(b) Trustor will perform all obligations imposed as a requirement of exercise of said grazing permits or other rights and will comply with all laws, rules and regulations applicable thereto;

(c) Trustor will take such timely action as may be required to cause the renewal or reissuance of said grazing permits or other rights from time to time as they expire during the term thereof. Trustor agrees and acknowledges that the failure to renew or cause the reissuance of any said permits for any reason, whether the result of an act or omission of Trustor or for reasons beyond Trustor's control, is an event of default hereunder and Beneficiary shall have the right to exercise the rights hereinafter set forth in this Deed of Trust.

(d) Trustor agrees to pay all fees, charges, rents or other payments accruing under said permits or any renewals thereof prior to delinquency. In the event Trustor fails to pay any such payment, the amount unpaid shall become a part of the indebtedness secured by this Deed of Trust and shall be immediately due and payable.

11. Trustor shall furnish Beneficiary as soon as possible, but in no event later than 120 days after each fiscal year end, financial reports for each of the undersigned, including a balance sheet and a profit and loss statement.

B. IT IS MUTUALLY AGREED THAT:

1. Any award of damages in connection with any taking or condemnation or injury to the Property by reason of public use, or for damages resulting from private trespass or injury to the Property, is absolutely and unconditionally assigned and shall be paid to Beneficiary, under the terms and conditions of this Deed of Trust pertaining to Rents. Upon receipt of such money Beneficiary may apply the same on the indebtedness secured hereby. Trustor agrees to execute such further documents as may be required to effect the assignments herein made as Beneficiary or Trustee may require.

2. At any time, without affecting the liability of any person for the payment of the indebtedness secured hereby, and without otherwise affecting the security hereof, Trustee may (a) consent to or join in the making of any map or plat of the Property; (b) grant any easement or create any restriction thereof; (c) subordinate this Deed of Trust; (d) extend or modify the term of the loan or loans secured hereby; and (e) reconvey without warranty, all or any part of the Property. Trustor agrees to pay reasonable Trustee's fees for any of the foregoing services.

3. Prior to any default by Trustor in the payment, observance, performance and discharge of any condition, obligation, covenant, or agreement of Trustor contained herein, Trustor may, as the agent and fiduciary representative of Beneficiary for collection and distribution purposes only, collect and receive the Rents as they come due and payable; the Rents are to be applied by Trustor to the payment of the principal and interest and all other sums due or payable on any promissory note or guaranty secured by this Deed of Trust and to the payment of all other sums payable under this Deed of Trust and, thereafter, so long as arrearages has occurred, the balance shall be distributed to the account of Trustor. Upon any such default, Beneficiary may at any time without notice, either in person, by agent, or by a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of the Property or any part thereof, in its own name, use for or otherwise collect such rents, issues and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees, upon any indebtedness secured hereby, and in such order as Beneficiary may determine; also perform such acts of repair, cultivation, irrigation or protection, as may be necessary or proper to conserve the value of the Property; also lease the same or any part thereof for such rental, term, and upon such conditions as its judgment may dictate; also prepare for harvest, remove, and sell any crops that may be growing upon the Property, and apply the proceeds thereon upon the indebtedness secured hereby.

4. The entering upon and taking possession of the Property, the collection of such rents, issues, and profits, or the proceeds of fire and other insurance policies, or compensation or awards for any taking of or damage to the Property, and the application or release thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

5. Upon default by Trustor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, all sums secured hereby shall immediately become due and payable at the option of the Beneficiary and in accordance with applicable state law. In the event of default, Beneficiary may employ counsel to enforce payment of the obligations secured hereby, may cause the Trustee to sell the trust property in accordance with the power of sale granted herein and the applicable state law, and may exercise such other rights and remedies granted by law and equity, which rights and remedies shall be cumulative and not exclusive. Trustee may sell the Property either as a whole or in separate parcels, and in such order as it may determine. The purchase price shall be payable in lawful money of the United States at the time of the sale. In exercising the power of sale contained herein, Trustee may hold one or more sales of all or any portion of the Property by public announcement at the time and place of sale set forth in the notice thereof, and from time to time thereafter may postpone such sale or sales of all or any portion of the Property to the same or separate days by public announcement at such time fixed by the preceding postponement. Any person, including Trustee or Beneficiary, may purchase at such sale. Beneficiary may credit bid at any such sale, and if Beneficiary is the successful purchaser, it may apply any of the outstanding obligations secured hereby in settlement of the purchase price. Beneficiary may resort to and realize upon the security hereunder and any other real or personal property security now or hereafter held by Beneficiary for the obligations secured hereby in such order and manner as Beneficiary may, in its sole discretion, determine. Resort to any or all such security may be taken concurrently or successively and in one or several consolidated or independent judicial actions or lawful nonjudicial proceedings, or both. If the obligation secured by this Deed of Trust is also secured by personal property, fixtures or crops, Beneficiary may enforce its security interest in the personal property, fixtures and crops and its lien under this Deed of Trust in any manner and in any order or sequence permitted by applicable law. All remedies are cumulative and none are exclusive; no election by Beneficiary to pursue one remedy or item of collateral shall be deemed to be a release or waiver of any other item of collateral or a release or modification of the liability of Trustor or any guarantor to pay and perform in full all obligations to Beneficiary.

6. The failure on the part of the Beneficiary to promptly enforce any right hereunder shall not operate as a waiver of such right and the waiver by Beneficiary of any default shall not constitute a waiver of any other or subsequent defaults. Subsequent acceptance of any payment by the holder hereof shall not be deemed a waiver of any default by Trustor, or of Beneficiary's rights hereunder as the result of any sale, agreement to sell, conveyance, or alienation, regardless of holder's knowledge of such default, sale, agreement to sell, conveyance, or alienation at the time of acceptance of such payment.

7. This Deed of Trust applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The term Beneficiary shall mean the holder and owner of any note secured hereby; or, if the note has been pledged, the pledgee thereof. In this Deed of Trust, whenever the context so requires, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural. All obligations of Trustor hereunder are joint and several.

8. Trustee is not obligated to notify any party hereto of pending sale under any other Deed of Trust or of any action or proceeding in which Trustor, Beneficiary or Trustee shall be a party unless brought by Trustee.

9. Beneficiary may, from time to time or at any time, substitute a Trustee or Trustees to execute the trust hereby created, and when any such substitution has been filed for record in the office of the Recorder of the county in which the Property herein described is situated, it shall be conclusive evidence of the appointment of such Trustee or Trustees, and such new Trustee or Trustees shall succeed to all of the powers and duties of the Trustee or Trustees named herein.

10. In the event the herein-described Property, or any part thereof, or any interest therein, is sold, agreed to be sold, conveyed or alienated by Trustor, or by operation of law or otherwise, except by inheritance, all obligations secured hereby, irrespective of the maturity dates, at the option of the holder hereof, and without demand or notice, shall immediately become due and payable. Failure to exercise such option shall not constitute a waiver of the right to exercise this option in the event of subsequent sale, agreement to sell, conveyance or alienation.

11. In the event any one or more of the provisions contained in this Deed of Trust or in any Promissory Note hereby secured shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision of this Deed of Trust or said Promissory Note, but this Deed of Trust and said Promissory Note shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein or therein.

12. The undersigned Trustor agrees that he is entitled only to those notices required by applicable law and requests that a copy of any notice of default and of any notice of sale hereunder be mailed to Trustor at the address set forth below.
