Dear Mr. Davis:

We have completed our examination of your Post Election statement of Contributions and Expenditures for the 1988 Primary Election and have determined that you have violated Oregon Election law. Specifically, you have failed to file a sufficient report as required by ORS 260.083. A copy is enclosed of a previous notice sent to you regarding this matter detailing the specific violation(s). You are required to file the requested information, or provide this office with evidence of your efforts to obtain the information.

Because we find that you did violate an election law (ORS 260.083), and have not provided sufficient proof of efforts to comply with the requirements, we are assessing a penalty of \$25.00. The total of \$25.00 should be paid to the Secretary of State not later than the 10th day after receiving this notice or we must docket the fine in the County Clerk Lien Records.

You have the right to request a hearing to contest our findings. If you choose to request a hearing, you must notify this agency of the request within seven days of receiving this notice. You also may be represented by counsel at the hearing. We have enclosed a "Notice of Contested Rights and Procedures" for your information if you choose to request a hearing.

You need not appear in person at the hearing, but may submit written testimony and other evidence, sworn to before a notary public, to the Secretary of State, for entry in the hearing record. All hearings will be conducted in accordance with ORS 183.310 to 183.550.

If you have any questions, please contact this office.

Sincerely,

William E. Flynn
Director of Elections
