This instrument shall constitute a security agreement within the meaning of the Uniform Commercial Code with respect to any personal property included within the description of the property. Upon request of Seller, Buyer shall execute any necessary financing statements in the form required by the Uniform Commercial Code and shall file the statements at Buyer's expense. Without further authorization from Buyer, Seller may at any time file copies of the Contract as financing statements. Upon default under the terms of this Contract, Buyer shall, within three (3) days of receipt of written demand from Seller, assemble the personal property and make it available to Seller.

#### SECTION 6. DEFAULT

- EVENTS OF DEFAULT. Time is of the essence of this Contract. A default shall occur under any of the following circumstances: 61
  - Failure of Buyer to make any payment when payment is due. No notice of default and no opportunity to cure shall be required if during any twelve (12)month period Seller has already sent three (3) notices to Buyer concerning non-payment or late payment under this Contract.

Sec. 2 March

Failure of Buyer to perform any other obligation in this Contract in addition to payment. Buyer must perform obligation within thirty (30) days after (b) receiving Notice of Default from Seller. Such Notice shall specify the nature of the default.

REMEDIES ON DEFAULT. In the event of a default, Seller may take any one or more of the following steps: 6.2

- Declare the entire balance due on the Contract, including interest, immediately due and payable; (a)
- Foreclose this Contract by suit in equity; (b)
- Specifically enforce the terms of this Contract by suit in equity; (C)
- Exercise the rights and remedies of a secured party as provided by the Uniform Commercial Code. Seller may exercise these rights and remedies with (d) respect to any part of the property which constitutes personal property in which Seller has a security interest.
- Choose to impose a late charge. The charge will not exceed five (5) cents per dollar of the payment in the event Buyer fails to make any payment within (e) 10 days after it is due.
- Declare this Contract to be void thirty (30) or more days after Seller gives written notice to Buyer of Seller's intention to do so, unless the performance (f) then due under this Contract is tendered or accomplished prior to the time stated. At the end of the thirty (30) days, all of Buyer's rights under this Contract shall cease without further act by Seller. Seller shall then be entitled to immediate possession of the property. All payments previously made to Seller by Buyer may be kept by Seller as reasonable rental of the property up to the time of default.
- Appoint a receiver. Seller shall be entitled to the appointment of a receiver as a matter of right. It does not matter whether or not the apparent value of (a) the property exceeds the amount of the balance due on the Contract. Any receiver appointed may serve without bond. Employment by Seller shall not disqualify a person from serving as a receiver. Upon taking possession of all or any part of the property, the receiver may:
  - Use, operate, manage, control, and conduct business on the property and make necessary expenditures for all maintenance and (i) improvements that in the receiver's judgement are proper;
  - Collect all rents, revenues, income, issues, and profits from the property and apply such sums to the necessary expenses of use, operation, (ii) and management:
  - Complete any construction in progress on the property, at Seller's option. To complete that construction, receiver may pay all bills, borrow (iii) funds, employ contractors, and make any changes in plans and specifications that Seller deems appropriate.
    - If the revenues produced by the property are insufficient to pay expenses, the receiver may borrow, from Seller or otherwise, such sums as receiver deems necessary. These sums shall be used for the purposes stated in this paragraph. Repayment of such sums shall be secured by this Contract. Amounts borrowed from or advanced by Seller shall bear interest at the same rate as the balance on this Contract. Interest shall be charged from the date the amount is borrowed or advanced until the amount is repaid. Any amount borrowed shall be paid by Buyer on demand.
- Elect to collect all rents, revenues, income, issues, and profits (the "Income") from the property, whether due now or later. Prior to default, Buyer may (h) operate and manage the property and collect the Income from the property. In the event of default and at any time hereafter, Seller may revoke Buyer's right to collect the Income from the property. Seller may collect the income either through itself or a receiver. Seller may notify any tenant or other user to make payments of rents or use fees directly to Seller. If the income is collected by Seller, then Buyer irrevocably designates Seller as Buyer's attorney-in-fact and gives Seller permission to endorse rent or fee checks in Buyer's name. Buyer also gives Seller permission to negotiate and collect such rents or fees. Payments by tenants or other users to Seller in response to Seller's demand shall satisfy the obligation for which the payments are made, whether or not any proper grounds for the demand existed. Seller shall apply the Income first to the expenses of renting or collection and the balance (if any) to payment of sums due from Buyer to Seller under this Contract.
- REMEDIES NONEXCLUSIVE. The remedies provided above shall not exclude any other remedies provided by law. They are in addition to any other such 6.3 remedies.

### SECTION 7. SELLER'S RIGHT TO CURE

If Buyer fails to perform any obligation required of it under this Contract, Seller may, without notice, take any steps necessary to remedy such failure. Buyer shall reimburse Seller for all amounts expended in so doing on demand. Such action by Seller shall not constitute a waiver of the default or any other right or remedy which Seller may have on account of Buyer's default.

#### SECTION 8. WAIVER

Failure of either party at any time to require performance of any provision of this Contract shall not limit the party's right to enforce the provision. If a party waives a breach of any provision of this Contract, the waiver applies only to that specific breach. It does not apply to the provision itself.

#### SECTION 9. INDEMNIFICATION

Buyer shall forever defend, indemnify, and hold Seller harmless from any claim, loss, or liability arising out of or in any way connected with Buyer's possession or use of the property: Buyer's conduct with respect to the property; or any condition of the property. In the event of any litigation or proceeding brought against Seller and arising out of or in any way connected with any of the above events or claims, against which Buyer agrees to defend Seller, Buyer shall, upon notice from Seller, vigorously resist and defend such actions or proceedings through legal counsel reasonably satisfactory to Seller.

## SECTION 10. SUCCESSOR INTERESTS

This Contract shall be binding upon and for the benefit of the parties, their successors, and assigns. But no interest of Buyer shall be assigned, subcontracted, or otherwise transferred, voluntarily or involuntarily, without the prior written consent of Seller. Consent by Seller to one transfer shall not constitute consent to other transfers or waiver of this section.

As a condition to such consent, Seller may increase the interest rate under this Contract from the date of the transfer. Any increase in the interest rate under this Contract shall entitle the Seller to increase monthly payments. Monthly payments may be increased to the amount necessary to retire the obligation within the time provided
