The date of maturity of the debt secured by this instrument is the date, stated above, on which the final installment of the note becomes due and payable. In the event the within described property, or any part thereof, or any interest therein is sold, agreed to be sold, conveyed, assigned or alienated by the grantor without first having obtained the written consent or approval of the beneficiary, then, at the beneficiary's option, all obligations secured by this instrument, irrespective of the maturity dates expressed therein, or herein, shall become immediately due and payable.

To protect the security of this trust deed, grantor agrees:

1. To protect, preserve and maintain the property in good condition and repair; not to remove or demolish any building or improvement thereon; not to commit or permit any waste of the property.
 2. To complete or restore promptly and in good and habitable condition any building or improvement which may be constructed, damaged or destroyed thereon, and pay when due all costs incurred therefor.
 3. The amount collected under any fire or other insurance policy may be applied by beneficiary upon any indebtedness secured hereby and in such order as beneficiary may determine, or at option of beneficiary the entire amount so collected, or any part thereof, may be released to grantor.  5. To keep the property free from construction liens and to pay all taxes, assessments and other charges that may be levied or assessed upon or against the property before any part of such taxes, assessments and other charges become past due or delinquent and promptly deliver receipts therefor to beneficiary; should the grantor fail to make payment of any taxes, assessments, insurance premiums, liens or other charges payable by grantor, either by direct payment or by providing beneficiary with funds with which to make such payment, beneficiary may, at its option, make payment thereof, and the amount so paid, with interest at the rate set forth in the note secured hereby, together with the obligations described in paragraphs 6 and 7 of this trust deed, shall be added to and become a part of the debt secured by this trust deed, without waiver of any rights arising from breach of any of the covenants hereof and for such payments, with interest as aforesaid, the property hereinbefore described, as well as the grantor, shall be bound to the same extent that they are bound for the payment of the obligation herein described, and all such payments shall be immediately due and payable without notice, and the nonpayment thereof shall, at the option of the beneficiary, render all sums secured by this trust deed immediately due and payable and constitute a breach of this trust deed.
 6. To pay all costs, fees and expenses of this trust including the cost of title search as well as the other costs and expenses of the trustee incurred in connection with or in enforcing this obligation and trustee's and attorney's fees actually incurred.
 7. - It is mutually agreed that:
8. In the event that any portion or all of the property shall be taken under the right of eminent domain or condemnation, beneficiary shall have the right, if it so elects, to require that all or any portion of the monies payable as compensation for such taking,
