I have the right to prepay the whole amount owing to you in full at any time or in part from time to time. I understand that the finance charge (interest) is computed daily. The amounts shown on the reverse side for the Finance Charge, Total of Payments, and the Total Sale Price are estimates based on the assumption that you will receive each of the payinents exactly on its due date. If I make an early payment, my finance charge will be less, if I pay late my finance charge will be higher. Any necessary adjustment to my total finance charge will be reflected in my final bill. I may voluntarily prepay the amount I owe you, in full or in part, at any time. If I make a partial prepayment, I must continue to make my regular payments until I have paid all amounts owed.
