**AGREEMENT**

NOW, THEREFORE, in consideration of the release by KID of  
Landowners' Land from KID's assessments, lien, collection and

agree with KID and its successors and assigns as follows:

(1) Landowners are the sole owners and holders of the fee  
simple title to the above described lands and have good right to  
execute this Agreement and to bind said lands as herein agreed.  
If said lands are subject to any trust deed, mortgage, contract  
of sale or other lien upon the land, landowners agree to furnish  
to KID, a recordable agreement from the owners and holders of

such instrument or lien to be subordinate to the terms of this Agreement but the failure of landowners to so secure such Agreement shall not relieve landowners or said lands from any of the terms and conditions of this Agreement.

(2) Said lands do not have reasonable access to the system of irrigation works of the district, or have been permanently devoted to uses other than agriculture, horticulture, viticulture or grazing, or are subject to being irrigated from another source or, it is in the best interest of KID to exclude said land from assessment and from the benefits of the District.

(3) Landowners understand and agree that by executing this Agreement, they are releasing and waiving all rights of membership in KID, including the right to receive irrigation water, the right to use the drainage system, and the right to vote in any District election.

(4) Landowners understand that by the execution of this Agreement, said lands may lose any right to receive water under State law because they acknowledge that the abandonment by nonuse of any prior right to receive water and by continued nonuse of water under this Agreement, the lands may fail to receive any future water rights. Landowners does hereby assign, quitclaim and transfer unto KID the water right, if any, appurtenant to their land and do hereby irrevocably appoint the chairperson of the Directors of the Klamath Irrigation District as their attorney in fact to execute any and all documents which may be necessary to transfer said water right, and to exclude landowners' land from the District.

(5) Landowners do hereby recognize, ratify, grant and confirm the existence of all existing rights of KID or the United States affecting Landowners' said property, including, without limitation by this recital, all rights of way, easements and servitudes for all irrigation and drainage facilities of the United States or KID as now constructed and located upon or affecting Landowners' said property and do agree that KID and the United States each now own, have and hold and shall continue to own, have and hold a prescriptive right, right of way, easement and servitude for all percolation, seepage, leakage, overflow, flooding or any failure or lack of drainage which now exists or which at any time heretofore has occurred or resulted from any irrigation or drainage facility now constructed or in existence on or near any part of the Landowners' said premises.

(6) Landowners do hereby absolve, waive and release both KID and the United States from any and all claims of liability for any damages or injuries to person or property which may have heretofore occurred or which may now be occurring in connection with the ownership, operation or maintenance of the Klamath Project.

(7) Landowners understand and agree that should they desire to be included in KID in the future, if such inclusion is possible, that before such request will be granted, Landowners will be required as a condition thereof to pay all assessments that have been exempted by this Agreement, plus the amount of all interest which would have been chargeable for nonpayment of such assessments if they had not been exempted by this Agreement.

(8) Landowners' representations, warranties, covenants, and agreements herein set forth are covenants running with Landowners' said land and each and every part and parcel thereof in perpetuity, forever binding the same for the use and benefit of KID and the United States of America, and their respective successors, grantees, transferees and assigns.

(9) Landowners do hereby acknowledge that they have read all of the foregoing instrument and consent and agree to each of the representations, warranties, covenants, and agreements contained herein.

This Agreement shall take effect upon the approval of same by the Board of Directors of KID, and the adoption of the Resolution exempting said land from the assessments of said District.
