"To protect the security of this Trust Deed, Grantor agrees as follows:

Maintenance of the Property. Grantor agrees to maintain the Property in good condition at all times. Grantor shall pro-11 mptly make all necessary repairs, replacements and renewals so that the value of the Property shall be maintained, and Grantor shall not commit or permit any waste on the Property. Grantor will not permit any portion of the Property to be used for any unlawful purpose. Grantor will comply promptly with all laws, ordinances, regulations and orders of all public authorities having jurisdiction thereof relating to the Property or the use, occupancy and maintenance thereof. Grantor shall not materially alter the buildings, improvements, fixtures, equipment or appliances now or hereafter upon the Property or remove the same therefrom, or permit any tenant or other person to do so, without the written consent of the lender. The lender shall not unreasonably withhold consent to any remodeling or alterations if the lender's security hereunder is not jeopardized. Lender shall have the right at any time, and from time to time, to enter the Property for the purpose of inspecting the same.

18740

Completion of Construction. If some or all of the proceeds of the loan creating the indebtedness are to be used to con-12 struction promptly and in any event within thirty (30) days from the date of this instrument, and complete the same in accordance with any agreements relating to construction, plans and specifications satisfactory to Lender within eight (8) months of the date of this instrument; Grantor agrees to allow Lender to inspect said Property at all times during construction; Grantor agrees to replace any work or materials unsatisfactory to Lender within fifteen (15) calendar days after notice to the grantor of such fact; and the grantor agrees that work shall not cease on the construction of such improvement for any reason whatsoever for a period of fifteen (15) consecutive days.

1.3 Taxes and Assessments. Grantor shall pay, when due, all taxes and assessments that may be levied upon or on account of the Property, this Trust Deed or the indebtedness secured hereby, or upon the interest or estate in the Property created or represented by this Trust Deed whether levied against Grantor or otherwise.

Liens. Grantor shall pay as due all liens or claims for work done on or for services rendered or materials furnished to the Property. Grantor shall maintain the Property free of any liens having priority over or equal to the interest of the lender under this Trust Deed, except for:

- a. The lien of taxes and assessments not delinquent;
- b. Those mentioned in subparagraph 1.5; and
- Permitted encumbrances as defined in paragraph 4.

1.5 **Disputed Liens.** Grantor may withhold payment of any tax, assessment, or claim in connection with a good faith dispute over the obligation to pay, so long as the lender's interest in the Property is not jeopardized. If a lien arises or is filed as a result of nonpayment, Grantor shall within thirty (30) days after Grantor has notice of the filing, secure the discharge of the lien or deposit with the lender cash or a sufficient surety bond or other security satisfactory to Lender in an amount sufficient to discharge the lien, plus any costs, attorney fees or other charges that could accrue as a result of foreclosure or sale under the lien.

1.6 Insurance. Grantor shall carry such insurance as the lender may reasonably require. This shall include insurance on the Property against loss or damage by fire and the additional risks covered by a standard endorsement for extended coverage. Insurance on the Property shall be carried in companies and under policies reasonably satisfactory to Lender, and shall be main-tained at all times in an amount equal to the full insurable value of the Property, and in an amount sufficient to comply with any co-insurance provisions in any policy.

All policies of insurance on the Property shall bear an endorsement naming Lender as a loss payee, and copies thereof or certificates therefor shall be deposited with Lender. In the event of loss, Grantor shall immediately notify Lender who may make proof of loss if it is not promptly made by Grantor. Proceeds shall be payable directly to Lender who may compromise with any insurance company and make a final settlement which shall be binding upon Grantor. The lender may, at its election, apply the proceeds to the reduction of the indebtedness or the restoration or repair of the Property.

At least thirty (30) days prior to the expiration of any policy; a copy of or certificate for a satisfactory renewal or substitute policy shall be secured by Grantor and delivered to Lender.

RESERVES: MORTGAGE INSURANCE PREMIUMS. 2.

2.1: Reserve Payments. If allowed by law, and if Grantor and Lender do not otherwise expressly agree in writing, Lender may require Grantor to maintain reserves for payment of taxes (including special assessments and other charges against the Property by governmental or quasi-governmental bodies) or premiums on property insurance or both. The reserve shall be created by payment each month to the lender of an amount determined by the lender to be sufficient to produce by the date they are due amounts equal to the estimated taxes and insurance premiums to be paid. If at the time that payments are to be made the reserve for either taxes or insurance premiums is insufficient, Grantor shall upon demand pay such additional sum as the lender shall determine to be necessary to cover the required payment.

2.2 Reserve Funds. Lender shall not charge a service charge for collecting reserves and paying taxes and insurance premiums. The reserve shall not constitute a trust and Grantor agrees that Lender may commingle reserve funds with other funds of Lender, and need not invest them for the benefit of Grantor. Grantor agrees that Lender need not pay Grantor interest on reserves, unless applicable statutes require payment of interest not withstanding any contrary agreement.
