affecting Landowners' said property, including, without limitation by this recital, all rights of way, easements and servitudes for all irrigation and drainage facilities of the United States or K.I.D. as now constructed and located upon or affecting Landowners' said property and do agree that K.I.D. and the United States each now own, have and hold and shall continue to own, have and hold a prescriptive right, right of way, easement and servitude for all percolation, seepage, leakage, overflow, flooding or any failure or lack of drainage which now exists or which at any time heretofore has occurred or resulted from any irrigation or drainage facility now constructed or in existence on or near any part of the Landowners' said premises.
