Loan Documents is made solely to acquire or carry on a business and commercial enterprise.

21. No Waivers, Etc. A failure by Trustee or

Beneficiary to insist upon the strict performance by Grantor of any of the terms and provisions of this Deed of Trust shall not be deemed to be a waiver of any of the terms, covenants, conditions and provisions hereof and Trustee and Beneficiary, notwithstanding any such failure, shall have the right thereafter to insist upon the strict performance by Grantor of any and all of the terms, covenants, conditions and provisions of this Deed of Trust to be performed by Grantor. Beneficiary may release, regardless of consideration and without the necessity for any notice to or consent by the holder of any subordinate lien on the Property, any part of the security held for payment of the Indebtedness or any portion thereof or for the performance of the Obligations secured by this Deed of Trust without, as to the remainder of the security, in any manner whatsoever, impairing or affecting the lien of this Deed of Trust or the priority of the lien of this Deed of Trust over any subordinate lien. Beneficiary may resort for the payment of the Indebtedness secured by this Deed of Trust to any other security therefor held by Trustee or Beneficiary in such order and manner as Beneficiary may elect.

22. Additional Rights.

The holder of any subordinate lien on the Property shall have no right to terminate any Lease whether or not such Lease is subordinate to this Deed of Trust, or otherwise.

23. Waivers by Grantor.

Grantor hereby waives the right, if any, to require any sale to be made in parcels, and the right, if any, to select parcels to be sold, and there shall be

no requirement for marshalling of assets.

24. Notices. Except as provided in Article 19 hereof, whenever it is provided herein that any notice, demand, request, consent, approval, declaration or other communication shall or may be given to or served upon either Grantor, Trustee or Beneficiary, or whenever either Grantor, Trustee or Beneficiary shall desire to give or serve upon the other any such communication with respect to this Deed of Trust or the Property, each such notice, demand, request, consent, approval, declaration or other communication shall be in writing and either shall be delivered in person with receipt acknowledged or registered or certified mail, return receipt requested, postage prepaid, addressed as follows:

Any act which Trustee or Beneficiary is permitted to perform under this Deed of Trust, the Credit Agreement or any other Loan Document may be performed at any time and from time to time by Trustee or Beneficiary, as the case may be. any act which is prohibited by grantor under this Deed of Trust, the Credit Agreement or any other Loan Document is also prohibited to all lessees of any of the Property. Each appointment of Beneficiary as attorney-in-fact for Grantor under this Deed of Trust, the Credit Agreement or any other Loan Document shall be irrevocable as long as any of the Indebtedness shall remain unpaid or any of the Obligations remain to be performed and shall be deemed to be coupled with an interest. 30. Choice of Law Severability and Limitation of Interest. This Deed of Trust was negotiated in New York, and made by Grantor and accepted by Beneficiary in the State of New York, and the proceeds of the loan secured hereby were disbursed from New York, which state the parties agree has a substantial relationship to the parties and to the underlying transaction embodied hereby, and in all respects, including, without limiting the generality of the foregoing, matters of construction, validity and performance relating to terms defined in the Credit Agreement and relating to the indebtedness and its payment and with respect to obligations created under the Credit Agreement, all of which shall be governed by, and construed in accordance with, the laws of the State of New York applicable to contracts made and performed in such State and any applicable laws of the United States of America. All other provisions hereof and obligations arising hereunder, together with those which relate to the creation, perfection, priority and enforcement of the liens on and security interests in the property shall be governed by the State in which the Property is located, it being understood that, to the fullest extent permitted by the law of such State, the law of the state of New York shall govern the validity and enforceability of all loan documents (except with

respect to this Deed of Trust to the extent that it is governed by the laws of another State as provided in this Article 30 hereof), and the indebtedness. Whenever possible, each provision of this Deed of Trust shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Deed of Trust shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remaining provisions of this Deed of Trust. Nothing in this Deed of Trust or in any other loan documents shall require Grantor to pay, or Beneficiary to accept, interest in an amount which would subject Beneficiary to penalty under applicable law. In the event that the payment of any interest due hereunder or under any of the other loan documents or a payment which is deemed interest, exceeds the maximum amount payable as interest under the applicable usury laws, such excess amount shall be applied to the reduction of the indebtedness, and upon payment in full of the indebtedness, shall be applied to the performance of the obligations, and upon performance in full of the obligations, shall be deemed to be a payment made by mistake and shall be refunded to Grantor.

31. Receipt of Copy. Grantor acknowledges that it has received a true copy of this Deed of Trust, and fully has examined executed counterparts of the other Loan Documents.

32. No Joint Venture or Partnership. Grantor and Beneficiary intend that the relationship created hereunder be solely that of grantor and beneficiary or borrower and lender, as the case may be. Nothing herein is intended to create a joint venture, partnership, tenancy-in-common, or joint tenancy relationship between Grantor and Beneficiary nor to grant Beneficiary any interest in the Property other than that of beneficiary or lender.

33. Security Agreement Under Uniform Commercial Code. It is the intent of the parties hereto that this Deed of Trust shall constitute a "security agreement" within the meaning of the Uniform Commercial Code of the State of Oregon (the "Code") with respect to so much of the Fixtures or any other part of the Property as are considered or as shall be determined to be personal property or "fixtures" (as defined in the Code) and not real estate, together with all replacements thereof, substitutions therefor or additions thereto (said personal property and "fixtures" being sometimes hereinafter referred to as the "Collateral"), and that a security interest shall attach thereto for the benefit of Beneficiary to secure the Indebtedness. Grantor hereby authorizes Trustee to file

financing and continuation statements with respect to the Collateral without the signature of Grantor, if same is lawful; otherwise Grantor agrees to execute such financing and continuation statements as Trustee may reasonably request. If there shall exist a Default under this Deed of Trust, Trustee, pursuant to the appropriate provisions of the Code, shall have the option of (i) proceeding as to both real and personal property in accordance with its rights and remedies in respect of the real property, in which event the default provisions of the Code shall not apply or (ii) proceeding with respect to the Collateral separately from the real property provided. The parties agree that, in the event Trustee shall elect to proceed with respect to the Collateral separately from the real property, unless a greater period shall then be mandated by the Code, five (5) days notice of the sale of the Collateral shall be reasonable notice. Trustee's reasonable expenses of retaking, holding, preparing for sale, selling and the like, including, but not limited to, attorneys' fees and other legal expenses, shall be assessed against Grantor and shall be secured hereby. Grantor agrees that it will not remove or permit to be removed from the Property any of the Collateral without the prior written consent of Trustee except as hereinabove provided. All replacements, renewals and additions to the Collateral shall be and become immediately subject to the security interest of this Deed of Trust and the provisions of this Paragraph 33. Grantor warrants and represents that the Collateral now is, and that all replacements thereof, substitutions therefor or additions thereto will be, free and clear of liens, encumbrances or security interests or others.

IN WITNESS WHEREOF, Grantor has caused this Deed of Trust to be duly executed and acknowledged under seal the day and year first above written.
