[reverse]

This bond is one of the bonds, of a series designated as 7-3/4% Series due April 15, 2023, of an authorized issue of bonds of the Company, known as First Mortgage Bonds, not limited as to maximum aggregate principal amount, all issued or issuable in one or more series under and equally secured (except insofar as any sinking fund, replacement fund or other fund established in accordance with the provisions of the Indenture hereinafter mentioned may afford additional security for the bonds of any specific series) by an Indenture of Mortgage and Deed of Trust dated July 1, 1945, duly executed and delivered by the Company to The Marine Midland Trust Company of New York (now Marine Midland Bank, N.A.), as Trustee, as supplemented and modified by supplemental indentures (such Indenture of Mortgage and Deed of Trust as so supplemented and modified being hereinafter called the "Indenture"), to which Indenture and all indentures supplemental thereto, reference is hereby made for a description of the property mortgaged and pledged as security for said bonds, the nature and extent of the security, and the rights, duties and immunities thereunder of the Trustee, the rights of the holders of said bonds and of the Trustee and of the Company in respect of such security, and the terms upon which said bonds may be issued thereunder.

The bonds of the 7-3/4% Series due April 15, 2023 are subject to redemption prior to maturity as a whole at any time or in part from time to time (a) during each of the twelve months' periods set forth in the tabulation below, at the option of the Company (by operation of the replacement fund provided in the Indenture and otherwise, except in the cases mentioned in the following clause (b)), upon payment of the applicable percentage of the principal amount thereof set forth in said tabulation, under the heading "Regular Redemption Price"; and (b) as provided in the Indenture, by application of proceeds of the sale or disposition substantially as an entirety of the electric properties of the Company at Portland, Oregon upon payment of the principal amount thereof:

together in each case with interest accrued on the bonds to be redeemed to the redemption date, upon prior notice given by mailing such notice to the respective registered holders of such bonds not less than thirty nor more than ninety days prior to the redemption date, all as more fully provided in the Indenture.

If this bond or any portion thereof (One Thousand Dollars or an integral multiple thereof) is duly called for redemption and payment duly provided for as specified in the Indenture, this bond or such portion thereof shall cease to be entitled to the lien of the Indenture from and after the date payment is so provided for and shall cease to bear interest from and after the redemption date.

In the event of the selection for redemption of a portion only of the principal of this bond, payment of the redemption price will be made only upon surrender of this bond in exchange for a bond or bonds (but only of authorized denominations of the same series) for the unredeemed balance of the principal amount of this bond.

The Indenture contains provisions permitting the Company and the Trustee, with the consent of the holders of not less than seventy-five per cent in principal amount of the bonds (exclusive of bonds disqualified by reason of the Company's interest therein) at the time outstanding, including, if more than one series of bonds shall be at the time outstanding, not less than sixty per cent in principal amount of each series affected, to effect, by an indenture supplemental to the Indenture, modifications or alterations of the Indenture and of the rights and obligations of the Company and of the holders of the bonds and coupons; provided, however, that no such modification or alteration shall be made without the written approval or consent of the holder hereof which will (a) extend the maturity of this bond or reduce the rate or extend the time of payment of interest hereon or reduce the amount of the principal hereof or reduce any premium payable on the redemption hereof, (b) permit the creation of any lien, not otherwise permitted, prior to or on a parity with the lien of the Indenture, or (c) reduce the percentage of the principal amount of the bonds upon the approval or consent of the holders of which modifications or alterations may be made as aforesaid.

This bond is transferable by the registered owner hereof in person or by his attorney duly authorized in writing, at the corporate trust office of the Trustee in the Borough of Manhattan, City and State of New York, upon surrender of this bond for cancellation and upon payment of any taxes or other governmental charges payable upon such transfer, and thereupon a new registered bond or bonds of the same series and of a like aggregate principal amount will be issued to the transferee or transferees in exchange therefor.

The Company, the Trustee and any paying agent may deem and treat the person in whose name this bond is registered as the absolute owner hereof for the purpose of receiving payments of or an account of the principal hereof and interest due hereon, and for all other purposes, whether or not this bond shall be overdue, and neither the

Company, the Trustee nor any paying agent shall be affected by any notice to the contrary.

Bonds of this series are issuable only in fully registered form without coupons in denominations of \$1,000 and any integral multiple thereof. The registered owner of this bond at his option may surrender the same for cancellation at said office of the Trustee and receive in exchange therefor the same aggregate principal amount of registered bonds of the same series but of other authorized denominations upon payment of any taxes or other governmental charges payable upon such exchange and subject to the terms and conditions set forth in the Indenture.

If an event of default as defined in the Indenture shall occur, the principal of this bond may become or be declared due and payable before maturity in the manner and with the effect provided in the Indenture. The holders, however, of certain specified percentages of the bonds at the time outstanding, including in certain cases specified percentages of bonds of particular series, may in the cases, to the extent and as provided in the Indenture, waive certain defaults thereunder and the consequences of such defaults.

No recourse shall be had for the payment of the principal of or the interest on this bond, or for any claim based hereon, or otherwise in respect hereof or of the Indenture, against any incorporator, shareholder, director or officer, past, present or future, as such, of the Company or of any predecessor or successor corporation, either directly or through the Company or such predecessor or successor corporation, under any constitution or statute or rule of law, or by the enforcement of any assessment or penalty, or otherwise, all such liability of incorporators, shareholders, directors and officers, as such, being waived and released by the holder and owner hereof by the acceptance of this bond and as provided in the Indenture.

The Indenture provides that this bond shall be deemed to be a contract made under the laws of the State of New York, and for all purposes shall be construed in accordance with and governed by the laws of said State.

(End of Form of Bond of the 2023 Series)

NOW, THEREFORE, THIS SUPPLEMENTAL INDENTURE WITNESSETH, that, in order to secure the payment of the principal of, premium, if any, and interest on all Bonds at any time issued and outstanding under the Original Indenture as supplemented and modified by the supplemental indentures hereinbefore described and as supplemented and modified by this Supplemental Indenture, according to their tenor, purport and effect, and to secure the performance and observance of all the covenants and conditions therein and herein contained, and for the purpose of confirming and perfecting the lien of the Original Indenture on the properties of the Company hereinafter described, or referred to, and for and in consideration of the premises and of the mutual covenants herein contained, and acceptance of the Bonds of the 2023 Series by the holders thereof, and for other valuable consideration, the receipt whereof is hereby acknowledged, the Company has executed and delivered this Supplemental Indenture and by these presents does grant, bargain, sell, warrant, alien, convey, assign, transfer, mortgage, pledge, hypothecate, set over and confirm unto the Trustee the following property, rights, privileges and franchises (in addition to all other property, rights, privileges and franchises heretofore subjected to the lien of the Original Indenture as supplemented by the forty-one supplemental indentures hereinbefore described and not heretofore released from the lien thereof), to wit:

ARTICLE ONE.

BONDS OF THE 2023 SERIES AND CERTAIN
PROVISIONS RELATING THERETO.

SECTION 1.01. *Certain Terms of Bonds of the 2023 Series.* There shall be a series of Bonds, known as and entitled "First Mortgage Bonds, 7-3/4% Series due April 15, 2023," and the form thereof shall be substantially as hereinabove set forth. The aggregate principal amount of the Bonds of the 2023 Series shall be limited to \$150,000,000 excluding, however, any Bonds of the 2023 Series which may be executed, authenticated and delivered in exchange for or in lieu of or in substitution for other Bonds of the 2023 Series pursuant to the provisions of the Original Indenture or of this Supplemental Indenture.

The definitive Bonds of the 2023 Series shall be issuable only in fully registered form without coupons in the denomination of \$1,000 and in any integral multiple thereof. Except as provided in the next succeeding sentence and notwithstanding the provisions of Section 2.05 of the Original Indenture, each Bond of the 2023 Series shall be dated as of the date of its authentication, shall mature April 15, 2023, and shall bear interest from the April 15 or October 15, as the case may be, next preceding the date thereof to which interest has been paid, unless the date thereof is an April 15 or October 15 to which interest has been paid, in which case it shall bear interest from such date, or unless the date thereof is prior to October 1, 1993, in which case it shall bear interest from April 15, 1993. Each Bond of the 2023 Series authenticated between the record date (as hereinafter in this Section 1.01 defined) for any interest payment date and such interest payment date shall be dated as of the date of its authentication, but shall bear interest from such interest payment date; provided, however, that if and to the extent the Company shall default in the payment of the interest due on such interest payment date, then any Bond of the 2023 Series so authenticated shall bear interest from the April 15 or October 15, as the case may be, next preceding the date of such Bond to which interest has been paid, or if such default shall be in respect of the interest due on October 15, 1993, then from April 15, 1993. All Bonds of the 2023 Series shall bear interest at the rate of 7-3/4% per annum until the payment of the principal thereof has been made or duly provided for, such interest to be payable semi-annually on April 15 and October 15 in each year. The person in whose name any Bond of the 2023 Series is registered at the close of business on any record date (as hereinafter in this Section 1.01 defined) with respect to any interest payment date shall be entitled to receive the interest payable thereon on such interest payment date notwithstanding the cancellation of such Bond upon any transfer or exchange thereof subsequent to such record date and prior to such interest payment date, unless the Company shall default in the payment of the interest due on such interest payment date, in which case such defaulted interest shall be paid to the person in whose name such Bond is registered on a subsequent record date fixed by the Company, which subsequent record date shall be fifteen (15) days prior to

the payment of such defaulted interest. The term "record date" as used in this Section 1.01 with respect to any semi-annual interest payment date shall mean the April 1 or October 1, as the case may be, next preceding such interest payment date, or, if such April 1 or October 1 is not a business day, the business day next preceding such April 1 or October 1. The principal of the Bonds of the 2023 Series shall be payable in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts at the office or agency of the Company in the Borough of Manhattan, City and State of New York, and interest on such Bonds shall be payable in like coin or currency at said office or agency.

The definitive Bonds of the 2023 Series may be issued in the form of Bonds, engraved, printed or lithographed on steel engraved borders.

SECTION 1.07. I. Each holder of any Bond of the 2023 Series, by acceptance of such Bond shall thereby consent that, at any time after the requisite consents, if any, of the holders of Bonds of other series shall have been given as hereinafter provided, Subsections A and G of Section 1.10 of the Original Indenture be amended so as to read as follows:

"A. The term 'bondable public utility property' shall mean and comprise any tangible property now owned or hereafter acquired by the Company and subjected to the lien of this Indenture, which is located in the States of Oregon, Washington, California, Arizona, New Mexico, Idaho, Montana, Wyoming, Utah and Nevada and is used or is useful to it in the business of furnishing or distributing electricity for heat, light or power or other use, or supplying hot water or steam for heat or power or steam for other purposes, including, without limiting the generality of the foregoing, all properties necessary or appropriate for purchasing, generating, manufacturing, producing, transmitting, supplying, distributing and/or disposing of electricity, hot water or steam; provided, however, that the term 'bondable public utility property' shall not be deemed to include any nonbondable property, as defined in Subsection B of this Section 1.10, or any excepted property."

"G. The term 'minimum provision for depreciation' for the period from March 31, 1945 through December 31, 1966, as applied to bondable public utility property, whether or not subject to a prior lien, shall mean \$35,023,487.50.

"The term 'minimum provision for depreciation' for any calendar year subsequent to December 31, 1966, as applied to bondable public utility property, shall mean the greater of (i) an amount equal to 2% of depreciable bondable public utility property, as shown by the books of the Company as of January 1 of such year, with respect to which the Company was as of that date required, in accordance with sound accounting practice, to make appropriations to a reserve or reserves for depreciation or obsolescence, or (ii) the amount actually appropriated by the Company on its books of account to a reserve or reserves for depreciation or obsolescence in respect of depreciable bondable public utility property for such calendar year, in either case less an amount equal to the aggregate of (a) the amount of any property additions which during such calendar year were included in an officers' certificate filed with the Trustee as the basis for a sinking fund credit pursuant to the provisions of a sinking fund for Bonds of any series, and (b) 166-2/3% of the principal amount of Bonds of any series which shall have been delivered to the Trustee as a credit, or which the Company shall have elected to apply as a credit, against any sinking fund payment due during such calendar year for Bonds of any series, or which shall have been redeemed in anticipation of, or out of moneys paid to the Trustee on account of,

Bonds delivered to the Trustee as, or applied as, a credit against any sinking fund payment and Bonds redeemed in anticipation of any sinking fund payment, regardless of the time when they were actually delivered, applied or redeemed, for purposes of the preceding sentence shall be deemed to have been delivered, applied or redeemed, as the case may be, on the sinking fund payment date when such sinking fund payment was due. "The minimum provision for depreciation for any calendar year subsequent to December 31, 1966, as applied to bondable public utility property not subject to a prior lien, shall be determined as set forth in the paragraph immediately preceding, except that all references therein to 'depreciable bondable public utility property' shall be deemed to be 'depreciable bondable public utility property not subject to a prior lien'.

"The minimum provision for depreciation as applied to bondable public utility property and the minimum provision for depreciation as applied to bondable public utility property not subject to a prior lien for any period commencing subsequent to December 31, 1966 which is of twelve whole calendar months' duration but is other than a calendar year or which is of less than twelve whole calendar months' duration shall be determined by multiplying the number of whole calendar months in such period by one-twelfth of the corresponding minimum provision for depreciation for the most recent calendar year completed prior to the end of such period, and fractions of a calendar month shall be disregarded.

"The aggregate amount of the minimum provision for depreciation as applied to bondable public utility property and the aggregate amount of the minimum provision for depreciation as applied to bondable public utility property not subject to a prior lien from March 31, 1945 to any date shall be the sum of the corresponding minimum provision for depreciation for each completed calendaryear between December 31, 1966 and such date, plus the corresponding minimum provision for depreciation for the period, if any, from the end of the most recent such completed calendar year to such date, in each case determined as set forth above, plus \$35,023,487.50.

"All Bonds credited against any sinking fund payment due subsequent to December 31, 1966 for Bonds of any series and (except as provided in Section 9.04 with respect to Bonds on which a notation of partial payment shall be made)

all Bonds redeemed in anticipation of or out of moneys paid to the Trustee as a part of any sinking fund payment due subsequent to December 31, 1966 for Bonds of any series, shall be canceled and no such Bonds, nor any property additions which, subsequent to December 31, 1966, shall have been included in an officers' certificate filed with the Trustee as the basis for a sinking fund credit pursuant to the provisions of a sinking fund for Bonds of any series, shall be made the basis of the authentication and delivery of Bonds or of any other further action or credit hereunder."

II. Each holder of any Bond of the 2023 Series, by acceptance of such Bond shall thereby consent that, at any time after the requisite consents, if any, of the holders of Bonds of other series shall have been given as hereinafter provided:

(1) Subsection A of Section 1.10 of the Original Indenture, as the same may be amended as hereinabove in this Section 1.08 provided, be further amended by replacing the word "and" between the words "Utah" and "Nevada" with a comma and by adding after the word "Nevada" the words "and Alaska";

(2) Subsection G of Section 1.10 of the Original Indenture, as the same may be amended as hereinabove in this Section 1.08 provided, be further amended by amending the second paragraph thereof to read as follows:

"The term 'minimum provision for depreciation' for any calendar year subsequent to December 31, 1966, as applied to bondable public utility property, shall mean the greater of (i) an amount equal to 2% of depreciable bondable public utility property, as shown by the books of the Company as of January 1 of such year, with respect to which the Company was as of that date required, in accordance with sound accounting practice, to make appropriations to a reserve or reserves for depreciation or obsolescence, or (ii) the amount actually appropriated by the Company on its books of account to a reserve or reserves for depreciation or obsolescence in respect of depreciable bondable public utility property for such calendar year, in either case less an amount equal to the aggregate of (a) the amount of any property additions which during such calendar year were included in an officers' certificate filed with the Trustee as the basis for a sinking fund credit pursuant to the provisions of a sinking fund for Bonds of any series and which as a result of having been so included have been deemed, either without time limit or only so long as any Bonds of such series are outstanding, to have been 'included in an officers' certificate filed with the Trustee as the basis for a sinking fund credit' and to have been 'made the basis for action or credit hereunder' as such term is defined in Subsection H of Section 1.10 of the Original Indenture, and (b) 166-2/3% of the principal amount of Bonds of any series which shall have been delivered to the Trustee as a credit, or which the Company shall have elected to apply as a credit, against any sinking fund payment due during such calendar year for Bonds of any series, or which

shall have been redeemed in anticipation of, or out of moneys paid to the Trustee on account of, any sinking fund payment due during such calendar year for Bonds of any series and which as a result of having been so made the basis of a credit upon a sinking fund payment and/or so redeemed by operation of a sinking fund shall have been disqualified, either without time limit or only so long as any Bonds of such series are outstanding, from being made the basis of the authentication and delivery of Bonds or of any other further action or credit under the Original Indenture or any supplemental indenture. Bonds delivered to the Trustee as, or applied as, a credit against any sinking fund payment and Bonds redeemed in anticipation of any sinking fund payment, regardless of the time when they were actually delivered, applied or redeemed, for purposes of the preceding sentence shall be deemed to have been delivered, applied or redeemed, as the case may be, on the sinking fund payment date when such sinking fund payment was due. Bonds redeemed out of moneys paid to the Trustee on account of any sinking fund payment shall, regardless of the date when they were redeemed, for purposes of the second preceding sentence, be deemed to have been redeemed on the later of (i) the date on which such moneys were paid to the Trustee or (ii) the sinking fund payment date when such sinking fund payment was due."

(3) Subsection G of Section 1.10 of the Original Indenture, as the same may be amended as hereinabove in this Section 1.07 provided, be further amended by deleting therefrom the last two paragraphs thereof and inserting therein a new last paragraph to read as follows:

"The aggregate amount of the minimum provision for depreciation as applied to bondable public utility property and the aggregate amount of the minimum provision for depreciation as applied to bondable public utility property not subject to a prior lien from March 31, 1945 to any date shall be the sum of the corresponding minimum provision for depreciation for each completed calendar year between December 31, 1966 and such date, plus (1) the corresponding minimum provision for depreciation for the period, if any, from the end of the most recent such completed calendar year to such date, in each case determined as set forth above, plus (2) \$35,023,487.50, plus (3) an amount equal to the aggregate of (a) the amount of any property additions which, between December 31, 1966 and such date, became property additions of the character described in clause (a) of the second paragraph of this Subsection G and which, thereafter, also between December 31, 1966 and such date, became 'available additions' as a result of the fact that all Bonds of such series ceased to be outstanding, and (b) 166-2/3% of the principal amount of Bonds of any series which, between December 31, 1966 and such date, become Bonds of the character described in clause (b) of the second paragraph of this Subsection G and which, thereafter, also between December 31, 1966 and such date, became 'available Bond retirements' as a result of the fact that all Bonds of such series

ceased to be outstanding."

III. Each holder of any Bond of the 2023 Series, by acceptance of such Bond shall thereby consent that, at any time after the requisite consents, if any, of the holders of Bonds of other series shall have been given as hereinafter provided:
